1. Within one hundred eighty (180) days of the date this Compact is ratified by the Tribes, the State, and Congress, whichever is latest, the Tribes, and/or the State, and/or the United States shall file, in the general stream adjudication initiated by the State pursuant to the provisions of §85-2-702(3), MCA, a motion for entry of the proposed decree set forth in Appendix 1 as the decree of the water rights held by the United States in trust for the Gros Ventre and Assiniboine Tribes which compose the Fort Belknap Indian Community and Tribal members of the Fort Belknap Reservation. The Parties understand and agree that the submission of this Compact to a state court or courts, as provided for in this Compact, is solely to comply with the provisions of §85-2-702(3), MCA, and does not expand the jurisdiction of the state court or expand in any manner the waiver of sovereign immunity of the United States in the McCarran Amendment, 43 U.S.C. 666 or other provisions of federal law.

2. Consistent with §3-7-224, MCA, and for the purposes of §85-2-702(3), MCA, the review by the Montana Water Court shall be limited to Article III, and Appendix 1, and may extend to other Sections of the Compact only to the extent that they relate to the determination of existing water rights. The final decree shall consist of Article III as displayed in Appendix 1, and such other information as may be required by §85-2-234, MCA. Nevertheless, pursuant to §85-2-702(3), MCA, the terms of the entire Compact must be included in the preliminary decree without alteration for the purpose of notice.

3. Concurrent with filing of the motion for entry of the proposed decree, the Parties shall seek appointment of a water commissioner or commissioners pursuant to Title 85, Chapter 2, Parts 1-3 of the Montana Code Annotated in the appropriate state district court pursuant to §85-2-406, MCA, and as set forth in Appendix 1, to enforce water use pursuant to decrees of the Water Court, permits issued by DNRC, contracts issued by the BOR, and use pursuant to Tribal law, from the mainstem of the Milk River downstream from the Eastern Crossing pursuant to this Compact, federal, Tribal, and State law, and the final decrees. The Parties shall ask the district court to stay the appointment pending issuance of preliminary decrees on the Milk River Basin downstream from the Eastern Crossing. The request for appointment of a water commissioner by the Parties shall be sufficient to meet the requirements of §85-5-101, MCA pertaining to the persons who may request appointment of a water commissioner.

Notwithstanding the requirement of yearly appointment of a water commissioner under state law, the Parties shall seek, and the district court may appoint, a permanent water commissioner or commissioners. The petition by the Parties does not preclude the right of any Person to seek appointment of a water commissioner or enforcement of water rights pursuant to applicable law.

4. The Parties agree to seek a mechanism for funding the Tribal share of the cost of the water commissioner or commissioners in the federal legislation ratifying the Compact.

5. Water users with rights to divert water from the mainstem of the Milk River downstream from the Eastern Crossing under authority of State, federal or Tribal law, shall notify the water commissioner within a reasonable period in advance of a need to divert water.

6. Any Person authorized to use water from the mainstem of the Milk River Basin downstream from the Eastern Crossing objecting to the distribution of water by the water commissioner, or to a use of water by another Person, may use the remedies provided by § 85-5-301, MCA.

7. In the distribution of water, the water commissioner or commissioners shall be bound by the decrees of the water court, however, the commissioner or commissioners may use the databases developed pursuant to Section C.3.d. of Article IV to facilitate understanding of the distribution of water within a particular water right.

8. Nothing in this Compact shall prevent the holders of water rights Arising Under State Law or Tribal Water Rights with a source on the mainstem of the Milk River below the Eastern Crossing from agreeing to an alternative water distribution plan that allows sharing of shortages, distribution of shortage, operation of storage, or exchange of storage in a manner other than priority. Such agreement shall be enforced by the court appointing the water commissioner.

C. **Disposition of Federal Suit.**

1. On issuance of a final decree by the Montana Water Court or its successor, and the completion of any direct appeals therefrom, or on expiration of the time for filing any such appeal, the United States, the Tribes, and the State shall execute and file joint motions pursuant to Rule 41(a), Fed.R.Civ.P., to dismiss without prejudice the claims of the Tribes, Tribal members, and Allottees and any claims made by the United States for benefit of the Tribes, Tribal members, and Allottees in United States v. Aageson, No. CIV-79-21-GF (filed April 5, 1979). The case may only be resumed if the State or Tribes exercise their rights under Section A. of this Article VII.

2. The Decree shall be filed by the Parties as a consent decree in Aageson, or in federal court as a new proceeding after the dismissal of Aageson conditional on agreement by the Parties to seek the necessary State, Tribal, and federal legislation to implement the remaining provisions of the Compact, if it is finally determined in a judgment binding on the State of Montana that the state courts lack jurisdiction over, or that the state court proceedings are inadequate to adjudicate some or all of the water rights asserted in Aageson.

D. **Settlement of Tribal Water Right Claims.**

1. The water rights and other benefits confirmed to the Tribes in this Compact are in full and final satisfaction of and are intended to be in replacement

of and substitution for all claims to water or to the use of water by the Tribes, Tribal members, and Allottees and the United States on behalf of the Tribes, Tribal members, and Allottees existing on the Effective Date of this Compact, including federal reserved water rights claims based on or recognized in Winters v. United States, 207 U.S. 564 (1908), within the State of Montana.

2. In consideration of the rights confirmed to the Tribes, Tribal members, and Allottees in this Compact, and of performance by the State and the United States of all actions required by this Compact, and on entry of a final order issuing the decree of the Tribal Water Right held in trust by the United States as quantified in this Compact and displayed in Appendix 1, and except for water rights, benefits and uses confirmed in this Compact, the Tribes and the United States as trustee for the Tribes, Tribal members, and Allottees hereby waive, release, and relinquish any and all claims to water rights or to the use of water within the State existing on the Effective Date of this Compact.

3. Any claim to water by the Tribes, Tribal members, or Allottees within the Reservation shall be satisfied out of the Tribal Water Right confirmed by this Compact.

E. **Settlement of Tribal Claims Against the United States.** Waiver of claims against the United States, by the Tribes and Tribal members shall be as provided by Congress.

F. **Binding Effect.** After the Effective Date of this Compact and entry of a final decree, its terms shall be binding on:

1. The State and any Person or entity using, claiming or in any manner asserting any right under the authority of the State to the use of water in Montana; provided that, the validity of consent, ratification, or authorization by the State is to be determined by Montana law;

2. The Tribes and any Person or entity using, claiming or in any manner asserting any right to the use of the Tribal Water Right, or any right arising under any doctrine of reserved or aboriginal water rights for the Tribes or Tribal members, or any rights arising under tribal law; provided that, the validity of consent, ratification or authorization by the Tribes is to be determined by Tribal law; and

3. The United States and any Person or entity using, claiming or in any manner asserting any right under the authority of the United States to the use of water in Montana; provided that, the validity of consent, ratification or authorization by the United States is to be determined by federal law;

ARTICLE VIII - LEGISLATION/DEFENSE OF COMPACT

A. **State Legislation.** The State and Tribes agree to seek ratification of the Compact by the Montana Legislature and any additional state legislation necessary to effectuate the Compact.

B. **Federal Legislation.** The State and Tribes agree to seek ratification of the Compact by Congress and any additional federal legislation necessary to effectuate the Compact.

C. **Tribal Legislation.** The State and Tribes agree to seek ratification of the Compact by the Fort Belknap Community Council and any Tribal legislation necessary to effectuate the Compact.

D. **Defense of the Compact.** The Parties agree to defend the Compact from all challenges and attacks and in all proceedings pursuant to Sections B. and C. of Article VII, and agree that no provision of the Compact shall be modified as to substance except as may be provided in the Compact, or by agreement among the Parties.

IN WITNESS WHEREOF the representatives of the State of Montana, the Fort Belknap Indian Community of the Fort Belknap Reservation, and the United States, have signed this Compact on the ____ day of ________, 20__.

Section 2. Findings and purpose. (1) It is the policy of the state to seek negotiated settlements of federal and Indian reserved water rights claims in Montana under Title 85, chapter 2, part 7.

(2) Pursuant to this policy, the reserved water rights compact commission commenced negotiations with the Gros Ventre and Assiniboine Tribes which compose the Fort Belknap Indian Community of the Fort Belknap Reservation and the United States.

(3) A compact, [section 1], has been agreed to between the state of Montana and the Fort Belknap Indian Community of the Fort Belknap Reservation that, among other things, provides an allocation of water to the tribes in settlement of their water right claims and provides protection for certain water rights arising under state law. Approval of the compact by the United States requires ratification by congress.

(4) (a) For purposes of implementing the compact, [sections 2 through 8]:

(i) establish accounts necessary to meet certain obligations agreed to in the compact;

(ii) provide a structure for the issuance of grants and loans; and

(iii) provide for the facilitation of the development of an economic development plan.

(b) Funding for the accounts established under [sections 4, 5, and 7] is subject to state and federal cost-share negotiations, approval of state cost-share by the legislature, and approval of federal cost-share by the United States congress.

(5) The state's obligation to provide funding to implement the compact and to satisfy the state's cost-share, once approved by the legislature, must be conditioned on:

(a) final court approval of a decree of the water rights of the tribes as set forth in Article VII, sections B. through D., of the compact; and

(b) validity of the compact under Article VII, section A., of the compact.

(6) Funds appropriated to accounts established under [sections 4, 5, and 7] and interest on appropriated funds are not available for expenditure unless the conditions, provided in subsection (5), are met.

(7) If a court does not approve a final decree, if the compact becomes null and void, or if one of the parties withdraws from the compact, the funds appropriated by the state to accounts established in [sections 4, 5, and 7] must revert to the general fund and any federal funds must be returned to the United States treasury. If a portion of the funding or interest on funding provided in [sections 4, 5, and 7] has been expended prior to the return of funds to the general fund, any claim against the state by the tribes or by the United States on behalf of the tribes

for adjudication of the water rights of the tribes must be offset by the amount of the expenditures of state funds or interest on state funds.

Section 3. Definitions. The definitions provided for in [section 1] apply to [sections 2 through 8]. The absence of capitalization of defined terms in [sections 2 through 8] does not affect the meaning or application of a defined term.

Section 4. Mitigation account. (1) An expendable trust account, called the mitigation account, is established, as provided for in 17-2-102, for deposit of funds and interest on funds appropriated by the state for mitigation measures required by Article VI of the compact.

(2) On approval of a final decree pursuant to Article VII of the compact, the funds and interest on funds in the mitigation account must be made available to the United States bureau of reclamation to cover the state's cost-share for construction of mitigation measures chosen on completion of a feasibility study and appropriate state and federal environmental review by the bureau of reclamation and on consideration of the economic development plan authorized by [section 8].

Section 5. Watershed improvement trusts. (1) A nonexpendable trust fund account, called the state Milk River watershed improvement trust, is established, as provided for in 17-2-102, for deposit of funds appropriated pursuant to the compact for a permanent trust. Interest income may be used by the Milk River coordinating committee established pursuant to the compact for the purpose of allocating grants and loans.

(2) A nonexpendable trust fund account, called the federal Milk River watershed improvement trust, is established, as provided for in 17-2-102, for receipt of federal funds appropriated for a permanent trust. Interest income may be used by the Milk River coordinating committee established pursuant to the compact for the purpose of allocating grants and loans.

(3) The state and federal Milk River watershed improvement trusts must be collectively referred to as the Milk River watershed improvement trusts.

Section 6. Terms and conditions of loan. A Milk River watershed improvement trusts loan is subject to the following terms and conditions:

(1) Except for loan agreements with an Indian tribe, the DNRC shall obtain a security interest in real estate that would be obtained by a reasonable, careful, and prudent lender.

(2) A current appraisal of real estate offered as security and a commitment for title insurance on that land must be secured by the borrower at the borrower's expense. All costs incident to the loan and loan closing must be paid by the borrower.

(3) For a loan agreement with an Indian tribe, security must be pursuant to the appropriate federal authority to secure a loan on trust land, and with an allottee, security must be pursuant to 25 U.S.C. 483A.

(4) The term of the loan may not be greater than the life of the project and may not exceed 30 years.

Section 7. Peoples Creek minimum flow account. (1) An expendable trust account, called the Peoples Creek minimum flow account, is established, as provided for in 17-2-102, for deposit of funds and interest on funds appropriated by the state for efficiency improvements and bypass structures for irrigation upstream from the Fort Belknap Reservation in the Peoples Creek Basin 40I and for a reservoir on the Reservation for the purpose of improving minimum stream flow.

(2) On approval of a final decree pursuant to Article VII of the compact, the funds and interest on funds in the Peoples Creek minimum flow account must be made available to the water users and the tribes to cover the cost of construction of improvements as agreed to in the state and federal cost-share negotiations.

Section 8. Economic development plan. (1) The DNRC is directed to facilitate development of an economic development plan focused on future use of water and currently irrigated land, including but not limited to use of water and irrigated land for irrigation, industrial, recreational, fisheries, and habitat purposes in the Milk River basin.

(2) The Milk River regional feasibility study examines alternative measures for mitigation of impacts of development of the tribal water right for the purpose of determining feasibility and environmental impact. The purpose of the economic development plan is to supplement the federal studies and provide information to assist in choosing mitigation measures by examining the long-term economic potential of water use in the Milk River basin.

(3) At a minimum, the DNRC shall include irrigation districts, individual irrigators, conservation districts, county governments, and municipalities in the development of the economic development plan.

Section 9. Appropriation of funds for economic development plan. There is appropriated to the department of natural resources and conservation from the general fund $50,000 in the 2003 biennium for the purpose of facilitating the development of the economic development plan provided for in [section 8].

Section 10. Codification instruction. [Sections 1 through 9] are intended to be codified as an integral part of Title 85, chapter 20, and the provisions of Title 85, chapter 20, apply to [sections 1 through 9].

The transfer, loss, theft, destruction, or abandonment terminates the certificate of number for the motorboat, sailboat, or personal watercraft. (2) If the death requires inquiry under 46-4-122, the written authorization may only be granted by the coroner having jurisdiction or the coroner's designee or by the state medical examiner if the coroner fails to act. However, when the only reason for inquiry under 46-4-122 is that the body is to be cremated, the coroner may grant oral authorization for cremation of the body, which must be reduced to writing as specified under subsection (1) by the coroner.

(3) The written authorization to move a dead body or, when applicable, to cremate a dead body must be made in quadruplicate on a form provided by the department. The person in charge of disposition of the dead body, the coroner having jurisdiction, and the local registrar must each be provided with and retain a copy of the authorization. (3) A shareholder of a DISC that is exempt from the corporation license tax under 15-31-102(1)(l) shall include in the shareholder's adjusted gross income the earnings and profits of the DISC in the same manner as provided by section 995 of the Internal Revenue Code, 26 U.S.C. 995, for all periods for which the DISC election is effective.

(4) A taxpayer who, in determining federal adjusted gross income, has reduced the taxpayer's business deductions by an amount for wages and salaries for which a federal tax credit was elected under sections 38 and 51(a) of the Internal Revenue Code of 1954, as those sections may be labeled or amended, is allowed to deduct the amount of the wages and salaries paid regardless of the credit taken. The deduction must be made in the year that the wages and salaries were used to compute the credit. In the case of a partnership or small business corporation, the deduction must be made to determine the amount of income or loss of the partnership or small business corporation.

(5) Married taxpayers filing a joint federal return who are required to include part of their social security benefits or part of their tier 1 railroad retirement benefits in federal adjusted gross income may split the federal base used in calculation of federal taxable social security benefits or federal taxable tier 1

railroad retirement benefits when they file separate Montana income tax returns. The federal base must be split equally on the Montana return.

(6) A taxpayer receiving retirement disability benefits who has not attained age 65 by the end of the tax year and who has retired as permanently and totally disabled may exclude from adjusted gross income up to $100 a week received as wages or payments in lieu of wages for a period during which the employee is absent from work due to the disability. If the adjusted gross income before this exclusion and before application of the two-earner married couple deduction exceeds $15,000, the excess reduces the exclusion by an equal amount. This limitation affects the amount of exclusion, but not the taxpayer's eligibility for the exclusion. If eligible, married individuals shall apply the exclusion separately, but the limitation for income exceeding $15,000 is determined with respect to the spouses on their combined adjusted gross income. For the purpose of this subsection, "permanently and totally disabled" means unable to engage in any substantial gainful activity by reason of any medically determined physical or mental impairment lasting or expected to last at least 12 months.

(7) Married taxpayers who file a joint federal return and who make an election on the federal return to defer income ratably for 4 tax years because of a conversion from an IRA other than a Roth IRA to a Roth IRA, pursuant to section 408A(d)(3) of the Internal Revenue Code, 26 U.S.C. 408A(d)(3), may file separate Montana income tax returns to defer the full taxable conversion amount from Montana adjusted gross income for the same time period. The deferred amount must be attributed to the taxpayer making the conversion. (Subsection (2)(f) terminates on occurrence of contingency—sec. 3, Ch. 634, L. 1983.)"

Section 7. Codification instruction. [Sections 1 through 5] are intended to be codified as an integral part of Title 15, chapter 30, and the provisions of Title 15, chapter 30, apply to [sections 1 through 5].

Section 8. Applicability. [This act] applies to tax years beginning after December 31, 2001.

CHAPTER NO. 263

[SB 253]

AN ACT CREATING THE MONTANA RENTAL-PURCHASE AGREEMENT ACT; REQUIRING THE DISCLOSURE OF CERTAIN INFORMATION FOR EACH RENTAL-PURCHASE AGREEMENT; PROHIBITING CERTAIN PROVISIONS IN RENTAL-PURCHASE AGREEMENTS; PROVIDING THAT A RENTAL-PURCHASE AGREEMENT MAY BE REINSTATED; REQUIRING WRITTEN RECEIPTS WHEN PAYMENT IS MADE BY CASH OR MONEY ORDER; PROVIDING FOR THE RENEGOTIATION OR EXTENSION OF A RENTAL-PURCHASE AGREEMENT; REQUIRING THAT CERTAIN INFORMATION BE INCLUDED IN ANY ADVERTISING OF PROPERTY

SUBJECT TO A RENTAL-PURCHASE AGREEMENT; PROVIDING ENFORCEMENT PROVISIONS; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE AND AN APPLICABILITY DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Short title. [Sections 1 through 12] may be cited as the "Montana Rental-Purchase Agreement Act".

Section 2. Purpose. (1) The legislature finds that the rental-purchase industry is unique in its structure of providing a service to Montana consumers, in that the business transaction involved is not a credit transaction, does not create a debt or a security interest, and is not a simple rental or lease. As a result, rental-purchase agreements deserve their own regulatory scheme.

(2) The purpose of [sections 1 through 12] is to protect consumers and businesses engaged in the rental-purchase of consumer goods against unfair or deceptive acts and practices and to provide certainty and regularity in the conduct of rental-purchase transactions.

Section 3. Definitions. As used in [sections 1 through 12], the following definitions apply:

(1) "Advertisement" means a commercial message in any medium that aids, promotes, or assists, directly or indirectly, a rental-purchase agreement but does not include price tags, window signs, or other in-store merchandising aids.

(2) "Cash price" means the price at which the lessor would have sold the property to the consumer for cash on the date of the rental-purchase agreement.

(3) "Consumer" means a person who rents personal property under a rental-purchase agreement to be used primarily for personal, family, or household purposes.

(4) "Consummation" means the time that a consumer becomes contractually obligated by signing a rental-purchase agreement.

(5) "Lessor" means a person who regularly provides the use of property through rental-purchase agreements and to whom rent payments are initially payable on the face of the rental-purchase agreement.

(6) "Rental-purchase agreement" or "agreement" means an agreement between a lessor and a consumer that has the following characteristics:

(a) the agreement governs the use of personal property by a person primarily for personal, family, or household purposes;

(b) the agreement is entered into for an initial period of 4 months or less and is automatically renewable with each payment after the initial period;

(c) the agreement does not obligate or require the consumer to continue renting or using the property beyond the initial period; and

(d) the agreement permits the consumer to become the owner of the property.

Section 4. Exemptions of applicability. (1) The provisions of [sections 1 through 12] are not subject to laws relating to:

(a) retail installment sales contracts as defined in 31-1-202;

(b) security interests regulated by the provisions of Title 30, chapters 1 through 9;

(c) leases regulated by the provisions of Title 30, chapter 2A;

(d) personal solicitation sales defined in 30-14-502; and

(e) interest rates or loans on money as provided for in Title 31, chapter 1.

(2) The provisions of [sections 1 through 12] do not apply to:

(a) a lease-purchase agreement primarily for business, commercial, or agricultural purposes or agreements made with governmental agencies, political subdivisions, or organizations;

(b) a lease or bailment of personal property that is incidental to the lease of real property and that provides the consumer with no option to purchase the leased property; or

(c) the lease of a motor vehicle.

Section 5. Disclosure of information. (1) A lessor shall disclose to the consumer the information provided for in [section 6].

(2) The disclosure must be made at or before consummation of the rental-purchase agreement.

(3) The disclosure must be made clearly and conspicuously in writing and a copy of the rental-purchase agreement must be provided to the consumer.

(4) The disclosure information required under [section 6] must be provided for on the face of the contract above the line provided for the consumer's signature.

(5) If a disclosure becomes inaccurate as a result of any act, occurrence, or agreement by the consumer after the delivery of the required disclosure, the resulting inaccuracy is not in violation of [sections 1 through 12].

Section 6. Information required in disclosure. For each rental-purchase agreement, the lessor shall disclose the following items in the agreement:

(1) the total number, the amount, and the timing of all rental payments necessary to acquire ownership of the property;

(2) a statement that the consumer will not have an ownership interest in the property until the consumer has made the total number of rental payments necessary to acquire ownership;

(3) a statement that the consumer is responsible for the fair market value of the property if the property is lost, stolen, damaged, or destroyed;

(4) a brief description of the rented property sufficient to identify the property to the consumer and the lessor. The description of the rented property may include an identification number and must include a statement indicating whether the property is new or used. A lessor is not liable for a statement that inadvertently describes property as being used if the property is new.

(5) a brief description of any existing damage to the rental property;

(6) a statement of the cash price of the property. If the agreement involves the rental of more than one item as a set, in one agreement, a statement of the combined cash price of the items in the set may be stated.

(7) the total of the initial payments paid or required at or before consummation of the rental-purchase agreement or delivery of the property, whichever is later;

(8) (a) a statement that the total amount of the rental payment does not include taxes or other charges and fees, including but not limited to:

(i) late payment;

(ii) processing;

(iii) default;

(iv) pickup;

(v) liability damage waiver;

(vi) insurance; or

(vii) other charges or fees that are necessary and appropriate; and

(b) the charges and fees identified in subsection (8)(a), itemized separately;

(9) a statement informing the consumer that the consumer has the right to exercise an early purchase option;

(10) (a) a statement identifying the party responsible and a description of the responsibility for maintaining or servicing the property while it is being rented; and

(b) if the property is covered by a manufacturer's warranty, a notice that the warranty is transferred to the consumer if the consumer acquires ownership of the property and if the manufacturer's warranty allows for the transfer;

(11) the date of the transaction and the identities of the consumer and the lessor;

(12) a statement that the consumer may terminate the agreement without penalty by voluntarily surrendering or returning the property in good repair, except for ordinary wear and tear, on the expiration of any rental term agreement along with any past-due rent payments, if any; and

(13) notice of the right to reinstate an agreement as provided in [section 8].

Section 7. Provisions prohibited in agreements. A rental-purchase agreement may not contain:

(1) a confession of judgment;

(2) a negotiable instrument;

(3) a security interest or any other claim of property interest in any property except the property delivered by the lessor pursuant to the rental-purchase agreement;

(4) a wage assignment;

(5) a waiver of claims or defenses by the consumer; and

(6) a provision authorizing the lessor or any person acting on the lessor's behalf to enter the consumer's premises or to commit any breach of the peace in the repossession of property.

Section 8. Reinstatement of agreement — repossession. (1) A consumer who fails to make a timely rent payment may reinstate the agreement, without losing any rights or options that existed in the original agreement, by paying:

(a) all past-due rent payments;

(b) the next rent payment;

(c) reasonable pick-up and redelivery costs if the property was picked up by the lessor; and

(d) any applicable late fees.

(2) A consumer exercising the reinstatement option provided for in subsection (1) must provide the applicable payments to the lessor within:

(a) 5 days of the renewal date if the agreement specified a monthly payment schedule; or

(b) 2 days of the renewal date if the agreement specified a semimonthly payment schedule.

(3) If a consumer has not made two-thirds of the total payments necessary to acquire ownership of the property and has returned or voluntarily surrendered the property during the applicable reinstatement period established in this section, the consumer may reinstate the agreement during a period of not less than 21 days after the date of the return of the property.

(4) If a consumer has made two-thirds or more of the total payments necessary to acquire ownership of the property and has returned or voluntarily surrendered the property during the applicable reinstatement period established in this section, the consumer may reinstate the agreement during a period of not less than 45 days after the date of the return of the property.

(5) The provisions of subsections (3) and (4) do not apply to instances when the consumer returned or surrendered the property on an order from a court.

(6) This section does not prevent a lessor from attempting to repossess property during the reinstatement period, but the repossession does not affect the consumer's right to reinstate the agreement. If the agreement is reinstated, the lessor shall provide the consumer with the same property or substitute property of comparable quality and condition.

Section 9. Written receipt for cash or money order. A lessor shall provide the consumer, at the consumer's request, a written receipt for any payment made by cash or money order.

Section 10. Renegotiation of rental-purchase agreement — extension not considered renegotiation. (1) A renegotiation of an agreement must occur when an existing agreement is satisfied and replaced by a new agreement between the lessor and the consumer. A renegotiation is considered a new agreement and requires new disclosures as provided for in [section 6]. The following events may not be treated as a renegotiation:

(a) the addition or return of property in a multiple-item agreement or in the substitution of the rental property, if in either case the average payment allocable to a payment period is not changed by more than 25%;

(b) a deferral or extension of one or more periodic payments or portions of a periodic payment;

(c) a reduction in charges in the agreement; or

(d) an agreement involved in a court proceeding.

(2) An extension of an agreement is not a renegotiation.

Section 11. Advertisement of rental-purchase agreement. (1) An advertisement for an agreement that refers to or states the monetary amount of any payment and the right to acquire ownership of property must clearly and conspicuously state:

(a) that the transaction advertised is a rental-purchase agreement;

(b) the total payments necessary to acquire ownership of any specific item; and

(c) that the consumer acquires no ownership interest if the total amount necessary to acquire the property is not paid.

(2) An owner or employee of an advertising enterprise preparing or providing advertising to an entity offering rental-purchase agreements is not liable for omissions or errors in advertisements.

Section 12. Enforcement — bona fide errors. (1) Except when inconsistent with the provisions of [sections 1 through 12], a violation of [sections 1 through 12] is a violation of Title 30, chapter 14, part 1.

(2) (a) A lessor may not be held liable for a violation of the provisions of [sections 1 through 12] if the lessor proves by a preponderance of evidence that the violation was not intentional and resulted from bona fide error despite the lessor's maintenance of procedures reasonably intended to avoid the error.

(b) (i) For the purposes of this section, a bona fide error includes but is not limited to clerical, calculation, computer malfunction, programming, and printing error.

(ii) An error of legal judgment with respect to a person's obligations under [sections 1 through 12] is not a bona fide error.

Section 13. Codification instruction. [Sections 1 through 12] are intended to be codified as an integral part of Title 30, and the provisions of Title 30 apply to [sections 1 through 12].

Section 14. Severability. If a part of [this act] is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of [this act] is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

Section 15. Effective date. [This act] is effective on passage and approval.

Section 16. Applicability. [This act] applies to rental-purchase agreements that are entered into on or after [the effective date of this act].

The department of natural resources and conservation is authorized to make loans to the political subdivisions of state government and local governments listed in this section in amounts not to exceed the loan amounts listed for each project from the proceeds of the bonds authorized in [section 3].

(2) GROUP A: The interest rate for the projects in this group must be at the rate at which the state bonds are sold for the anticipated 20-year term of the loan. If a grant is authorized under House Bill No. 6 but available grant funds are insufficient, the applicant must be offered the opportunity to receive a loan for up to the amount of the authorized grant approved in House Bill No. 6.

Loan	Amount
YELLOWSTONE COUNTY	
Shiloh Road Bridge Replacement	$620,000

(3) GROUP B: The interest rate for the projects in this group is as follows:

Loan	Amount
DEPARTMENT OF NATURAL RESOURCES AND CONSERVATION	
Bair Dam Rehabilitation	$988,772

The interest rate will be 4.5% on the first $250,000, 2.25% on the next increment of the loan up to $500,000, and 0% on the amount of the loan over $500,000. The department of natural resources and conservation will then determine an average rate for the full term of the loan, which may be up to 20 years.

Section 3. Coal severance tax bonds authorized. (1) The legislature finds that Title 17, chapter 5, part 7, provides for the issuance of coal severance tax bonds for financing specific approved renewable resource projects as part of the state renewable resource grant and loan program. Available funds from previous sales of coal severance tax bonds, plus any additional principal amount on bonds as may be necessary, pursuant to the conditions in 85-1-605, to fund emergency loans, as authorized and approved in accordance with 85-1-605(4), also may be used for the projects approved in [sections 1 and 2]. The board of examiners is authorized to issue coal severance tax bonds in an amount not to exceed $18,956,102 of which $15,927,294 is to be used to finance the projects approved in [sections 1 and 2], $1,305,526 is to be used to finance additional loans in lieu of grants for projects listed in [section 1] if grant funds are not sufficient, and up to $1,723,282 is to be used to establish a reserve for the bonds. Proceeds of the bonds are appropriated to the department of natural resources and conservation for financing the projects identified in [sections 1 and 2] and may be used as authorized in 85-1-605(4). Loans made under 85-1-605(4) must bear interest at the rate borne by the state bonds unless the legislature in a subsequent session provides for a lower interest rate, in which case the rate must be reduced to the rate specified by the legislature.

(2) In connection with the issuance of coal severance tax bonds, the board of examiners may pay the principal and interest on the bonds when due from the debt service account and in all other respects manage and use the funds within each special bond account for the benefit of the bonds. The board of examiners shall exercise its discretion to enhance the marketability of the bonds and to secure the most advantageous financial arrangements for the state.

(3) Earnings on bond proceeds prior to the completion of any loan must be allocated to the debt service account to pay the debt service on the bonds during this period. Earnings in excess of debt service, if any, must be allocated to the renewable resource grant and loan state special revenue account.

(4) Loan repayments from loans financed with coal severance tax bonds are pledged, dedicated, and appropriated to the debt service account in the state treasury for the benefit of bonds approved for loans under this section.

Section 4. Conditions of loans. (1) Disbursement of funds under [sections 1 through 7] for loans is subject to the following conditions that must be met by project sponsors:

(a) approval of a scope of work and budget for the project by the department of natural resources and conservation. Reductions in a scope of work or budget may not affect priority activities or improvements.

(b) documented commitment of other funds required for project completion;

(c) satisfactory completion of conditions described in the recommendations section of the project narrative in the renewable resource grant and loan program project evaluations and recommendations report for the biennium;

(d) execution of a loan agreement with the department; and

(e) accomplishment of other specific requirements considered necessary by the department to accomplish the purpose of the loan as evidenced from the application to the department or from the proposal to the legislature.

(2) Each project sponsor authorized for a loan from coal severance tax bond proceeds may be required to pay to the department a pro rata share of the bond issuance costs and the administrative costs incurred by the department to complete the loan transaction.

Section 5. Private and discount purchase of loans. Loans to political subdivisions and local government entities and bonds, warrants, and notes issued in evidence of the loans may be made, purchased by, and sold to the department of natural resources and conservation at a discount and at a private negotiated sale, notwithstanding the provisions of any other law applicable to political subdivisions or local government entities.

Section 6. Appropriations established. For any entity of state government that receives a loan under [sections 1 through 5], an appropriation is established for the amount of the loan upon award of the loan by the department of natural resources and conservation.

Section 7. Creation of state debt — appropriation of coal severance tax — bonding provisions. (1) Because [section 3] authorizes the creation of a state debt, a vote of two-thirds of the members of each house is required for enactment of [section 3].

(2) The legislature, through the enactment of [sections 1 through 7] by a vote of three-fourths of the members of each house of the legislature, as required by Article IX, section 5, of the Montana constitution, pledges, dedicates, and appropriates from the coal severance tax bond fund all money necessary for the payment of principal and interest not otherwise provided for on the coal severance tax bonds authorized by [section 3] to be issued pursuant to Title 17, chapter 5, part 7, and pursuant to the provisions of [sections 1 through 7] and the general resolution for this bond program that has been adopted by the board of examiners under the authority provided in Title 17, chapter 5, part 7.

Section 8. Severability. If a part of [this act] is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of [this act] is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

Section 9. Effective date. [This act] is effective July 1, 2001.

[HB 459]

AN ACT REVISING THE MONTANA ENVIRONMENTAL POLICY ACT; PROVIDING CRITERIA FOR THE ANALYSIS OF PROJECT ALTERNATIVES; PROVIDING DEFINITIONS; AND AMENDING SECTION 75-1-201, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 75-1-201, MCA, is amended to read:

"75-1-201. General directions — environmental impact statements. (1) The legislature authorizes and directs that, to the fullest extent possible:

(a) the policies, regulations, and laws of the state must be interpreted and administered in accordance with the policies set forth in parts 1 through 3;

(b) all agencies of the state, except the legislature and except as provided in subsection (2), shall:

(i) use a systematic, interdisciplinary approach that will ensure*:*

(A) the integrated use of the natural and social sciences and the environmental design arts in planning and in decisionmaking that may have an impact on the human environment*; and*

(B) that in any environmental review that is not subject to subsection (1)(b)(iv), when an agency considers alternatives, the alternative analysis will be in compliance with the provisions of subsections (1)(b)(iv)(C)(I) through (1)(b)(iv)(C)(III) and, if requested by the project sponsor or if determined by the agency to be necessary, subsection (1)(b)(iv)(C)(IV);

(ii) identify and develop methods and procedures that will ensure that presently unquantified environmental amenities and values may be given appropriate consideration in decisionmaking, along with economic and technical considerations;

(iii) identify and develop methods and procedures that will ensure that state government actions that may impact the human environment are evaluated for regulatory restrictions on private property, as provided in subsection (1)(b)(iv)(D);

(iv) include in each recommendation or report on proposals for projects, programs, and other major actions of state government significantly affecting the quality of the human environment a detailed statement on:

(A) the environmental impact of the proposed action;

(B) any adverse environmental effects that cannot be avoided if the proposal is implemented;

(C) alternatives to the proposed action~~;~~. *An analysis of any alternative included in the environmental review must comply with the following criteria:*

(I) any alternative proposed must be reasonable, in that the alternative must be achievable under current technology and the alternative must be economically feasible as determined solely by the economic viability for similar projects having similar conditions and physical locations and determined without regard to the economic strength of the specific project sponsor;

(II) the agency proposing the alternative shall consult with the project sponsor regarding any proposed alternative, and the agency shall give due weight and consideration to the project sponsor's comments regarding the proposed alternative;

(III) if the project sponsor believes that an alternative is not reasonable as provided in subsection (1)(b)(iv)(C)(I), the project sponsor may request a review by the appropriate board, if any, of the agency's determination regarding the reasonableness of the alternative. The appropriate board may, at its discretion, submit an advisory recommendation to the agency regarding the issue. The agency may not charge the project sponsor for any of its activities associated with any review under this section. [The period of time between the request for a review and completion of a review under this subsection may not be included for the purposes of determining compliance with the time limits established for environmental review in [section 1 of Senate Bill No. 377]].

(IV) the agency shall complete a meaningful no-action alternative analysis. The no-action alternative analysis must include the projected beneficial and adverse environmental, social, and economic impact of the project's noncompletion.

(D) any regulatory impacts on private property rights, including whether alternatives that reduce, minimize, or eliminate the regulation of private property rights have been analyzed. The analysis in this subsection (1)(b)(iv)(D) need not be prepared if the proposed action does not involve the regulation of private property.

(E) the relationship between local short-term uses of the human environment and the maintenance and enhancement of long-term productivity; ~~and~~

(F) any irreversible and irretrievable commitments of resources that would be involved in the proposed action if it is implemented; *and*

(G) the details of the beneficial aspects of the proposed project, both short-term and long-term, and the economic advantages and disadvantages of the proposal;

(v) *in accordance with the criteria set forth in subsection (1)(b)(iv)(C),* study, develop, and describe appropriate alternatives to recommend courses of action in any proposal that involves unresolved conflicts concerning alternative uses of available resources;

(vi) recognize the national and long-range character of environmental problems and, when consistent with the policies of the state, lend appropriate support to initiatives, resolutions, and programs designed to maximize national cooperation in anticipating and preventing a decline in the quality of the world environment;

(vii) make available to counties, municipalities, institutions, and individuals advice and information useful in restoring, maintaining, and enhancing the quality of the environment;

(viii) initiate and use ecological information in the planning and development of resource-oriented projects; and

(ix) assist the environmental quality council established by 5-16-101;

(c) prior to making any detailed statement as provided in subsection (1)(b)(iv), the responsible state official shall consult with and obtain the comments of any state agency that has jurisdiction by law or special expertise with respect to any environmental impact involved. The responsible state official shall also consult with and obtain comments from any state agency with respect to any regulation of private property involved. Copies of the statement and the comments and views of the appropriate state, federal, and local agencies that are authorized to develop and enforce environmental standards must be made available to the governor, the environmental quality council, and the public and must accompany the proposal through the existing agency review processes.

(d) a transfer of an ownership interest in a lease, permit, license, certificate, or other entitlement for use or permission to act by an agency, either singly or in combination with other state agencies, does not trigger review under subsection (1)(b)(iv) if there is not a material change in terms or conditions of the entitlement or unless otherwise provided by law.

(2) The department of public service regulation, in the exercise of its regulatory authority over rates and charges of railroads, motor carriers, and public utilities, is exempt from the provisions of parts 1 through 3.

(3) (a) In any action challenging or seeking review of an agency's decision that a statement pursuant to subsection (1)(b)(iv) is not required or that the statement is inadequate, the burden of proof is on the person challenging the decision. Except as provided in subsection (3)(b), in a challenge to the adequacy of a statement, a court may not consider any issue or evidence that was not first presented to the agency for the agency's consideration prior to the agency's decision. A court may not set aside the agency's decision unless it finds that there is clear and convincing evidence that the decision was arbitrary or capricious or not in compliance with law.

(b) When new, material, and significant evidence is presented to the district court that had not previously been presented to the agency for its consideration, the district court shall remand the new evidence back to the agency for the agency's consideration and an opportunity to modify its findings of fact and administrative decision before the district court considers the evidence within the administrative record under review. Immaterial or insignificant evidence may not be remanded to the agency. The district court shall review the agency's findings and decision to determine whether they are supported by substantial, credible evidence within the administrative record under review.

(4) To the extent that the requirements of subsections (1)(b)(iv)(C)(I) and (1)(b)(iv)(C)(III) are inconsistent with federal requirements, the requirements of subsections (1)(b)(iv)(C)(I) and (1)(b)(iv)(C)(III) do not apply to an environmental review that is being prepared by a state agency pursuant to this part and a federal agency pursuant to the National Environmental Policy Act or to an environmental review that is being prepared by a state agency to comply with the requirements of the National Environmental Policy Act."

(2) The department shall review an application and other evidence submitted pursuant to subsection (1) and shall issue a historic right-of-way deed in the name of the applicant if:

(a) the applicant pays the application fee provided in subsection (1)(a) and the fair market value of the historic right-of-way as provided in subsection (4);

(b) the applicant has shown by substantial evidence the matters required in subsections (1)(b) and (1)(c)(i) or (1)(c)(ii);

(c) the department has, if necessary, made a field inspection of the right-of-way applied for; and

(d) the deed is approved by the board.

(3) A historic right-of-way deed issued in the name of the applicant must contain the description of the property of the applicant to which it is appurtenant as provided in the application, and the right-of-way must thereafter be considered appurtenant to that dominant estate. A deed may be assigned by the applicant to the applicant's successor in interest with the approval of the department. The department ~~may not require a fee for the approval of an assignment and~~ may not withhold approval for any reason other than that the use of the historic right-of-way is contrary to subsection (5).

(4) (a) At the time of issuing the historic right-of-way deed, the department shall collect from the applicant the full market value of the acreage of the historic right-of-way ~~based on the following classifications of land:~~

~~(i) $37.50 per acre for state land classified as grazing land;~~

~~(ii) $275 per acre for state land classified as timber land;~~

~~(iii) $100 per acre for state land classified as crop land; and~~

~~(iv) $100 per acre for other land~~.

(b) ~~Amounts~~ *The amount* collected pursuant to subsection (4)(a) must be deposited in the appropriate trust fund established for receipt of income from the land over which a historic right-of-way is granted.

(5) If application is made in accordance with this section, a historic right-of-way deed must be issued by the department, subject to the approval of the board, on the following terms:

(a) the right-of-way is only for the minimum width necessary, as negotiated by the department and the applicant; and

(b) the right-of-way is only for the physical condition of the road *or utility facilities* existing on the date the historic right-of-way deed is issued by the department.

(6) Issuance of a historic right-of-way deed pursuant to this section is exempt from the requirements of *Title 22, chapter 3, part 4, and* Title 75, chapter 1, parts 1 and 2~~, and Title 22, chapter 3, part 4~~.

(7) The survey requirements of 77-2-102 may be waived by the department for the issuance of a historic right-of-way deed if the department determines *that* there is sufficient information available to define the boundaries of the right-of-way for the purposes of recording the easement.

(8) The department may attach conditions to a historic right-of-way deed necessary to ensure compliance with this chapter. ~~However, the department may not require reversion of the right-of-way to the state.~~

(9) For the purposes of this section, "historic right-of-way deed" means a document issued by the department granting to the applicant a nonexclusive easement over state land. (Terminates October 1, ~~2003—sec. 5, Ch. 461, L. 1997~~ *2011.*)"

Section 2. Section 77-1-208, MCA, is amended to read:

"**77-1-208. Cabin site licenses and leases — method of establishing value.** (1) The board shall set the annual fee based on full market value for each cabin site and for each licensee or lessee who at any time wishes to continue or assign the license or lease. The fee must attain full market value based on appraisal of the cabin site value as determined by the department of revenue. The licensee or lessee has the option to pay the entire fee on March 1 or to divide the fee into two equal payments due March 1 and September 1. The value may be increased or decreased as a result of the statewide periodic revaluation of property pursuant to 15-7-111 without any adjustments as a result of phasing in values. An appeal of a cabin site value determined by the department of revenue must be conducted pursuant to Title 15, chapter 2.

(2) The board shall set the fee of each initial cabin site license or lease or each current cabin site license or lease of a person who does not choose to retain the

license or lease. The initial fee must be based upon a system of competitive bidding. The fee for a person who wishes to retain that license or lease must be determined under the method provided for in subsection (1).

(3) The board shall follow the procedures set forth in 77-6-302, *77-6-303, and* ~~through~~ 77-6-306 for the disposal or valuation of any fixtures or improvements placed upon the property by the then-current licensee or lessee and shall require the subsequent licensee or lessee whose bid is accepted by the board to purchase those fixtures or improvements in the manner required by the board."

Section 3. Section 77-2-206, MCA, is amended to read:

"**77-2-206. Settlement for improvements.** If any state land is exchanged on which there are improvements belonging to a lessee and some person other than the lessee is the transferee, that person shall settle with the lessee for all improvements on the land belonging to the lessee before the exchange is completed. The provisions of 77-6-301 through *77-6-303 and* 77-6-306 relating to the payment and settlement for improvements on state lands between a former lessee and a new lessee apply to the settlement between a lessee and the transferee in an exchange. If settlement is not reached within 6 months of *the* date of exchange, all improvements become the property of the state unless the department for good cause shown grants both parties additional time in which to exhaust arbitration."

Section 4. Section 77-2-325, MCA, is amended to read:

"**77-2-325. Settlement for improvements.** If any state land is sold on which there are improvements belonging to a lessee and some person other than the lessee is the purchaser, that person shall settle with the lessee for all improvements on the land belonging to the lessee before the issuance of the certificate of purchase. The provisions of 77-6-301 through *77-6-303 and* 77-6-306 relating to the payment and settlement for improvements on state lands between a former lessee and a new lessee apply to the settlement between a lessee and the purchaser. If settlement is not reached within 6 months of *the* date of sale, all improvements become the property of the state unless the department for good cause shown grants both parties additional time in which to exhaust arbitration."

Section 5. Section 77-6-302, MCA, is amended to read:

"**77-6-302. Compensation for improvements — actual costs.** (1) When another person becomes the lessee of the lands, the person shall pay to the former lessee the reasonable value of ~~these~~ *the* improvements ~~at the time the new lessee takes possession~~. The reasonable value may not be less than the full market value of the improvements.

(2) If the former lessee is unable to produce records establishing the reasonable value or if the former lessee and the new lessee are unable to agree on the reasonable value of the improvements, the value must be ascertained and fixed as provided in 77-6-306. *The former lessee shall initiate this process within 60 days of notification from the department that there is a new lessee. Failure to initiate the process within this time period results in all improvements becoming the property of the state.*

(3) Upon the termination of a lease, the department may grant a license to the former lessee to remove the movable improvements from the land. Upon authorization, the movable improvements must be removed within 60 days or they become the property of the state unless the department for good cause grants

additional time for the removal. The department shall charge the former lessee for the period of time that the improvements remain on the land after the termination of the lease."

Section 6. Section 5, Chapter 461, Laws of 1997, is amended to read:

"**Section 5. Termination.** [This act] terminates October 1, ~~2003~~ *2011.*"

CHAPTER NO. 272

[SB 51]

AN ACT REQUIRING THE DEPARTMENT OF ADMINISTRATION TO ESTABLISH AN EMPLOYEE WELFARE BENEFIT PLAN CONSISTING OF INDIVIDUAL HEALTH CARE EXPENSE TRUST ACCOUNTS FOR PUBLIC EMPLOYEES; PROVIDING FOR PROGRAM ADMINISTRATION; PROVIDING THAT CONVERSION OF UNUSED SICK LEAVE TO EMPLOYER CONTRIBUTIONS TO THE PLAN MAY BE USED AS A FUNDING SOURCE; PROVIDING A TAX EXEMPTION FOR CONTRIBUTIONS, EARNINGS, AND PAYMENTS; PROVIDING DEATH BENEFITS; REQUIRING THAT THE BENEFIT PLAN BE SUBMITTED TO THE COMMISSIONER OF INTERNAL REVENUE FOR A LETTER OF DETERMINATION TO ENSURE THAT THE PLAN IS FEDERALLY TAX-QUALIFIED; AUTHORIZING A LOAN FROM THE BOARD OF INVESTMENTS; CREATING A STATE DEBT; AMENDING SECTIONS 2-18-618 AND 15-30-111, MCA; AND PROVIDING EFFECTIVE DATES.

Be it enacted by the Legislature of the State of Montana:

Section 1. Short title. [Sections 1 through 10] may be cited as the "Voluntary Employees' Beneficiary Association Act".

Section 2. Purpose and intent. The legislature finds that escalating health care expenses, particularly the increasing cost of medical treatment and health insurance, constitute a substantial financial burden during and after an employee's working career. The purpose of [sections 1 through 10] is to provide a means by which public employers may contribute to a plan established under a qualified tax-exempt trust organization to assist public employees, their dependents, and their beneficiaries with paying for qualified health care expenses. Under the plan, employer contributions, investment earnings, and payments for qualified health care expenses are tax-exempt. The legislature also finds that centralized statewide administration offers a consistent approach and is more cost-effective, especially for smaller employers. However, the legislature does not intend to prohibit an employer from establishing a similar program as an alternative or in addition to participation in the statewide program provided for in [sections 1 through 10]. Additionally, the legislature intends to facilitate a grassroots process to determine plan participation.

Section 3. Definitions. As used in [sections 1 through 10], unless the context requires otherwise, the following definitions apply:

(1) "Common association" means an association of employees established pursuant to [section 7] for the purposes of employer and employee participation in the plan.

(2) "Contracting employer" means an employer who, pursuant to [section 7], has contracted with the department to participate in the plan.

(3) "Department" means the department of administration established in 2-15-1001.

(4) "Employee" means a person employed by an employer but does not include an independent contractor or person hired by the employer under a personal services contract.

(5) "Employer" means a legally constituted department, board, or commission of the state, a county, an incorporated city or town, or any political subdivision of the state, including a school district or a unit of the university system.

(6) "Health care expense trust account" or "account" means an account established for the payment of qualified health care expenses under the plan.

(7) "Member" means an employee who belongs to a voluntary employees' beneficiary association established under [section 7].

(8) "Plan" means the employee welfare benefit plan established under Internal Revenue Code section 501(c)(9) pursuant to [section 4].

(9) "Qualified health care expenses" means expenses paid by a member for medical care, as defined by 26 U.S.C. 213(d), for the member or the member's dependent as defined by 26 U.S.C. 152.

Section 4. Statewide employee welfare benefit plan established — health care expense trust accounts — investment of funds — account access — administrative expenses. (1) The department shall establish, through contracted services, a plan under a tax-exempt entity that qualifies as a voluntary employees' beneficiary association trust pursuant to section 501(c)(9), of the Internal Revenue Code, 26 U.S.C. 501(c)(9). The plan must provide members with individual health care expense trust accounts to pay the qualified health care expenses of members, their dependents, and their beneficiaries.

(2) The department shall determine what investment vehicles will be offered to plan members. Each plan member is entitled to direct the investment of funds in the member's account among the investment vehicles offered. The department shall provide for a default investment vehicle if a member fails to direct how funds are to be invested.

(3) At any time after a member's account has been established, the member may access funds in the account in a manner prescribed by the department. The funds may be accessed only for the payment of qualified health care expenses and until the funds have been exhausted.

(4) Administrative expenses must be paid by the plan in a manner prescribed by the department.

Section 5. Rulemaking authority. The department shall adopt rules to implement the provisions of [sections 1 through 10]. The rules must be designed to allow the plan to conform to federal law.

Section 6. Administration of plan — content of plan document. (1) The department shall provide for the administration of the plan in the manner required to satisfy applicable tax qualification requirements of the Internal Revenue Code. If a statutory provision of [sections 1 through 10] conflicts with a qualification requirement of the Internal Revenue Code and any consequent federal regulations, the provision is either ineffective or must be interpreted to conform with the federal qualification requirements.

(2) For purposes of qualification pursuant to section 501(c)(9) of the Internal Revenue Code, 26 U.S.C. 501(c)(9), and any other applicable internal revenue service laws and regulations, the plan document is composed of [sections 1 through 10] and the rules adopted by the department to implement [sections 1 through 10].

Section 7. Plan membership election — contract for employer participation. (1) At the request of at least 25% of its employees, an employer may facilitate an election by all the employer's employees or by a specified group of the employer's employees to determine whether those employees will form an association for the purpose of participating in the plan. An election among employees on whether to form an association may also be initiated by the employer.

(2) If a majority of the employees voting on the question vote to become plan members, then, in a manner prescribed by the department:

(a) all of the employees that were eligible to vote on the question and any employees subsequently hired into the positions covered under the terms and conditions of the election must be formed as a common association for the purpose of plan membership and the employees must become plan members; and

(b) the employer shall enter into a contract with the department to participate in the plan and must become a contracting employer.

(3) A common association shall operate in a manner prescribed by the department unless the association is disbanded in a manner prescribed by the department.

(4) A contracting employer shall provide to the department, or the appropriate administering entity, the information necessary for the plan's operation. The department, in partnership with a contracting employer, shall provide to plan members the information necessary to actively participate in the plan.

Section 8. Contributions of unused sick leave — other contributions not prohibited. (1) In a manner prescribed by the department, a contracting employer shall provide for a plan member to annually designate how many hours, if any, of the member's sick leave will be automatically converted to an employer contribution to the member's account each pay period as provided for in this section.

(2) (a) Except as provided in subsection (2)(b), a member may annually convert only the sick leave hours in excess of 240 hours and no more than the maximum prescribed by the contracting employer.

(b) When the member's employment is terminated, the member's entire unused sick leave balance must be automatically converted to an employer contribution to the member's account pursuant to this section and may not be paid as a lump sum under 2-18-618(6).

(3) The amount of the employer contribution to a member's account for hours converted under this section must be equal to one-fourth of the pay attributed to the accumulated sick leave. The attributable pay must be computed on the basis of the employee's salary or wage at the time that the sick leave is converted. A member may not later receive as sick leave credit or as a lump-sum payment amounts contributed to the member's account pursuant to this section.

(4) This section does not prohibit an employer from entering into an agreement with a member for employer contributions to a member account in addition to the contributions provided for under this section.

Section 9. Tax exemption. Employer contributions into an account, the accumulation of interest or other earnings in an account, and payments from an account for qualified health care expenses are tax-exempt, as provided in 15-30-111 and under applicable federal laws and regulations to the extent that the plan is qualified under applicable sections of the Internal Revenue Code.

Section 10. Beneficiaries — death benefits. (1) A member may designate as a beneficiary an individual, charitable organization, or trust. The designation must be in a manner prescribed by the department.

(2) Upon proof of a member's death, if the deceased member's account retains funds, the member's designated beneficiary is entitled to use the account for qualified health care expenses or, to the extent allowable under applicable Internal Revenue Code sections, to receive a taxable lump-sum payment of the deceased member's account balance. The department shall prescribe by rule the disposition of a deceased member's account if the member failed to designate a beneficiary or has no surviving designated beneficiary.

Section 11. Section 2-18-618, MCA, is amended to read:

"2-18-618. Sick leave. (1) A permanent full-time employee earns sick leave credits from the first day of employment. For calculating sick leave credits, 2,080 hours (52 weeks x 40 hours) equals 1 year. Sick leave credits must be credited at the end of each pay period. Sick leave credits are earned at the rate of 12 working days for each year of service without restriction as to the number of working days that may be accumulated. Employees are not entitled to be paid sick leave until they have been continuously employed 90 days.

(2) An employee may not accrue sick leave credits while in a leave-without-pay status.

(3) Permanent part-time employees are entitled to prorated leave benefits if they have worked the qualifying period.

(4) Full-time temporary and seasonal employees are entitled to sick leave benefits provided they work the qualifying period.

(5) A short-term worker may not earn sick leave credits.

(6) ~~An~~ *Except as otherwise provided in [section 8], an* employee who terminates employment with the agency is entitled to a lump-sum payment equal to one-fourth of the pay attributed to the accumulated sick leave. The pay attributed to the accumulated sick leave must be computed on the basis of the

employee's salary or wage at the time the employee terminates employment with the state, county, or city. Accrual of sick leave credits for calculating the lump-sum payment provided for in this subsection begins July 1, 1971. The payment is the responsibility of the agency in which the sick leave accrues. However, an employee does not forfeit any sick leave rights or benefits accrued prior to July 1, 1971. However, when an employee transfers between agencies within the same jurisdiction, the employee is not entitled to a lump-sum payment. In a transfer between agencies, the receiving agency shall assume the liability for the accrued sick leave credits earned after July 1, 1971, and transferred with the employee.

(7) An employee who receives a lump-sum payment pursuant to this section *or who, pursuant to [section 8], converts unused sick leave to employer contributions to a health care expense trust account* and who is again employed by any agency may not be credited with sick leave for which the employee has previously been compensated *or for which the employee has received an employer contribution to the health care expense trust account.*

(8) Abuse of sick leave is cause for dismissal and forfeiture of the lump-sum payments provided for in this section.

(9) An employee *of a state agency* may contribute any portion of the employee's accumulated sick leave to a nonrefundable sick leave fund for state employees and becomes eligible to draw upon the fund if an extensive illness or accident exhausts the employee's accumulated sick leave, *irrespective of the employee's membership or nonmembership in the employee welfare benefit plan established pursuant to [section 4].* The department of administration shall, in consultation with the state employee group benefits advisory council, provided for in 2-15-1016, administer the sick leave fund and adopt rules to implement this subsection.

(10) A local government may establish and administer through local rule a sick leave fund into which its employees may contribute a portion of their accumulated sick leave."

Section 12. Section 15-30-111, MCA, is amended to read:

"**15-30-111. Adjusted gross income.** (1) Adjusted gross income is the taxpayer's federal income tax adjusted gross income as defined in section 62 of the Internal Revenue Code of 1954, 26 U.S.C. 62, as that section may be labeled or amended, and in addition includes the following:

(B) in the case of married taxpayers filing jointly, if both taxpayers are receiving pension or annuity income or if only one taxpayer is receiving pension or annuity income, the exclusion claimed as provided in subsection (2)(c)(i) must be reduced by $2 for every $1 of federal adjusted gross income in excess of $30,000 as shown on their joint return;

(k) principal and income in a first-time home buyer savings account established in accordance with 15-63-201 or withdrawn from an account for eligible costs, as provided in 15-63-202(7), for the first-time purchase of a single-family residence;

(n) the recovery during the tax year of any amount deducted in any prior tax year to the extent that the recovered amount did not reduce the taxpayer's Montana income tax in the year deducted;

(o) if the federal taxable distribution of an estate or trust is greater than the state taxable distribution of the same estate or trust, the difference between the federal taxable distribution and the state taxable distribution of the same estate or trust for the same tax period; ~~and~~

(p) income of a dependent child that is included in the taxpayer's federal adjusted gross income pursuant to the Internal Revenue Code. The child is required to file a Montana personal income tax return if the child and taxpayer meet the filing requirements in 15-30-142.

(q) principal and income deposited in a health care expense trust account, as defined in [section 3], or withdrawn from the account for payment of qualified health care expenses as defined in [section 3].

(3) A shareholder of a DISC that is exempt from the corporation license tax under 15-31-102(1)(l) shall include in the shareholder's adjusted gross income the earnings and profits of the DISC in the same manner as provided by section 995 of the Internal Revenue Code, 26 U.S.C. 995, for all periods for which the DISC election is effective.

(4) A taxpayer who, in determining federal adjusted gross income, has reduced the taxpayer's business deductions by an amount for wages and salaries for which a federal tax credit was elected under sections 38 and 51(a) of the Internal Revenue Code of 1954, as those sections may be labeled or amended, is allowed to deduct the amount of the wages and salaries paid regardless of the credit taken. The deduction must be made in the year that the wages and salaries were used to compute the credit. In the case of a partnership or small business corporation, the deduction must be made to determine the amount of income or loss of the partnership or small business corporation.

(5) Married taxpayers filing a joint federal return who are required to include part of their social security benefits or part of their tier 1 railroad retirement

benefits in federal adjusted gross income may split the federal base used in calculation of federal taxable social security benefits or federal taxable tier 1 railroad retirement benefits when they file separate Montana income tax returns. The federal base must be split equally on the Montana return.

(6) A taxpayer receiving retirement disability benefits who has not attained age 65 by the end of the tax year and who has retired as permanently and totally disabled may exclude from adjusted gross income up to $100 a week received as wages or payments in lieu of wages for a period during which the employee is absent from work due to the disability. If the adjusted gross income before this exclusion and before application of the two-earner married couple deduction exceeds $15,000, the excess reduces the exclusion by an equal amount. This limitation affects the amount of exclusion, but not the taxpayer's eligibility for the exclusion. If eligible, married individuals shall apply the exclusion separately, but the limitation for income exceeding $15,000 is determined with respect to the spouses on their combined adjusted gross income. For the purpose of this subsection, "permanently and totally disabled" means unable to engage in any substantial gainful activity by reason of any medically determined physical or mental impairment lasting or expected to last at least 12 months.

(7) Married taxpayers who file a joint federal return and who make an election on the federal return to defer income ratably for 4 tax years because of a conversion from an IRA other than a Roth IRA to a Roth IRA, pursuant to section 408A(d)(3) of the Internal Revenue Code, 26 U.S.C. 408A(d)(3), may file separate Montana income tax returns to defer the full taxable conversion amount from Montana adjusted gross income for the same time period. The deferred amount must be attributed to the taxpayer making the conversion. (Subsection (2)(f) terminates on occurrence of contingency—sec. 3, Ch. 634, L. 1983.)"

Section 13. Department to seek commissioner's determination — certification to secretary of state. The department of administration shall, as soon as practicable, request in writing a determination from the commissioner of internal revenue as to whether the employee welfare benefit plan created under [sections 1 through 10] is a qualified plan pursuant to section 501(c)(9) of the Internal Revenue Code. If the commissioner determines that the plan is qualified for a tax exemption, the department shall immediately certify that fact to the secretary of state and shall notify the code commissioner of the certification.

Section 14. Loan from board of investments. To pay the startup costs of the plan established under the Voluntary Employees' Beneficiary Association Act, the department of administration is authorized to receive a loan from the intercap revolving loan program adopted by the board of investments pursuant to 17-5-1605.

Section 15. Implementation. In implementing and administering the provisions of [sections 1 through 10]:

(1) the department shall provide for the conversion of unused sick leave accrued in excess of the minimum established in [section 8]; or

(2) if conversion of sick leave in accordance with subsection (1) conflicts with applicable federal law, then the department shall provide for contributions to the health care expense accounts in lieu of sick leave accrual in excess of the minimum established in [section 8].

Section 16. Codification instruction. [Sections 1 through 10] are intended to be codified as an integral part of Title 2, chapter 18, and the provisions of Title 2, chapter 18, apply to [sections 1 through 10].

Section 17. Saving clause. [This act] does not affect rights and duties that matured, penalties that were incurred, or proceedings that were begun before [the effective date of this act].

Section 18. Two-thirds vote required. Because [section 14] authorizes the creation of a state debt, Article VIII, section 8, of the Montana constitution requires a vote of two-thirds of the members of each house of the legislature for passage.

Section 19. Effective dates. (1) Except as provided in subsection (2), [this act] is effective on passage and approval.

(2) [Sections 7 through 12] are effective on the date that the secretary of state receives certification from the department of administration pursuant to [section 13] that the commissioner of internal revenue has determined that the plan established pursuant to [sections 1 through 10] is qualified for a tax exemption pursuant to section 501(c)(9) of the Internal Revenue Code.

Section 1. Compact for Education approved. The Compact for Education established by the education commission of the states is enacted into law and entered into with all other jurisdictions legally joining in the compact, in the form substantially as follows:

THE COMPACT FOR EDUCATION

ARTICLE I

PURPOSE AND POLICY

(1) It is the purpose of this compact to:

(a) establish and maintain close cooperation and understanding among executive, legislative, professional educational, and lay leadership on a nationwide basis at the state and local levels;

(b) provide a forum for the discussion, development, crystallization, and recommendation of public policy alternatives in the field of education;

(c) provide a clearinghouse of information on matters relating to education problems and how they are being met in different places throughout the nation; and

(d) facilitate the improvement of state and local education systems.

(2) It is the policy of this compact to encourage and promote local and state initiative in the development, maintenance, improvement, and administration of education systems and institutions.

(3) The states that have entered into this compact recognize that each of them has an interest in the quality and quantity of education furnished in each of the other states, as well as in the excellence of its own education systems and institutions.

ARTICLE II

STATE DEFINED

As used in this compact, "state" means a state, territory, or possession of the United States, the District of Columbia, or the Commonwealth of Puerto Rico.

ARTICLE III

THE COMMISSION

(1) The education commission of the states (commission) is hereby established. The commission consists of seven members representing each state that has entered into the compact. One of the state members must be the governor, two must be members of the legislature selected by its respective houses and serving in a manner as the legislature may determine, one must be the state superintendent of public instruction, and three must be appointed by and serve at the pleasure of the governor. The guiding principle for the composition of the membership on the commission from each party state must be that the members representing the state shall, by virtue of their training, experience, knowledge, or affiliations, reflect broadly the interests of the state government, higher education, the state education system, local education, and public and nonpublic educational leadership. In addition to the members of the commission representing the party states, there may be no more than 10 nonvoting commissioners selected by the steering committee for terms of 1 year. The commissioners shall represent leading national organizations of professional educators or persons concerned with educational administration.

(2) The members of the commission are entitled to one vote each on the commission. Any action of the commission is not binding unless taken at a meeting at which a majority of the total number of votes on the commission are cast in favor of the action. Any action of the commission must be taken only at a meeting at which a majority of the commissioners are present. The commission shall meet at least once a year. In its bylaws, and subject to any directions and limitations as may be contained in the bylaws, the commission may delegate the exercise of any of its powers to the steering committee or the executive director, except for the power to approve budgets or requests for appropriations, the power to make policy recommendations pursuant to Article IV, and adoption of the annual report pursuant to Article III(10).

(3) The commission must have a seal.

(4) The commission shall elect annually, from among its members, a presiding officer, who must be a governor; a vice presiding officer; and a treasurer. The commission shall appoint an executive director. The executive director shall serve at the pleasure of the commission and, together with the

treasurer and other personnel as the commission may consider appropriate, must be bonded in an amount determined by the commission. The executive director shall serve as secretary.

(5) The executive director, subject to the approval of the steering committee, shall appoint, remove, or discharge any personnel as may be necessary for the performance of the functions of the commission. The executive director shall fix the duties and compensation of the personnel. The commission in its bylaws shall provide for the personnel policies and programs of the commission.

(6) The commission may borrow, accept, or contract for the services of personnel.

(7) The commission may accept for any of its purposes and functions under this compact any donations and grants of money, equipment, supplies, materials, and services, conditional or otherwise, from any state, the United States, or any other governmental agency, or from any person, firm, association, foundation, or corporation and may receive, utilize, and dispose of any gifts and grants. Any donation or grant accepted by the commission pursuant to this section or services borrowed pursuant to section (6) of this article must be reported in the annual report of the commission. The report must include the nature, amount, and conditions, if any, of the donation, grant, or services borrowed and the identity of the donor or lender.

(8) The commission may establish and maintain any facilities as may be necessary for the transacting of its business. The commission may acquire, hold, and convey real and personal property and any interest in property.

(9) The commission shall adopt bylaws for the conduct of its business and may amend and rescind these bylaws. The commission shall publish its bylaws in convenient form and shall file a copy of its bylaws and any amendments with the appropriate agency or officer in each state that has entered into this compact.

(10) The commission annually shall make and provide to the governor and legislature of each state that has entered into the compact a report covering the activities of the commission for the preceding year. The commission may make any additional reports as it considers desirable.

ARTICLE IV

POWERS

In addition to any authority conferred on the commission by other provisions of the compact, the commission may:

(1) collect, correlate, analyze, and interpret information and data concerning educational needs and resources;

(2) encourage and foster research in all aspects of education, but with special reference to the desirable scope of instruction, organization, administration, and instructional methods and standards employed or suitable for employment in public education systems;

(3) develop proposals for adequate financing of education as a whole and at each of its many levels;

(4) conduct or participate in research in any instance where it finds that the research is necessary for the advancement of the purposes and policies of this compact, utilizing fully the resources of national associations, regional

organizations for higher education, and other agencies and institutions, both public and private;

(5) formulate suggested policies and plans for the improvement of public education as a whole, or for any segment of public education, and make recommendations with respect to public education available to the appropriate governmental units, agencies, and public officers; and

(6) do other things as may be necessary or incidental to the administration of any of its authority or functions pursuant to the compact.

ARTICLE V

COOPERATION WITH FEDERAL GOVERNMENT

(1) If the laws of the United States specifically provide, or if administrative provision is made within the federal government, the United States may be represented on the commission by not more than 10 representatives. A representative of the United States must be appointed and serve in the manner as may be provided by federal law and may be drawn from any one or more branches of the federal government. A representative of the United States may not have a vote on the commission.

(2) The commission may provide information and make recommendations to any executive or legislative agency or officer of the federal government concerning the common educational policies of the states and may confer with any federal agencies or officers concerning any matter of mutual interest.

ARTICLE VI

COMMITTEES

(1) To assist in the conduct of its business when the full commission is not meeting, the commission shall elect a steering committee that, subject to the provisions of this compact and consistent with the policies of the commission, is constituted and functions as provided in the bylaws of the commission. One-fourth of the voting membership of the steering committee must consist of governors, one-fourth must consist of legislators, and the remainder must consist of other members of the commission. A federal representative on the commission may serve with the steering committee, but may not vote. The voting members of the steering committee shall serve a term of 2 years. The presiding officer, vice presiding officer, and treasurer of the commission must be members of the steering committee and, notwithstanding anything in this section to the contrary, shall serve during their continuance in these offices. Vacancies on the steering committee do not affect its authority to act, but the commission at its next regular meeting following the occurrence of any vacancy shall fill it for the unexpired term. A person may not serve more than two terms as a member of the steering committee, provided that service for a partial term of 1 year or less may not be counted toward the limitation.

(2) The commission may establish advisory and technical committees composed of state, local, or federal officers and private persons to advise it with respect to any one or more of its functions. An advisory or technical committee may, on request of the states concerned, be established to consider any matter of special concern to two or more of the states that have entered into this compact.

(3) The commission may establish any additional committees as its bylaws may provide.

ARTICLE VII

FINANCE

(1) The commission shall advise the governor or designated officer of each state that has entered into this compact of its budget and estimated expenditures for any period as may be required by the laws of that state. Each of the commission's budgets of estimated expenditures must contain specific recommendations of the amount to be appropriated by each of the states.

(2) The total amount of appropriation requests under any budget must be apportioned among the states. In making the apportionment, the commission shall devise and employ a formula that takes equitable account of the population and per capita levels of income of the states.

(3) The commission may not pledge the credit of any state. The commission may meet any of its obligations in whole or in part with money available to it pursuant to Article III of this compact, provided that the commission takes specific action setting aside the money before incurring an obligation to be met in whole or in part in that manner. Except when the commission makes use of money available to it pursuant to Article III, the commission may not incur any obligation before receiving an allotment of money from the states that is adequate to meet the obligation.

(4) The commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the commission are subject to the procedures for audit and accounting established by its bylaws. However, all receipts and disbursements of money handled by the commission must be audited yearly by a qualified public accountant. The report of the audit must be included in and become part of the annual report of the commission.

(5) The accounts of the commission must be open at any reasonable time for inspection by officers of the states that have entered into this compact and by any other persons authorized by the commission.

(6) The provisions in this compact may not prohibit compliance with laws relating to audit or inspection of accounts by or on behalf of any government contributing to the support of the commission.

ARTICLE VIII

ELIGIBLE PARTIES—ENTRY INTO AND WITHDRAWAL

(1) This compact has as eligible parties all states, territories, and possessions of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. With respect to any jurisdiction not having a governor, the term "governor", as used in this compact, means the closest equivalent officer of the jurisdiction.

(2) Any state or other eligible jurisdiction may enter into this compact and it becomes binding when it is adopted by that state or jurisdiction, except that in order to enter into initial effect, adoption by at least 10 eligible jurisdictions is required.

(3) Any state may withdraw from this compact by enacting a statute repealing the compact, but withdrawal may not take effect until 1 year after the governor of the withdrawing state has given notice in writing of the withdrawal to the governors of all other states that have entered into this compact. Withdrawal does not affect any liability already incurred by or chargeable to a state before its withdrawal.

ARTICLE IX

AMENDMENTS TO THE COMPACT

This compact may be amended by a vote of two-thirds of the members of the commission present and voting when ratified by the legislatures of two-thirds of the states that have entered into this compact.

ARTICLE X

This compact must be liberally construed so as to accomplish its purposes. The provisions of this compact are severable, and if any phrase, clause, sentence, or provision of this compact is declared to be unconstitutional, or the application of the compact to any government, agency, person, or circumstance is held invalid, the validity of the remainder of this compact may not be affected. If this compact is held to be contrary to the constitution of any state participating in the compact, the compact remains in effect as to the state affected as to all severable matters.

(2) Except as provided in [section 6], the reporting requirements of 41-3-201 do not apply regarding a newborn who is surrendered to an emergency services provider as provided in [section 5].

(3) A hospital and the agents and employees of the hospital are immune in a civil action for damages for an act or omission in accepting or transferring a newborn under [sections 1 through 14], except for an act or omission constituting gross negligence or willful or wanton misconduct.

Section 4. Immunity for fire department and law enforcement agency. A fire department or law enforcement agency and the agents and employees of a fire department or law enforcement agency are immune in a civil action for damages for an act or omission in accepting or transferring a newborn under [sections 1 through 14], except for an act or omission constituting gross negligence or willful or wanton misconduct.

Section 5. Surrender of newborn to emergency services provider — temporary protective custody. (1) If a parent surrenders an infant who may be a newborn to an emergency services provider, the emergency services provider shall comply with the requirements of this section under the assumption that the infant is a newborn. The emergency services provider shall, without a court order, immediately accept the newborn, taking the newborn into temporary protective custody, and shall take action necessary to protect the physical health and safety of the newborn.

(2) The emergency services provider shall make a reasonable effort to do all of the following:

(a) if possible, inform the parent that by surrendering the newborn, the parent is releasing the newborn to the department to be placed for adoption according to law;

(b) if possible, inform the parent that the parent has 60 days to petition the court to regain custody of the newborn;

(c) if possible, ascertain whether the newborn has a tribal affiliation, and if so, ascertain relevant information pertaining to any Indian heritage of the newborn;

(d) provide the parent with written material approved by or produced by the department, which includes but is not limited to all of the following statements:

(i) by surrendering the newborn, the parent is releasing the newborn to the department to be placed for adoption and the department shall initiate court proceedings according to law to place the newborn for adoption, including proceedings to terminate parental rights;

(ii) the parent has 60 days after surrendering the newborn to petition the court to regain custody of the newborn;

(iii) the parent may not receive personal notice of the court proceedings begun by the department;

(iv) information that the parent provides to an emergency services provider will not be made public;

(v) a parent may contact the safe delivery line established under [section 12] for more information and counseling; and

(vi) any Indian heritage of the newborn brings the newborn within the jurisdiction of the Indian Child Welfare Act, 25 U.S.C. 1901, et seq.

(3) After providing a parent with the information described in subsection (1), if possible, an emergency services provider shall make a reasonable effort to:

(a) encourage the parent to provide any relevant family or medical information, including information regarding any tribal affiliation;

(b) provide the parent with the pamphlet produced under [section 12] and inform the parent that the parent may receive counseling or medical attention;

(c) inform the parent that information that the parent provides will not be made public;

(d) ask the parent for the parent's name;

(e) inform the parent that in order to place the newborn for adoption, the state is required to make a reasonable attempt to identify the other parent and to obtain relevant medical family history and then ask the parent to identify the other parent;

(f) inform the parent that the department can provide confidential services to the parent; and

(g) inform the parent that the parent may sign a relinquishment for the newborn to be used at a hearing to terminate parental rights.

Section 6. Medical care — report of abuse or neglect — report to department. (1) An emergency services provider that is not a hospital and that takes a newborn into temporary protective custody under [section 5] shall transfer the newborn to a hospital. The hospital shall accept a newborn transferred to the hospital by an emergency services provider in compliance with [sections 1 through 14] and shall take the newborn into temporary protective custody.

(2) A hospital that takes a newborn into temporary protective custody under [sections 1 through 14] shall have the newborn examined by a physician. If a physician who examines the newborn either determines that there is reason to suspect the newborn has experienced abuse or neglect, other than being surrendered to an emergency services provider under [section 5], or comes to a reasonable belief that the infant is not a newborn, the physician shall immediately report to the department as required under 41-3-201. If the actual date of birth of the infant is not known, the physician shall determine a birth date based on the physician's examination of the infant.

(3) If a physician is not required to report to the department under subsection (2), the hospital shall, no later than the first business day after taking possession of the newborn, notify the department that the hospital has taken a newborn into temporary protective custody under [sections 1 through 14].

Section 7. Assumption of care, custody, and control by department — placement of child — presumptions — Montana birth certificate. (1) Upon receipt of notice under [section 6], the department shall:

(a) immediately assume the care, control, and temporary protective custody of the newborn;

(b) if a parent is known and willing, immediately meet with the parent;

(c) make a temporary placement of the newborn;

(d) immediately request assistance from law enforcement officials to investigate and determine, through the national center for missing and exploited children and any other national and state missing children information programs, whether the newborn is a missing child;

(e) not later than 48 hours after assuming the care, control, and temporary protective custody of the newborn, file a petition with the court under the provisions of Title 41, chapter 3, part 4, requesting appropriate relief with the goal of achieving permanent placement for the newborn at the earliest possible date; and

(f) within 30 days, make reasonable efforts to identify and locate a parent who did not surrender the newborn. If the identity and address of that parent are unknown, the department shall provide notice by publication in a newspaper of general circulation in the county where the newborn was surrendered.

(2) The department, after assuming the care, custody, and control of a newborn under subsection (1), is not required to attempt to reunify the newborn with the newborn's parents. The department is not required to search for relatives of the newborn as a placement or permanency option or to implement other placement requirements that give preference to relatives if the department does not have information as to the identity of the newborn or either of the newborn's parents. The department shall place the newborn with prospective adoptive parents as soon as possible. The adoptive parents must be allowed access to information regarding the newborn's medical history, date of birth, or age if the department has that information.

(3) A newborn surrendered under [section 5] is presumed to have been born in Montana unless the biological parent otherwise informs the department or the emergency services provider to whom the newborn is surrendered.

(4) A Montana birth certificate may be issued based on the presumption of birth in Montana as provided in subsection (3). A birth certificate issued to a newborn surrendered under [section 5] must provide a date of birth based on either the actual date of birth, if known, or on the date of birth determined by the physician who performs the medical examination of the newborn under [section 6].

Section 8. Rights of parents — custody action. (1) Any person alleging to be the biological parent of a newborn who was surrendered to an emergency services provider under [section 5] may, within 60 days of the date of surrender of the newborn, file an action with the court for custody pursuant to 40-4-211.

(2) Before making a custody decision, the court shall determine whether the individual filing the custody action is the newborn's biological parent under the provisions of part 1 of this chapter. A determination of the existence or nonexistence of the child-parent relationship is determinative as provided in 40-6-116.

(3) The putative father registry provisions under Title 42, chapter 2, part 2, apply to any court proceeding under [sections 1 through 14].

Section 9. Custody action — newborn's best interest. In a custody action under [section 8], the court shall determine custody of the newborn based on the newborn's best interest as provided in 40-4-212. The court shall determine the newborn's best interest with the goal of achieving permanent placement for the newborn at the earliest possible date.

Section 10. Custody action — order. Based on the court's finding of the newborn's best interest under [section 9], the court may issue an order:

(1) granting legal or physical custody, or both, of the newborn to the parent and either retaining or relinquishing jurisdiction; or

(2) denying custody of the newborn to the parent and referring the matter to the department or county attorney for proceedings under Title 41, chapter 3.

Section 11. Presumption of waiver of parental rights — department to file petition. (1) A parent who surrenders a newborn under [section 5] and who does not file a custody action under [section 8] is presumed to have knowingly waived the parent's parental rights to the newborn.

(2) If a custody action is not filed under [section 8] or if the parent is denied custody of the newborn under [section 10], the department shall file a petition under Title 41, chapter 3, part 4, requesting appropriate relief with the goal of achieving permanent placement for the newborn at the earliest possible date.

Section 12. Surrendered newborns — safe delivery program. The department shall establish a safe delivery program. The safe delivery program:

(1) must include but is not limited to a toll-free, 24-hour telephone line, which must be a component of the department's existing child abuse toll-free telephone line. The information provided with this telephone line must include but is not limited to the following:

(a) information on prenatal care and the delivery of a newborn;

(b) names of health agencies that can assist in obtaining services and support that provide for the pregnancy-related health of the mother and the health of the newborn;

(c) information on adoption options and the name and telephone number of a child-placing agency that can assist a parent or expecting parent in obtaining adoption services;

(d) information that, in order to safely provide for the health of the mother and the newborn, the best place for the delivery of an infant is in a hospital;

(e) an explanation that, to the extent of the law, prenatal care and delivery services are routinely confidential within the health care system if requested by the mother;

(f) information that a hospital will take into protective custody a newborn that is surrendered as provided for in [sections 1 through 14] and, if needed, provide emergency medical assistance to the mother, the newborn, or both;

(g) information regarding legal and procedural requirements related to the voluntary surrender of a newborn as provided for in [sections 1 through 14];

(h) information regarding the Indian Child Welfare Act, 25 U.S.C. 1901, et seq., if the newborn has any Indian heritage;

(i) information regarding the legal consequences for endangering a child, including child protective services investigations and potential criminal penalties;

(j) information that surrendering a newborn for adoption as provided in [sections 1 through 14] is an affirmative defense to charges of abandonment; and

(k) information about resources for counseling and assistance with crisis management; and

(2) must include but is not limited to a pamphlet that provides information to the public concerning the safe delivery program. The department shall publish and distribute the pamphlet. The pamphlet must be distributed and the safe delivery program publicized in a manner designed to reach females of childbearing age, including delivery of the pamphlet to high schools for use in health courses. The pamphlet must prominently display the toll-free telephone number provided for in subsection (1), if available, and must include the information prescribed in subsections (1)(a) through (1)(k).

Section 13. Reimbursement of medical expenses. The department shall reimburse a hospital for the actual expenses incurred by the hospital in accepting and caring for a newborn who is surrendered under [section 5].

Section 14. Immunity from criminal prosecution. (1) Except when there is intentional infliction of injury to the abandoned infant, a criminal prosecution may not be initiated involving the abandonment of an infant that was not more than 30 days old and was surrendered to an emergency services provider under [section 5].

(2) A criminal investigation may not be initiated solely on the basis of a newborn being surrendered to an emergency services provider under [sections 1 through 14] in the absence of reasonable suspicion of actual abuse or neglect.

Section 15. Section 40-4-211, MCA, is amended to read:

"40-4-211. Jurisdiction — commencement of parenting proceedings. (1) A court of this state competent to decide parenting matters has jurisdiction to make a parenting determination by initial or amended decree if:

(a) this state:

(i) is the home state of the child at the time of commencement of the proceedings; or

(ii) had been the child's home state within 6 months before commencement of the proceedings and the child is absent from this state because of the child's removal or retention by any person and a parent or person acting as parent continues to live in this state; or

(b) it is in the best interest of the child that a court of this state assume jurisdiction because:

(i) the child and the parents or the child and at least one contestant have a significant connection with this state; and

(ii) there is available in this state substantial evidence concerning the child's present or future care, protection, training, and personal relationships; or

(c) the child is physically present in this state and:

(i) has been abandoned, *including being surrendered to an emergency services provider as provided in [section 5]*; or

(ii) it is necessary in an emergency to protect the child because the child has been subjected to or threatened with mistreatment or abuse or is neglected or dependent; or

(d) (i) no other state has jurisdiction under prerequisites substantially in accordance with subsection (1)(a), (1)(b), or (1)(c) or another state has declined to exercise jurisdiction on the ground that this state is the more appropriate forum to determine parenting of the child; and

(ii) it is in the child's best interest that the court assume jurisdiction.

(2) Except under subsections (1)(c) and (1)(d), physical presence in this state of the child or of the child and one of the contestants is not alone sufficient to confer jurisdiction on a court of this state to make a parenting determination.

(3) Physical presence of the child, while desirable, is not a prerequisite for jurisdiction to determine parenting of the child.

(4) A parenting plan proceeding is commenced in the district court:

(a) by a parent, by filing a petition:

(i) for dissolution or legal separation; ~~or~~

(ii) for parenting in the county in which the child is permanently resident or found; or

(iii) for custody under [section 8]; or

(b) by a person other than a parent if the person has established a child-parent relationship with the child, by filing a petition for parenting in the county in which the child resides or is found.

(5) Notice of a parenting proceeding must be given to the child's parent, guardian, caretaker, those persons with whom the child is physically residing, and all other contestants, who may appear, be heard, and file a responsive pleading. The court, upon a showing of good cause, may permit intervention of other interested parties.

(6) For purposes of subsection (4)(b), "child-parent relationship" means a relationship that exists or did exist, in whole or in part, preceding the filing of an action under this section, in which a person provides or provided for the physical needs of a child by supplying food, shelter, and clothing and provides or provided the child with necessary care, education, and discipline and which relationship continues or existed on a day-to-day basis through interaction, companionship, interplay, and mutuality that fulfill the child's psychological needs for a parent as well as the child's physical needs.

(7) A custody proceeding under [section 8] is commenced in the district court by a parent by filing in one of the following counties:

(a) the county where the newborn is located if the parent knows where the newborn is;

(b) the county where the emergency services provider to whom the newborn was surrendered is located if subsection (7)(a) does not apply; or

(c) the county where the biological parent is located if neither subsection (7)(a) or (7)(b) applies."

For purposes of this subsection (22), "infant" means an infant less than 1 year of age or an infant 1 year of age or older who has been continuously hospitalized since birth, who was born extremely prematurely, or who has a long-term disability. As soon as the county proposed budget ~~provided for in 7-6-2315~~ has been agreed upon, a copy must be mailed to the department, and at any time before the final adoption of the budget, the department shall make recommendations with regard to changes in any part of the budget relating to the county poor fund as considered necessary in order to enable the county to discharge its obligations under the public assistance laws.

(5) The department shall promptly examine the county proposed budget in order to ascertain if the amounts provided for reimbursements to the department are likely to be sufficient and shall notify the county clerk of its findings. The

board shall make changes in the amounts provided for reimbursements, if any are required, in order that the county will be able to make the reimbursements in full.

(6) The board of county commissioners may not make any transfer from the amounts budgeted for reimbursing the department without having first obtained a statement in writing from the department to the effect that the amount to be transferred will not be required during the fiscal year for the purposes for which the amounts were provided in the budget.

(7) The county poor fund, irrespective of the source of any part of the fund, may not be used directly or indirectly for the erection or improvement of any county building as long as the fund is needed for paying the county's proportionate share of public assistance and protective services, as described in 52-1-110, or its proportionate share of any other public assistance activity that may be carried on jointly by the state and the county. Expenditures for improvement of any county buildings used directly for care of the poor, except a county hospital or county nursing home, may be made out of money in the county poor fund, whether the money was produced by the mill levy provided for in subsection (1) or from any additional levy authorized by law. The expenditure may be authorized only when any county building used for the care of the poor must be improved in order to meet legal standards required for the building by the department and when the expenditure has been approved by the department.

~~(3)~~*(2)* It is intended that the mandatory reporting of abuse or endangerment cases by professional people and other community members to the appropriate authority will cause the protective services of the state to seek to prevent further abuses, protect and enhance the welfare of these children, and preserve family life whenever appropriate.

~~(4)~~*(3)* In implementing the policy of this section, whenever it is necessary to remove a child from the child's home, the department shall, when it is in the best interests of the child and when the home is approved by the department, place the child with the child's extended family, including adult siblings, grandparents, great-grandparents, aunts, and uncles, prior to placing the child in an alternative protective or residential facility. Prior to approving a home, the department shall investigate whether anyone living in the home has been convicted of a crime involving serious harm to children.

(4) In implementing the policy of this section, the child's health and safety are of paramount concern."

Section 4. Section 41-3-401, MCA, is amended to read:

"41-3-401. Abuse and neglect petitions — *burden of proof.* *(1) (a) Proceedings under this chapter must be initiated by the filing of a petition. A petition may request the following relief:*

(b) The petition may be modified for different relief at any time within the discretion of the court.

(c) A petition for temporary legal custody may be the initial petition filed in a case.

(d) A petition for the termination of the parent-child legal relationship may be the initial petition filed in a case if a request for a determination that preservation or reunification services need not be provided is made in the petition.

~~(1)~~*(2)* The county attorney, attorney general, or an attorney hired by the county ~~is responsible for filing~~ *shall file* all petitions under this chapter. ~~The~~ *A* petition *filed by the county attorney, attorney general, or an attorney hired by the county* must be accompanied by an affidavit by the department alleging that the child appears to have been abused, neglected, or abandoned and stating the basis for the ~~allegation~~ *petition*.

~~(2)~~*(3)* ~~Upon receipt of a petition, except a petition for temporary investigative authority, the court shall set a date for an adjudicatory hearing on the petition. The~~ *Abuse and neglect* petitions must be given *highest* preference by the court in setting hearing dates.

~~(3)~~*(4)* ~~A~~ *An abuse and neglect* petition ~~alleging abuse or neglect~~ is a civil action brought in the name of the state of Montana. The Montana Rules of Civil Procedure apply except as modified in this part. Proceedings under a petition are not a bar to criminal prosecution.

(5) (a) Except as provided in subsection (5)(b), the person filing the abuse and neglect petition has the burden of presenting evidence required to justify the relief requested and establishing:

(i) probable cause for the issuance of an order for immediate protection and emergency protective services or an order for temporary investigative authority;

(ii) preponderance of the evidence for an order of adjudication or temporary legal custody; or

(iii) clear and convincing evidence for an order terminating the parent-child legal relationship.

~~(7)~~*(9)* Any person interested in any cause under this chapter has the right to appear. Any foster parent, preadoptive parent, or relative caring for the child must be given legal notice by the attorney filing the petition of all judicial hearings for the child and must be given an opportunity to be heard. The right to appear or to be heard does not make that person a party to the action. Any foster parent, preadoptive parent, or relative caring for the child must be given notice of all reviews by the reviewing body.

~~(8)~~*(10)* Except when the proceeding is instituted or commenced at the request of the department, a citation must be issued and served upon a representative of the department before the court hearing.

~~(9)~~*(11)* ~~The~~ *An abuse and neglect* petition must:

(c) state the names, addresses, and relationship to the ~~youth~~ *child* of all persons who are necessary parties to the action.

~~(10) The petition may ask for the following relief:~~

~~(a) temporary investigative authority and protective services, as provided in 41-3-402;~~

~~(b) temporary legal custody, as provided in 41-3-406;~~

~~(c) appointment of a guardian pursuant to 41-3-421;~~

~~(d) termination of the parent-child legal relationship and either:~~

~~(i) permanent legal custody with the right to consent to adoption, as provided in 41-3-607; or~~

~~(ii) appointment of a guardian; or~~

~~(e) any combination of the provisions of subsections (10)(a) through (10)(d) or any other relief that may be required for the best interests of the child.~~

~~(11) A request for a determination that reunification services need not be provided pursuant to 41-3-403 may be made in conjunction with the filing of a petition requesting relief, as provided for in subsection (10) of this section.~~

~~(12) The petition may be modified for different relief at any time within the discretion of the court.~~

~~(13)~~*(12)* The court may at any time on its own motion or the motion of any party appoint counsel for any indigent party. *If an indigent parent is not already* *represented by counsel, counsel must be appointed for an indigent parent at the time that a request is made for a determination that preservation or reunification services need not be provided.*

(13) At any stage of the proceedings considered appropriate by the court, the court may order an alternative dispute resolution proceeding or the parties may voluntarily participate in an alternative dispute resolution proceeding. An alternative dispute resolution proceeding under this chapter may include a family group conference, mediation, or a settlement conference. If a court orders an alternative dispute resolution proceeding, a party who does not wish to participate may file a motion objecting to the order. If the department is a party to the original proceeding, a representative of the department who has complete authority to settle the issue or issues in the original proceeding must be present at any alternative dispute resolution proceeding.

(14) Service of a petition under this section must be accompanied by a written notice advising the child's parent, guardian, or other person having physical or legal custody of the child of the:

(a) right to request the appointment of counsel if the person is indigent or if appointment of counsel is required under the federal Indian Child Welfare Act, if applicable;

(b) right to contest the allegations in the petition; and

(c) timelines for hearings and determinations required under this chapter.

(15) Orders issued under this chapter must contain a notice provision advising a child's parent, guardian, or other person having physical or legal custody of the child that:

(a) the court is required by federal and state laws to hold a permanency hearing to determine the permanent placement of a child no later than 12 months after a judge determines that the child has been abused or neglected or 12 months after the first 60 days that the child has been removed from the child's home;

(b) if a child is in foster care for 15 of the last 22 months, state law presumes that termination of parental rights is in the best interests of the child and the state is required to file a petition to terminate parental rights; and

(c) completion of a treatment plan does not guarantee the return of a child.

(16) A court may appoint a standing master to conduct hearings and propose decisions and orders to the court for court consideration and action. A standing master may not conduct a proceeding to terminate parental rights. A standing master must be a member of the state bar of Montana and must be knowledgeable in the area of child abuse and neglect laws."

Section 5. Section 41-3-402, MCA, is amended to read:

"**41-3-402. Petition for ~~temporary investigative authority~~ *immediate protection* and *emergency* protective services — *order — service.*** (1) *(a)* In a case in which it appears that a ~~youth~~ *child* is abused or neglected or is in danger of being abused or neglected, the county attorney, the attorney general, or an attorney hired by the county may file a petition for ~~temporary investigative authority~~ *immediate protection* and *emergency* protective services. *In implementing the policy of this section, the child's health and safety are of paramount concern.*

~~(2)~~*(b)* A petition for ~~temporary investigative authority~~ *immediate protection* and *emergency* protective services must state the specific authority requested and the facts establishing probable cause that a ~~youth~~ *child* is abused or neglected or is in danger of being abused or neglected.

~~(3)~~*(c)* The petition for ~~temporary investigative authority~~ *immediate protection* and *emergency* protective services must be supported by an affidavit signed by the county attorney, the attorney general, or an attorney hired by the county or must be supported by a department report stating in detail the facts upon which the request is based. The petition, affidavit, or report of the department must contain information regarding statements, if any, made by the parents detailing the parents' statement of the facts of the case. ~~Except as provided in 41-3-403, the~~ *The* parents, *if available in person or by electronic means,* must be given an opportunity to ~~address~~ *present evidence to* the court before the court rules on the petition.

(2) The person filing the petition for immediate protection and emergency protective services has the burden of presenting evidence establishing probable cause for the issuance of an order for immediate protection of the child, except as provided by the federal Indian Child Welfare Act, if applicable. The court shall consider the parents' statements, if any, included with the petition and any accompanying affidavit or report to the court. If the court finds probable cause, the court may issue an order granting the following forms of relief, which do not constitute a court-ordered treatment plan under 41-3-420:

(a) the right of entry by a peace officer or department worker;

(b) the right to place the child in temporary medical or out-of-home care, including but not limited to care provided by a noncustodial parent, kinship or foster family, group home, or institution;

(e) a requirement that the parent provide the department with the name and address of the other parent, if known, unless parental rights to the child have been terminated;

(f) a requirement that the parent provide the department with the names and addresses of extended family members who may be considered as placement options for the child who is the subject of the proceeding; and

(g) any other temporary disposition that may be required in the best interests of the child that does not require an expenditure of money by the department unless the department is notified and a court hearing is set in a timely manner on the proposed expenditure. The department is the payor of last resort after all family, insurance, and other resources have been examined.

(3) An order for removal of a child from the home must include a finding that continued residence of the child with the parent is contrary to the welfare of the child or that an out-of-home placement is in the best interests of the child.

(4) The order for immediate protection of the child must require the person served to comply immediately with the terms of the order and to appear before the

court issuing the order on the date specified for a show cause hearing. Upon a failure to comply or show cause, the court may hold the person in contempt or place temporary physical custody of the child with the department until further order.

(5) The petition must be served as provided in 41-3-401."

Section 6. Show cause hearing — order. (1) (a) A show cause hearing must be conducted within 10 days, excluding weekends and holidays, of the filing of an initial child abuse and neglect petition unless otherwise stipulated by the parties pursuant to [section 14] or unless an extension of time is granted by the court.

(b) The court may grant an extension of time for a show cause hearing only upon a showing of substantial injustice and shall order an appropriate remedy that considers the best interests of the child.

(2) The person filing the petition has the burden of presenting evidence establishing probable cause for the issuance of an order for temporary investigative authority after the show cause hearing, except as provided by the federal Indian Child Welfare Act, if applicable.

(3) At the show cause hearing, the court may consider all evidence and shall provide an opportunity for a parent, guardian, or other person having physical or legal custody of the child to provide testimony. Hearsay evidence of statements made by the affected child is admissible at the hearing. The parent, guardian, or other person may be represented by legal counsel. The court may permit testimony by telephone, audiovisual means, or other electronic means.

(4) At the show cause hearing, the court shall explain the procedures to be followed in the case and explain the parties' rights, including the right to request appointment of counsel if indigent or if appointment of counsel is required under the federal Indian Child Welfare Act, if applicable, and the right to challenge the allegations contained in the petition. The parent, guardian, or other person having physical or legal custody of the child must be given the opportunity to admit or deny the allegations contained in the petition at the show cause hearing. Inquiry must be made to determine whether the notice requirements of the federal Indian Child Welfare Act, if applicable, have been met.

(5) The court shall make written findings on issues including but not limited to the following:

(a) whether the child should be returned home immediately if there has been an emergency removal or remain in temporary out-of-home care or be removed from the home;

(b) if removal is ordered or continuation of removal is ordered, why continuation of the child in the home would be contrary to the child's best interests and welfare;

(c) whether the department has made reasonable efforts to avoid protective placement of the child or to make it possible to safely return the child to the child's home;

(d) financial support of the child, including inquiry into the financial ability of the parents, guardian, or other person having physical or legal custody of the child to contribute to the costs for the care, custody, and treatment of the child and requirements of a contribution for those costs pursuant to 41-3-411; and

(e) whether another hearing is needed and, if so, the date and time of the next hearing.

(6) The court may consider:

(a) terms and conditions for parental visitation; and

(b) whether orders for examinations, evaluations, counseling, immediate services, or protection are needed.

(7) Following the show cause hearing, the court may enter an order for the relief requested or amend a previous order for immediate protection of the child if one has been entered. The order must be in writing.

(8) If a child who has been removed from the child's home is not returned home after the show cause hearing or if removal is ordered, the parents or parent, guardian, or other person or agency having physical or legal custody of the child named in the petition may request that a local citizen review board, if available pursuant to part 10 of this chapter, review the case within 30 days of the show cause hearing and make a recommendation to the district court, as provided in 41-3-1010.

(9) Adjudication of a child as a youth in need of care may be made at the show cause hearing if the requirements of 41-3-404(2) are met. If not made at the show cause hearing, adjudication under 41-3-404 must be made within the time limits required by 41-3-404 unless adjudication occurs earlier by stipulation of the parties pursuant to [section 14] and order of the court.

Section 7. Temporary investigative authority. The department may petition the court for authorization to conduct an investigation into allegations of child abuse, neglect, or abandonment when necessary. An order for temporary investigative authority may not be issued for a period longer than 90 days. The petition must be served as provided in 41-3-401.

Section 8. Section 41-3-403, MCA, is amended to read:

"41-3-403. ~~Order for immediate protection of youth~~ *Reasonable efforts required to prevent removal of child or to return — exemption — findings — permanency plan.* ~~(1) (a) Upon the filing of a petition for temporary investigative authority and protective services, the court, after consideration of the parents' statements, if any, included with the petition and any accompanying affidavit or report to the court, may issue an order granting relief that may be required for the immediate protection of the youth.~~

~~(b) The order, along with the petition and supporting documents, must be served pursuant to the Montana Rules of Civil Procedure on the person or persons named in the order. When the youth is placed in a medical facility or protective facility, the department shall notify the parents or parent, guardian, or other person having legal custody of the youth, at the time the placement is made or as soon after placement as possible.~~

~~(c) The order must require the person served to comply immediately with the terms of the order and to appear before the court issuing the order on the date specified for a show cause hearing. The show cause hearing must be conducted within 20 days of the issuance of the order by the judge or a master appointed by the judge. The person filing the petition has the burden of presenting evidence establishing probable cause for the issuance of the order. At the show cause hearing, the court shall provide an opportunity for a parent or guardian, if present, and any other person having relevant knowledge to provide relevant~~

~~testimony. The court may consider all relevant evidence in accordance with the rules of civil procedure as modified by this part, but may in its discretion limit testimony and evidence to only that which is relevant to the issues of removal from the home and the child's need for continued protection. The court may amend the order. Except as otherwise provided in this part, the rules of civil procedure apply. Hearsay evidence of statements made by the affected youth is admissible at the hearing or at a contested case proceeding held pursuant to Title 2, chapter 4, part 6, that results from adverse licensing action taken by the department.~~

~~(d) If the child is not returned home after the show cause hearing, the person served may request that a local citizen review board, if available pursuant to part 10, review the case within 30 days of the show cause hearing and make a recommendation to the district court, as provided in 41-3-1010.~~

~~(e) Upon a failure to comply or show cause, the court may hold the person in contempt or place temporary physical custody of the youth with the department until further order.~~

~~(2) At the conclusion of a show cause hearing, in an order granting or denying relief, the court shall make a finding regarding the reasonableness of agency efforts to prevent the child's removal from the home or to make it possible to safely return the child to the child's home. In determining preservation or reunification services to be provided and in making reasonable efforts at providing preservation or reunification services, the child's health and safety are of paramount concern.~~

(1) ~~Reasonable~~ *The department shall make reasonable efforts to prevent the necessity of removal of a child from the child's home and to reunify families that have been separated by the state. Reasonable efforts include but are not limited to development of individual written case plans specifying state efforts to reunify families, placement in the least disruptive setting possible, provision of services pursuant to a case plan, and periodic review of each case to ensure timely progress toward reunification or permanent placement. In determining preservation or reunification services to be provided and in making reasonable efforts at providing preservation or reunification services, the child's health and safety are of paramount concern. The court shall review the services provided by the agency.*

(2) Except in a proceeding subject to the federal Indian Child Welfare Act, the department may, at any time during an abuse and neglect proceeding, make a request for a determination that preservation or reunification services need not be provided. If an indigent parent is not already represented by counsel, counsel must be appointed by the court at the time that a request is made for a determination under this subsection. A court may make a finding that the department need not make reasonable efforts to provide preservation or reunification services ~~are not required~~ if the court finds that the parent has:

(a) subjected a child to aggravated circumstances, including but not limited to abandonment, torture, chronic abuse, or sexual abuse or chronic, severe neglect of a child;

(b) committed, aided, abetted, attempted, conspired, or solicited deliberate or mitigated deliberate homicide of a child;

(c) committed aggravated assault against a child;

(d) committed neglect of a child that resulted in serious bodily injury or death; or

(e) had parental rights to the child's sibling or other child of the parent involuntarily terminated and the circumstances related to the termination of parental rights are relevant to the parent's ability to adequately care for the child at issue.

(3) Preservation or reunification services are not required for a putative father, as defined in 42-2-201, if the court makes a finding that the putative father has failed to do any of the following:

(a) contribute to the support of the child for an aggregate period of 1 year, although able to do so;

(b) establish a substantial relationship with the child. A substantial relationship is demonstrated by:

(i) visiting the child at least monthly when physically and financially able to do so; or

(ii) having regular contact with the child or with the person or agency having the care and custody of the child when physically and financially able to do so; and

(iii) manifesting an ability and willingness to assume legal and physical custody of the child if the child was not in the physical custody of the other parent.

(c) register with the putative father registry pursuant to Title 42, chapter 2, part 2, and the person has not been:

(i) adjudicated in Montana to be the father of the child for the purposes of child support; ~~and~~ *or*

(ii) recorded on the child's birth certificate as the child's father.

(4) A judicial finding that preservation or reunification services are not necessary under this section must be supported by clear and convincing evidence.

~~(4)~~*(5)* If the court finds that preservation or reunification services are not necessary pursuant to subsection (2) *or (3)*, a permanency hearing must be held within 30 days of that determination and reasonable efforts must be made to place the child in a timely manner in accordance with the permanency plan and to complete whatever steps are necessary to finalize the permanent placement of the child.

Section 11. Temporary legal custody. (1) If a child is found to be a youth in need of care under 41-3-404, the court may grant temporary legal custody under 41-3-406 if the court determines by a preponderance of the evidence that:

(a) dismissing the petition would create a substantial risk of harm to the child or would be a detriment to the child's physical or psychological well-being; and

finding whether the department has made reasonable efforts to finalize the permanency plan for the child.

(b) A permanency plan hearing is not required if the proceeding has been dismissed, the child was not removed from the home, or the child has been returned to the child's parent or guardian.

(c) The permanency plan hearing may be combined with a hearing that is required in other sections of this part if held within the time limits of that section. If a permanency plan hearing is combined with another hearing, the requirements of the court related to the disposition of the other hearing must be met in addition to the requirements of this section.

(5) In its discretion, the court may enter any other order that it determines to be in the best interests of the child that does not conflict with the ~~provisions~~ *options provided* in subsection (6) and that does not require an expenditure of money by the department unless the department is notified and a court hearing is set in a timely manner on the proposed expenditure. The department is the payor of last resort after all family, insurance, and other resources have been examined.

(6) ~~If the permanency plan hearing results in a finding that reunification of the child with the child's parent or guardian is not in the best interests of the child, a subsequent petition filed must be one of the following~~ *Permanency options include:*

(c) that if a child is in foster care for 15 of the last 22 months, state law presumes that termination of parental rights is in the best interests of the child and the state is required to file a petition to terminate parental rights; and

(d) that completion of a treatment plan does not guarantee the return of a child and that completion of the plan without a change in behavior that caused removal in the first instance may result in termination of parental rights."

[SB 197]

AN ACT REQUIRING A PERSON WHO WILDCRAFTS TO OBTAIN WRITTEN PERMISSION OR A PERMIT PRIOR TO WILDCRAFTING; PROVIDING EXEMPTIONS TO THE REQUIREMENT OF WRITTEN PERMISSION OR A PERMIT; DESCRIBING THE REQUIREMENTS FOR A

BUYER OF WILDCRAFTED PLANT MATERIAL; PROVIDING A RESTRICTION ON THE LIABILITY OF A LANDOWNER THAT ALLOWS WILDCRAFTING ON THE LANDOWNER'S PROPERTY; ESTABLISHING VIOLATIONS; PROVIDING PENALTIES; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Purpose. (1) The purpose of [sections 1 through 7] is to:

(a) encourage the growth of a statewide sustainable wildcrafting industry that encourages stewardship of the wild plant natural resources of the state by requiring a person who is wildcrafting for commercial purposes to obtain a permit or permission in a written form before the person can wildcraft and by providing enforcement procedures;

(b) require buyers to be accountable for wildcrafted plant material that they purchase by requiring recordkeeping; and

(c) establishing enforcement procedures.

(2) The state recognizes its limited jurisdiction within the Indian reservations in Montana and acknowledges and respects the government-to-government relationship between Montana and the tribes within its borders. It is the legislature's intent that this bill be implemented within current jurisdictional limitations. The tribes are invited to enter into state-tribal cooperative agreements with Montana to provide for broader implementation.

Section 2. Definitions. As used in [sections 1 through 7], the following definitions apply:

(1) "Buyer" means a person who purchases or acquires wildcrafted plant material, other than materials acquired directly from the property owner, for the purposes of resale.

(2) "Commercial purposes" means the harvest of wildcrafted plant material for the purpose of selling, trading, or otherwise exchanging the material for profit.

(3) "Landowner" means a person or entity of any nature, whether private, governmental, or quasi-governmental, and includes the landowner's agent, tenant, lessee, or occupant, a grantee of a conservation easement, a water users' association, an irrigation district, a drainage district, or persons or entities in control of property or with an agreement to use or occupy property.

(4) "Other jurisdictional entity" means the federal government or a tribal government.

(5) "Person" includes an individual, partnership, association, corporation, and any other body or group of persons, whether incorporated or not and regardless of the degree of formal organization.

(6) "Property" means land, roads, water, watercourses, and private ways. The term includes any improvements, buildings, structures, machinery, and equipment on property.

(7) "Seller" means a person who sells wildcrafted plant material.

(8) "Transport" means the physical conveyance of wildcrafted plant material away from the site of wildcrafting and includes but is not limited to transportation by:

(a) a motor vehicle designed for use on improved roadways;

(b) a boat, barge, raft, or other water vessel; or

(c) an airplane, helicopter, balloon, or other aircraft.

(9) (a) "Wildcraft" means to collect, harvest, or separate by cutting, prying, picking, peeling, breaking, pulling, digging, splitting, or otherwise removing uncultivated plants or plant parts from their physical connection or point of contact with the ground or vegetation upon which they are growing or from the place or position where they lay for commercial purposes.

(b) The term does not include the collection of:

(i) plant material used for a campfire; or

(ii) amounts intended for personal consumption.

(10) "Wildcrafted plant material" means any plant or part of any plant species that is not cultivated and that is growing wild on any lands in Montana.

(11) "Wildcrafter" means a person who wildcrafts plants.

Section 3. Written permission or permit to wildcraft required. (1) It is unlawful for any person to wildcraft or transport wildcrafted plant material without having in the person's possession a bill of sale, a signed, written permission form, or a permit from a landowner to wildcraft from the property from which the material is wildcrafted. The written permission or permit must include the following:

(a) the date the permission is given or the permit is issued;

(b) the name, address, telephone number, and signature of the person granting the permission or issuing the permit;

(c) the name, address, and telephone number of the person that is granted the permission or issued the permit;

(d) the common name or scientific name of the plant to be wildcrafted;

(e) the amount and specified part of the plant material to be wildcrafted;

(f) a description of the location on the property from which plant material may be wildcrafted;

(g) the expiration date of the permission or permit; and

(h) the license plate number of the vehicle to be used for the purposes of wildcrafting.

(2) Written permission given or a permit issued to the person supervising a crew of wildcrafters is an acceptable substitute for individual permission or permits.

Section 4. Exemption from written permission or permit requirement. The following are exemptions to the requirements of [section 3]:

(1) A permit issued by a land management agency, another government agency, or any other jurisdictional entity in the state is acceptable in lieu of the written permission if the wildcrafting occurs on land managed by the entity issuing the permit.

(2) A landowner or other jurisdictional entity does not need written permission or a permit to wildcraft on property that the landowner or other jurisdictional entity owns.

(3) Written permission or a permit is not required for the amount of wildcrafted plant material that the landowner or other jurisdictional entity determines is for personal or incidental use.

Section 5. Requirements of buyer. (1) A buyer of wildcrafted plant material shall keep records of purchases or acquisitions of wildcrafted plant material for a period of 3 years from the date of purchase or acquisition.

(2) Copies of the records must be made available to a law enforcement officer upon request.

(3) The records must include:

(a) the date of purchase or acquisition;

(b) the common name or scientific name of the wildcrafted plant material;

(c) the number of the permit, if a number exists, or a copy of the permit or the written permission authorizing the wildcrafting, unless the material came from property owned by the seller;

(d) the name, address, telephone number, and signature of the person from whom the wildcrafted plant material was obtained;

(e) the license plate number of the vehicle that was used to deliver the wildcrafted plant material to the buyer;

(f) the quantity and plant part of wildcrafted plant material purchased or acquired; and

(g) the name, address, and telephone number of the landowner from whose land the wildcrafted plant material was harvested.

Section 6. Restriction on liability of landowner. (1) A person who uses private property for wildcrafting purposes, with or without permission, does so without any assurance from the landowner that the property is safe for any purpose. The landowner owes the person no duty of care with respect to the condition of the property, except that the landowner is liable to the person for any injury to person or property for an act or omission that constitutes willful or wanton misconduct.

(2) A person who uses public property for wildcrafting purposes, with or without permission, does so without any assurance from the landowner that the property is safe for any purpose. The landowner owes the person no duty of care with respect to the condition of the property, except that the landowner is liable to the person for any injury to person or property for an act or omission that constitutes willful or wanton misconduct.

Section 7. Violations — penalties. (1) It is unlawful for a person to:

(a) fail to obtain permission from a landowner to enter property for purposes of wildcrafting;

(b) transport wildcrafted plant material without a bill of sale, a signed, written permission form, or a permit from a landowner as provided in [section 3];

(c) have in the person's possession an amount of wildcrafted plant material that is in excess of the amount granted in the bill of sale, written permission, or permit.

(2) A person who is found to have violated subsection (1) is guilty of a misdemeanor punishable by a fine in an amount not less than $100 or more than $1,000 or by imprisonment in the county jail for a term not to exceed 6 months or not less than 24 hours, or both, for a first offense. An offender convicted of a second offense under this section shall be fined not less than $500 or more than $1,000 or be imprisoned in the county jail for a term not to exceed 1 year or not less than 6 months, or both.

(3) All wildcrafted plant material that is illegally wildcrafted, transported, or in the possession of a person convicted under this section must be impounded.

(4) The incidental disturbance of plants by a lessee or permittee who is lawfully exercising rights granted under the lease or permit is not considered to be in violation of [sections 1 through 7].

Section 8. State-tribal cooperative agreements. The state and tribal governments may enter into cooperative agreements as provided in Title 18, chapter 11.

Section 9. Two-thirds vote required — contingent voidness. Because [section 6(2)] limits governmental liability, Article II, section 18, of the Montana constitution requires a vote of two-thirds of the members of each house of the legislature for passage. If [section 6(2)] is not approved by at least two-thirds of the members of each house of the legislature, then [section 6(2)] is void.

Section 10. Codification instruction. [Sections 1 through 7] are intended to be codified as an integral part of Title 76, and the provisions of Title 76 apply to [sections 1 through 7].

Section 11. Effective date. [This act] is effective on passage and approval.

Section 12. Notification to tribal governments. The secretary of state shall send a copy of [this act] to each tribal government located on the seven Montana reservations and to the Little Shell band of Chippewa.

CHAPTER NO. 283

[SB 203]

AN ACT REPLACING THE LIMIT ON THE NUMBER OF AXLES ALLOWED ON A COMMERCIAL MOTOR VEHICLE WITH THE FEDERAL GROSS VEHICLE WEIGHT LIMITS; AND AMENDING SECTION 61-10-107, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 61-10-107, MCA, is amended to read:

"61-10-107. Maximum gross weight. (1) An axle may not carry a load in excess of 20,000 pounds, and no two consecutive axles more than 40 inches or less than 96 inches apart may carry a load in excess of 34,000 pounds. An axle load is the total load transmitted to the road by all wheels whose centers are included between two parallel transverse vertical planes 40 inches apart, extending across the full width of the vehicle. For purposes of this section, axles 40 inches or less apart are considered to be a single axle. ~~A vehicle or combination may not have more than nine axles.~~ The maximum gross weight allowed on a vehicle, group of axles, or combination of vehicles must be determined by the formula: $W = 500((LN/(N-1)) + 12N + 36)$in which W equals gross weight, L equals wheel base in feet, and N equals number of axles, except that two consecutive sets of tandem axles may carry a gross load of 34,000 pounds each if the overall distance between the first and last axles of the consecutive sets of tandem axles is 36 feet or more. *The maximum gross weight allowed on a vehicle may not exceed the weight limits adopted by the department. The department shall adopt rules for weight limits based upon the most recent version of 23 CFR, part 658, appendix c, for vehicles operating in Montana.*

(2) (a) Notwithstanding a vehicle's conformance with the requirements of subsection (1), except for the steering axle, all axles weighing over 11,000 pounds must have at least four tires or have wide-base tires. The maximum load on an axle, other than a steering axle, equipped with wide-base tires is limited to 500 pounds for each inch of tire width.

(b) The provisions of subsection (2)(a) do not apply to passenger buses.

(c) For the purposes of this section, wide-base tires are tires that are 14 or more inches in nominal width. The maximum tire weight limit is computed for wide-base tires based on the number of inches shown on the tire marking, or if the tire marking is shown by metric size, the tire weight limit is computed by conversion of the metric size.

(3) This section does not apply to highways that are a part of the national system of interstate and defense highways (as referred to in 23 U.S.C. 127) when application of this section would prevent this state from receiving federal funds for highway purposes."

CHAPTER NO. 284

[SB 204]

AN ACT CLARIFYING THAT A COURT SENTENCING A CRIMINAL OFFENDER MUST SPECIFY THE TOTAL AMOUNT OF RESTITUTION TO BE PAID TO THE VICTIM; PROVIDING THAT THE TOTAL AMOUNT ORDERED TO BE PAID MAY BE COLLECTED BY THE VICTIM AT ANY TIME, INCLUDING AFTER STATE SUPERVISION OF THE OFFENDER ENDS, USING ANY METHOD ALLOWED BY LAW FOR THE COLLECTION OF A CIVIL JUDGMENT; AMENDING SECTIONS 46-18-244 AND 46-18-249, MCA; AND PROVIDING A RETROACTIVE APPLICABILITY DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 46-18-244, MCA, is amended to read:

"**46-18-244. Type and time of payment — defenses.** (1) The court shall specify the *total* amount~~,~~ *to be paid and the* method~~,~~ and time of ~~each~~ payment ~~to the victim~~ and may permit payment in installments.

(2) In determining the amount, method, and time of each *installment* payment, the court shall consider the financial resources and future ability of the offender to pay. The court shall provide for payment to a victim of the full amount

of the pecuniary loss caused by the offense. The offender may assert any defense that the offender could raise in a civil action for the loss sought to be compensated by the restitution order.

(3) ·In addition to other methods of payment, the court may order one or more of the following in order to satisfy the offender's restitution obligation:

(a) forfeiture and sale of the offender's assets under the provisions of Title 25, chapter 13, part 7, unless the court finds, after notice and an opportunity for the offender to be heard, that the assets are reasonably necessary for the offender to sustain a living or support the offender's dependents or unless the state determines that the cost of forfeiture and sale would outweigh the amount available to the victim after sale. If the proceeds of sale exceed the amount of restitution ordered and the costs of forfeiture and sale, any remaining amount must be returned to the offender.

(b) return of any property to the victim;

(c) payment of up to one-third of the offender's prison earnings.

(4) With the consent of the victim and in the discretion of the court, an offender may be ordered to make restitution in services to the victim in lieu of money or to make restitution to a person designated by the victim, if that person provided services to the victim as a result of the offense.

(5) After a prosecution is commenced and upon petition of the prosecutor, the court may grant a restraining order or injunction, require a satisfactory bond, or take other action if the court finds that the restraining order or injunction, bond, or other action is necessary to preserve property or assets that could be used to satisfy an anticipated restitution order. A hearing must be held on the petition, and any person with an interest in the property is entitled to be heard."

Section 2. Section 46-18-249, MCA, is amended to read:

"**46-18-249. Civil actions by victim.** (1) ~~Sections~~ *The total amount that a court orders to be paid to a victim may be treated as a civil judgment against the offender and may be collected by the victim at any time, including after state supervision of the offender ends, using any method allowed by law, including execution upon a judgment, for the collection of a civil judgment. However,* 46-18-241 through ~~46-18-249~~ *46-18-248 and this section* do not limit or impair the right of a victim to sue and recover damages from the offender in a *separate* civil action.

(2) The findings in the sentencing hearing and the fact that restitution was required or paid are not admissible as evidence in a *separate* civil action and have no legal effect on the merits of a *separate* civil action.

(3) Any restitution paid by the offender to the victim *under a restitution order contained in a criminal sentence, including an amount or amounts paid in a civil proceeding to enforce payment of a restitution order contained in a criminal sentence,* must be set off against any pecuniary loss awarded to the victim in a *separate* civil action arising out of the facts or events ~~which~~ *that* were the basis for the restitution. The court trying the *separate* civil action shall determine the amount of any setoff asserted by the defendant under this section."

Section 3. Retroactive applicability. [Section 2] applies retroactively, within the meaning of 1-2-109, to restitution ordered to be paid prior to [the effective date of this act].

AN ACT AUTHORIZING A 4 PERCENT LOAN RATE FOR THE FIRST 5 YEARS FOR A LOAN TO A BUSINESS CREATING OR RETAINING 10 TO 14 JOBS UNDER THE VALUE-ADDED LOAN PROGRAM; ESTABLISHING THE BOARD OF INVESTMENTS' POSTED RATE AS THE RATE OF INTEREST FOR THE THIRD 5-YEAR PERIOD ON A LOAN; PROVIDING

THAT THE RATE OF INTEREST ON A LOAN IS THE BOARD'S POSTED RATE UNTIL JOB CERTIFICATION REQUIREMENTS HAVE BEEN MET; PROVIDING A MATHEMATICAL NUMERICAL THRESHOLD FOR DETERMINING LOAN PROGRAM ELIGIBILITY; AMENDING SECTION 17-6-317, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 17-6-317, MCA, is amended to read:

"**17-6-317. Participation by private financial institutions — rulemaking.** (1) (a) The board may jointly participate with private financial institutions in making loans to a business enterprise if the loan will:

(i) result in the creation of a business estimated to employ at least ~~15~~ *10* people in Montana on a permanent, full-time basis; ~~or~~

(ii) result in the expansion of a business estimated to employ at least an additional ~~15~~ *10* people in Montana on a permanent, full-time basis*; or*

(iii) prevent the elimination of the jobs of at least 10 Montana residents who are permanent, full-time employees of the business.

(b) Loans under this section may be made only to business enterprises that are producing or will produce value-added products or commodities.

(c) ~~a~~ *A* loan made pursuant to this section does not qualify for a job credit interest rate reduction under 17-6-318.

(2) A loan made pursuant to this section may not exceed 1% of the coal severance tax permanent fund and must comply with each of the following requirements:

(a) (i) The business enterprise seeking a loan must have a cash equity position equal to at least 25% of the total loan amount.

(ii) A participating private financial institution may not require~~:~~ *the business to have an equity position greater than 50% of the total loan amount.*

~~(A) the business enterprise to have an equity position greater than 25% of the total loan amount; or~~

~~(B) additional security or guarantees to cover its exposure, but this does not preclude federal guarantees.~~

(iii) If additional security or guarantees, exclusive of federal guarantees, are required to cover a participating private financial institution, then the additional security or guarantees must be proportional to the amount loaned by all participants, including the board of investments.

(b) The board shall provide 75% of the total loan amount.

(c) The term of the loan may not exceed 15 years.

(d) The board shall charge interest at the following *annual* rate:

(i) 2% ~~a year~~ for the first 5 years *if 15 or more jobs are created or retained*;

(ii) 4% for the first 5 years if 10 to 14 jobs are created or retained;

~~(ii)~~*(iii)* 6% ~~a year~~ for the second 5 years; and

~~(iii)~~*(iv) the board's posted interest rate* for the third 5 years, ~~an amount equal to the national prime interest rate, adjusted annually on January 1 of each year,~~ but not to exceed 10% a year.

(e) (i) The interest rates in subsections (2)(d)(i) and (2)(d)(ii) become effective when the board receives certification that the required number of jobs has been created or as provided in subsection (2)(e)(ii). If the board disburses loan proceeds prior to creation of the required jobs, the loan must bear interest at the board's posted rate.

(ii) In establishing interest rates under subsections (2)(d)(i) and (2)(d)(ii) for preventing the elimination of jobs, the board shall require the submission of financial data that allows the board to determine if the loan and interest rate will in fact prevent the elimination of jobs.

(f) If a business, entitled to the interest rate in subsection (2)(d)(i) or (2)(d)(ii), reduces the number of required jobs, the board may apply a graduated scale to increase the interest rate, not to exceed the board's posted rate.

(g) For purposes of calculating job creation or retention requirements, the board shall use the average weekly salary, as defined in 39-71-116, multiplied by the number of jobs required. This calculated number is the minimum aggregate salary threshold that is required to be eligible for a reduced interest rate. If individual jobs created pay less than the average weekly salary, the borrower shall create more jobs to meet the minimum aggregate salary threshold. If fewer jobs are created or retained than required in subsection (2)(d)(i) or (2)(d)(ii) but aggregate salaries meet the minimum aggregate salary threshold, the borrower is eligible for the reduced interest rate. A job paying less than the minimum wage, provided for in 39-3-409, may not be included in the required number of jobs.

~~(e)~~*(h)* (i) A participating private financial institution may charge interest in an amount equal to the national prime interest rate, adjusted on January 1 of each year, but the interest rate may not be less than 6% or greater than 12%.

(ii) At the borrower's discretion, the borrower may request the lead lender to change this prime rate to an adjustable or fixed rate on terms acceptable to the borrower and lender.

~~(ii)~~*(iii)* A participating private financial institution, or lead private financial institution if more than one is participating, may charge a 0.5% annual service fee.

~~(f)~~*(i)* The business enterprise may not be charged a loan prepayment penalty.

~~(g)~~*(j)* The loan agreement must contain provisions providing for pro rata lien priority and pro rata liquidation provisions based upon the loan percentage of the board and each participating private lender.

(3) If a portion of a loan made pursuant to this section is for construction, disbursement of that portion of the loan must be made based upon the percentage of completion to ensure that the construction portion of the loan is advanced prior to completion of the project.

(4) A private financial institution shall participate in a loan made pursuant to this section to the extent of 85% of its lending limit or 25% of the loan, whichever is less. However, the board's participation in the loan must be 75% of the loan amount.

(5) A business enterprise receiving a loan under the provisions of this section may not pay bonuses or dividends to investors until the loan has been paid off, except that incentives may be paid to employees for achieving performance standards or goals.

(6) The board may adopt rules that it considers necessary to implement this section."

Section 2. Effective date. [This act] is effective on passage and approval.

"**19-13-104. Definitions.** Unless the context requires otherwise, the following definitions apply in this chapter:

(1) Any reference to "city" or "town" includes those jurisdictions that, before the effective date of a county-municipal consolidation, were incorporated municipalities, subsequent districts created for urban firefighting services, or the entire county included in the county-municipal consolidation.

(2) "Compensation" means:

(a) for a full-paid firefighter, the regular remuneration, excluding overtime, holiday payments, shift differential payments, compensatory time payments, and payments in lieu of sick leave, paid for the firefighter's service as a firefighter out of funds controlled by an employer before any pretax deductions allowed under the Internal Revenue Code have been made;

(b) for a part-paid firefighter employed by a city of the second class:

(i) 15% of the regular remuneration, excluding overtime, holiday payments, shift differential payments, compensatory time payments, and payments in lieu of sick leave, paid on July 1 of each year to a newly confirmed, full-paid firefighter of the city that employs the part-paid firefighter; or

(ii) if that city does not employ a full-paid firefighter, 15% of the average regular remuneration, excluding overtime, holiday payments, shift differential payments, compensatory time payments, and payments in lieu of sick leave, paid on July 1 of each year to all newly confirmed, full-paid firefighters employed by cities of the second class.

(3) "Dependent child" means a child of a deceased member who is:

(a) unmarried and under ~~age~~ 18 *years of age*; or

(b) unmarried, under ~~age~~ 24 *years of age*, and attending an accredited postsecondary educational institution as a full-time student in anticipation of receiving a certificate or degree.

(4) "Employer" means any city that is of the first or second class or that elects to join this retirement system under 19-13-211 *or, with respect to firefighters covered in the retirement system pursuant to 19-13-210(2), the department of military affairs established in 2-15-1201*.

(5) "Final average compensation" means the monthly compensation of a member averaged over the last 36 months of the member's active service or, if the member has not been a member that long, over the period of the member's service. Lump-sum payments for annual leave paid to the member upon termination of service may be used to replace, on a month-for-month basis, the normal compensation for a month or months included in the calculation of final average compensation.

(6) "Firefighter" means a person employed as a full-paid or part-paid firefighter by an employer.

(7) "Full-paid firefighter" means a person appointed as a firefighter under 7-33-4106.

(8) "Minimum retirement date" means the first day of the month coinciding with or immediately following, if none coincides, the date on which a member becomes both age 50 or older and completes 5 or more years of membership service.

(9) "Part-paid firefighter" means a person employed under 7-33-4109 who receives compensation in excess of $300 a year for service as a firefighter.

(10) "Prior plan" means the fire department relief association plan of a city that elects to join the retirement system under 19-13-211 or the fire department relief association plan of a city of the first or second class.

Section 2. Section 19-13-210, MCA, is amended to read:

"**19-13-210. Participation in retirement system ~~by first- and second-class cities~~.** *(1)* Cities of the first and second class that employ full-paid firefighters shall participate in the retirement system. If a city of the first or second class is reduced to a city of the third class or a town under 7-1-4118, it shall continue to participate in the retirement system as long as it has retired firefighters or survivors eligible to receive retirement benefits.

(2) Firefighters hired by the Montana air national guard on or after October 1, 2001, or on or after [the effective date of this act], whichever is later, shall participate in the retirement system."

Section 3. Section 19-13-212, MCA, is amended to read:

"**19-13-212. Termination of participation in retirement system or reduction of employer contributions.** (1) If ~~a city~~ *an employer* voluntarily terminates its contributions in the retirement system or significantly reduces the number of full-paid firefighters it employs to a degree that, in the board's opinion, inadequately funds the accrued or accruing benefits of retirement system members, the board shall request as part of the required actuarial valuation an actuarial investigation of the funding status of the ~~city~~ *employer*.

(2) Based on the actuarial investigation, the board may request and the ~~city~~ *employer* shall pay annually the amount determined to be necessary to provide adequate funding for the liabilities of the ~~city~~ *employer*. This amount must be in addition to any other contributions required by the retirement act.

(3) Six years after the actuarial investigation is conducted, ~~a city~~ *an employer* making payments as provided in subsection (2) may request the board to review the ~~city's~~ *employer's* funding status relative to the annual payments. As a result of the review, the board may adjust the payments."

Section 4. Section 19-13-605, MCA, is amended to read:

"**19-13-605. Employer contribution.** Each employer shall make its contribution on behalf of members through the city treasurer or other appropriate official from money available ~~to the city~~ for this purpose. The employer's contribution is 14.36% of the total compensation paid to members. All contributions are payable monthly to the board, which shall, as soon as practicable after their receipt, deposit them in the pension trust fund."

Section 5. Section 19-13-805, MCA, is amended to read:

"**19-13-805. Reinstatement upon termination of benefit.** (1) (a) Except as provided in subsection (1)(c), a member whose disability retirement benefit is canceled as provided in 19-13-804 must be reinstated to the position held by the member immediately before the member's retirement or to a position in a comparable pay and benefit category with duties within the member's capacity if an appropriate vacancy exists within the member's fire department. The board shall advise the employer that the disability retirement benefit has been canceled and that the inactive member is eligible for reinstatement to duty. The fact that the member was retired for disability may not prejudice any right to reinstatement to duty that the inactive member may have or claim to have.

(b) If an appropriate vacancy does not exist within an inactive member's fire department when the member's disability benefit is canceled under 19-13-804, the member's benefit must be reinstated until a vacancy occurs.

(c) This section does not affect any requirement that the former employee meet or be able to meet professional certification and licensing standards unrelated to the disability and necessary for reinstatement.

(2) The ~~city~~ *employer* may request a medical or psychological review as to the ability of the member to return to work as a firefighter. If the board's findings are upheld, the ~~city~~ *employer* shall pay the costs of the review.

(3) If the inactive member again becomes an active member by returning to active work for an employer within 30 days following receipt of notice under 19-13-804, the member is considered to have been continuously employed during the term of the member's disability. If the inactive member fails to become an active member by returning to active work for an employer within 30 days following receipt of this notice, the member's termination of employment is considered to have occurred as of the member's disability retirement date and the retirement benefit, if any, to which the member becomes entitled on the member's service retirement must be determined accordingly."

Section 6. Section 19-13-1007, MCA, is amended to read:

"**19-13-1007. Minimum benefit adjustment.** (1) The following applies to a member with 10 or more years of service who has not elected to be covered under 19-13-1010:

(a) For the member or the member's surviving spouse or dependent children, the service retirement benefit provided in 19-13-704, the disability retirement benefit provided in 19-13-803, and the survivorship benefit provided in 19-13-902 may not be less than one-half the monthly compensation paid to a newly confirmed, active firefighter of ~~a city~~ *the employer* that last employed the member as a firefighter, as provided each year in the budget of that ~~city~~ *employer*.

(b) If after a member retires, the ~~city~~ *employer* that last employed the member no longer employs a full-paid firefighter, the member's or survivor's benefit under subsection (1)(a) must be adjusted on the basis of the average monthly compensation paid to all newly confirmed full-paid firefighters, as provided each year in the budgets of those ~~cities~~ *employers* that participate in the retirement system and employ a full-paid firefighter.

(2) If the employment of a vested member hired before July 1, 1981, who has not elected to be covered under 19-13-1010 is involuntarily discontinued because of the termination of employment of all full-paid firefighters ~~in~~ *of* the ~~city~~ *employer* that employed the member, the member's service retirement benefit provided in 19-13-704 and the member's spouse's or dependent child's survivorship benefit provided in 19-13-902(1) may not be less than:

(a) if the member has earned 20 years or more of membership service, one-half the average monthly compensation paid to all newly confirmed, full-paid firefighters, as provided each year in the budgets of those ~~cities~~ *employers* that participate in the retirement system and employ a full-paid firefighter; or

(b) if the member has earned more than 5 but less than 20 years of membership service, 2.5% of the average monthly compensation paid to all newly confirmed, full-paid firefighters, as provided each year in the budgets of those ~~cities~~ *employers* that participate in the retirement system and employ a full-paid firefighter, for each year of the member's service."

Section 7. Contingent effective date. [This act] is effective contingent on the execution of an agreement between the department of military affairs and the public employees' retirement board establishing that employer contributions for all firefighters hired by the Montana air national guard pursuant to [section 2] will be paid with federal funds passed through the department of military affairs and remitted to the firefighters' unified retirement system in a manner prescribed by the public employees' retirement board. The board shall notify the secretary of state and the code commissioner when this contingency is met.

AN ACT PROVIDING THAT AN INJURED WORKER WITH PHYSICAL RESTRICTIONS WHO HAS NOT REACHED MAXIMUM HEALING MAY, UPON APPROVAL OF THE TREATING PHYSICIAN, RETURN TO AN ALTERNATIVE OR MODIFIED EMPLOYMENT POSITION WITH A DIFFERENT EMPLOYER IF AN ALTERNATIVE OR MODIFIED EMPLOYMENT POSITION IS NOT AVAILABLE WITH THE EMPLOYER THAT WAS THE INJURED WORKER'S EMPLOYER AT THE TIME OF INJURY; AMENDING SECTION 39-71-712, MCA; AND PROVIDING AN EFFECTIVE DATE AND AN APPLICABILITY DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 39-71-712, MCA, is amended to read:

"39-71-712. Temporary partial disability benefits. (1) ~~If~~ *Subject to the provisions of subsection (6), if* prior to maximum healing~~,~~ an injured worker has a physical restriction and is approved to return to a modified or alternative employment that the worker is able and qualified to perform and the worker suffers an actual wage loss as a result of a temporary work restriction, the worker qualifies for temporary partial disability benefits.

(2) An insurer's liability for temporary partial disability must be the difference between the injured worker's average weekly wage received at the time of the injury, subject to a maximum of 40 hours a week, and the actual weekly

wages earned during the period that the claimant is temporarily partially disabled, not to exceed the injured worker's temporary total disability benefit rate.

(3) Temporary partial disability benefits are limited to a total of 26 weeks. The insurer may extend the period of temporary partial disability payments.

(4) A *Except as provided in subsection (6), a* worker is not eligible for temporary partial disability benefits or temporary total disability benefits if:

(a) the worker has been released by the treating physician to return to a modified or alternative position that the individual is able and qualified to perform with the same employer;

(b) the wages payable in the modified or alternative position, when combined with the temporary partial disability benefits, would result in an equivalent or higher wage than the worker received at the time of injury; and

(c) the worker refuses to accept the modified or alternative position. A worker requalifies for temporary total disability benefits if the modified or alternative position is no longer available to the worker and the worker continues to be temporarily totally disabled as defined in 39-71-116.

(5) Temporary partial disability may not be credited against any permanent partial disability award or settlement under 39-71-703.

(6) Unless a collective bargaining agreement precludes an injured worker from working in a modified or alternative position with a different employer or includes criteria different from those outlined in this subsection (6), an injured worker who has not reached maximum healing and who has a physical restriction may return to a modified or alternative position with a different employer at the same or a lower rate of wages as the rate paid by the employer at the time of injury if:

(a) a modified or alternative employment with the employer at the time of injury is not provided and the injured worker and that employer agree to the modified or alternative position with a different employer;

(b) a written description and all required duties of the modified or alternative position with a different employer are approved by the treating physician;

(c) both the employer at the time of injury and the injured worker agree to the type of alternative work, the alternative employer, and the terms and conditions of employment, including payment of benefits and employment taxes for the modified or alternative position with a different employer;

(d) an employee is not displaced as a result of the injured worker's placement in the modified or alternative position with a different employer; and

(e) the employer at the time of injury, the different employer, and the injured worker agree in writing to the terms and conditions, including payment of benefits, covering the injured worker for subsequent injury, unemployment insurance, employment taxes, and liability and provide a copy of the agreement to the injured employee.

(7) Any additional expenses related to the modified or alternative position, including travel, equipment, or training, must be paid by either the employer at the time of injury or the different employer and may not be charged to or deducted from the wages or benefits of the injured employee.

(8) Notwithstanding a written agreement between the employer at the time of injury and a different employer, the employer at the time of injury is the primary employer if a dispute over wages, benefits, employment taxes, workers' compensation insurance, or other terms or conditions of employment occurs.

(9) The injured worker may refuse to accept a modified or alternative position with an employer other than the employer at the time of injury without penalty. If the injured worker is offered a modified or alternative position with a different employer, the injured worker must be given written notice of the right of refusal from the employer at the time of injury and the insurer prior to beginning work with the different employer."

CHAPTER NO. 295

[SB 357]

AN ACT REQUIRING A VIATICAL DISCLOSURE FORM; DEFINING "VIATICAL SETTLEMENT PURCHASE AGREEMENT" AND "VIATICAL SETTLEMENT PURCHASER"; REQUIRING THAT CERTAIN INFORMATION MUST BE DISCLOSED TO A VIATICAL SETTLEMENT PURCHASER BY A VIATICAL SETTLEMENT PROVIDER; AMENDING SECTIONS 33-1-501, 33-20-1302, AND 33-20-1311, MCA; AND PROVIDING A DELAYED EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 33-1-501, MCA, is amended to read:

"33-1-501. Filing and approval of forms. (1) (a) An insurance policy or annuity contract form, certificate, enrollment form, application form, *viatical disclosure form,* printed rider or endorsement form, or form of renewal certificate may not be delivered or issued for delivery in Montana unless the form has been filed with and approved by the commissioner and, if required, the regulatory official of the state of domicile of the insurer. This provision does not apply to surety bonds or policies, riders, endorsements, or forms of unique character designed for and used with relation to insurance upon a particular subject or that relate to the manner of distribution of benefits or to the reservation of rights and benefits under life or disability insurance policies and are used at the request of the individual policyholder, contract holder, or certificate holder. Forms for use in property, marine, other than ocean marine and foreign trade coverages, casualty, and surety insurance coverages may be filed by a rating organization on behalf of its members and subscribers or by a member or subscriber on its own behalf.

(b) The approval of an insurance policy or annuity contract form, certificate, enrollment form, application form, or other related insurance form by the state of domicile may be waived by the commissioner if the commissioner considers the requirements of subsection (1)(a) unnecessary for the protection of Montana insurance consumers. If the requirement is waived, an insurer shall notify the commissioner in writing within 10 days of disapproval, denial, or withdrawal of approval of a form by the state of domicile.

(2) The filing must be made not less than 60 days in advance of delivery. Approval of a form by the commissioner constitutes a waiver of any unexpired portion of the waiting period. The commissioner may extend by not more than an additional 60 days the period within which the commissioner may approve or disapprove a form by giving notice of the extension before expiration of the initial 60-day period. The commissioner may at any time, after notice and for cause shown, withdraw any approval.

(3) Notice by the commissioner disapproving a form or withdrawing a previous approval must state the grounds for disapproval or withdrawal in sufficient detail to inform the insurer.

(4) The commissioner may exempt from the requirements of this section, for so long as the commissioner considers proper, an insurance document, form, or type of document or form to which, in the commissioner's opinion, this section may not practicably be applied or the filing and approval of which are not desirable or necessary for the protection of the public.

(5) This section applies to a form used by a domestic insurer for delivery in a jurisdiction outside Montana if the insurance supervisory official of the jurisdiction informs the commissioner that the form is not subject to approval or disapproval by the official and upon the commissioner's order requiring the form to be submitted to the commissioner for the purpose. The same standards apply to these forms as apply to forms for domestic use.

(6) This section and 33-1-502 do not apply to:

(a) reinsurance;

(b) policies or contracts not issued for delivery in Montana or delivered in Montana, except as provided in subsection (5);

(c) ocean marine and foreign trade insurances.

(7) Except as provided in chapter 21, group certificates that are delivered or issued for delivery in Montana for group insurance policies effectuated and delivered outside Montana but covering persons resident in Montana must be filed with the commissioner upon request. The certificates must meet the minimum provisions mandated by Montana if Montana law prevails over conflicting provisions of other state law."

Section 3. Section 33-20-1311, MCA, is amended to read:

(3) The information disclosure must include the following:

(a) that the viatical settlement purchaser will not receive payment until the insured dies;

(b) that the actual annual rate of return on a viatical settlement purchase agreement is dependent upon an accurate projection of the insured's life expectancy and the actual date of the insured's death and that an annual guaranteed rate of return is not determinable;

(c) that the viatical insurance contract is not a liquid purchase since it is impossible to predict the exact timing of its maturity, that the funds are probably not available until the death of the insured, and that there is not an established secondary market for the resale of viatical settlement products by the viatical settlement purchaser;

(d) that the viatical settlement purchaser may lose all benefits or may receive substantially reduced benefits if the insurer goes out of business during the term of the viatical settlement investment;

(e) (i) that the viatical settlement purchaser is responsible for payment of the insurance premium or other costs related to the policy, if required by the terms of the viatical purchase agreement, and that these payments may reduce the viatical settlement purchaser's return and may continue beyond the insured's projected life expectancy; and

(k) for group policies, the name of the party responsible for the payment of any additional premiums;

(l) that there are risks associated with policy contestability, including the risk that the viatical settlement purchaser may not have a claim or may have only a partial claim to death benefits if the insurer rescinds the policy within the contestability period;

(m) whether or not the viatical settlement purchaser will be the beneficiary or owner of the policy and, if the viatical settlement purchaser is the beneficiary, the special risks associated with beneficiary status, including the risk that the beneficiary may be changed;

(n) a description of:

(i) the experience and qualifications of the person who has determined the life expectancy of the insured, such as in-house staff, independent physicians, or specialty firms that weigh medical and actuarial data;

(ii) the information on which the projection of life expectancy is based; and

(p) a description and amount of any loan or other encumbrance against or in connection with the policy; and

(d) The amount of the reinsurance tax must be calculated as follows:

(i) 0.225% on the first 20 million dollars of assumed reinsurance premiums;

CHAPTER NO. 299

[SB 377]

AN ACT REVISING THE MONTANA ENVIRONMENTAL POLICY ACT; PROVIDING TIME LIMITS AND PROCEDURES FOR CONDUCTING ENVIRONMENTAL REVIEWS; PROVIDING DEFINITIONS; PROVIDING THAT LEGAL CHALLENGES TO ACTIONS UNDER THE MONTANA ENVIRONMENTAL POLICY ACT MAY ONLY BE BROUGHT IN DISTRICT COURT OR FEDERAL COURT WITHIN 60 DAYS OF A FINAL AGENCY

ACTION; PROVIDING AN EXCEPTION TO PERMITTING TIME LIMITS IF BOARD REVIEW OF CERTAIN AGENCY DECISIONS IS REQUESTED; AMENDING SECTIONS 75-1-201, 75-2-211, 75-2-218, 75-10-922, 75-20-216, 75-20-231, 76-4-125, 82-4-122, 82-4-231, 82-4-337, AND 82-4-432, MCA; AND PROVIDING AN APPLICABILITY DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Environmental review procedure. (1) (a) Except as provided in subsection (1)(b), an agency shall comply with this section when completing any environmental review required under this part.

(b) To the extent that the requirements of this section are inconsistent with federal requirements, the requirements of this section do not apply to an environmental review that is being prepared jointly by a state agency pursuant to this part and a federal agency pursuant to the National Environmental Policy Act or to an environmental review that must comply with the requirements of the National Environmental Policy Act.

(2) A project sponsor may, after providing a 30-day notice, appear before the environmental quality council at any regularly scheduled meeting to discuss issues regarding the agency's environmental review of the project. The environmental quality council shall ensure that the appropriate agency personnel are available to answer questions.

(3) If a project sponsor experiences problems in dealing with the agency or any consultant hired by the agency regarding an environmental review, the project sponsor may submit a written request to the agency director requesting a meeting to discuss the issues. The written request must sufficiently state the issues to allow the agency to prepare for the meeting. If the issues remain unresolved after the meeting with the agency director, the project sponsor may submit a written request to appear before the appropriate board, if any, to discuss the remaining issues. A written request to the appropriate board must sufficiently state the issues to allow the agency and the board to prepare for the meeting.

(4) (a) Subject to the requirements of subsection (5), to ensure a timely completion of the environmental review process, an agency is subject to the time limits listed in this subsection (4) unless other time limits are provided by law. All time limits are measured from the date the agency receives a complete application. An agency has:

(i) 60 days to complete a public scoping process, if any;

(ii) 90 days to complete an environmental review unless a detailed statement pursuant to 75-1-201(1)(b)(iv) is required; and

(iii) 180 days to complete a detailed statement pursuant to 75-1-201(1)(b)(iv).

(b) The period of time between the request for a review by a board and the completion of a review by a board under [section 1(5) of Senate Bill No. 408, section 1(1)(b)(iv)(C)(III) of House Bill No. 459,] or subsection (10) of this section may not be included for the purposes of determining compliance with the time limits established for conducting an environmental review under this subsection or the time limits established for permitting in 75-2-211, 75-2-218, 75-10-922, 75-20-216, 75-20-231, 76-4-125, 82-4-122, 82-4-231, 82-4-337, and 82-4-432.

(5) An agency may extend the time limits in subsection (4) by notifying the project sponsor in writing that an extension is necessary and stating the basis for

the extension. The agency may extend the time limit one time, and the extension may not exceed 50% of the original time period as listed in subsection (4). After one extension, the agency may not extend the time limit unless the agency and the project sponsor mutually agree to the extension.

(6) If the project sponsor disagrees with the need for the extension, the project sponsor may request that the appropriate board, if any, conduct a review of the agency's decision to extend the time period. The appropriate board may, at its discretion, submit an advisory recommendation to the agency regarding the issue.

(7) (a) Except as provided in subsection (7)(b), if an agency has not completed the environmental review by the expiration of the original or extended time period, the agency may not withhold a permit or other authority to act unless the agency makes a written finding that there is a likelihood that permit issuance or other approval to act would result in the violation of a statutory or regulatory requirement.

(b) Subsection (7)(a) does not apply to a permit granted under Title 75, chapter 2, or under Title 82, chapter 4, parts 1 and 2.

(8) Under this part, an agency may only request that information from the project sponsor that is relevant to the environmental review required under this part.

(9) An agency shall ensure that the notification for any public scoping process associated with an environmental review conducted by the agency is presented in an objective and neutral manner and that the notification does not speculate on the potential impacts of the project.

(10) An agency may not require the project sponsor to provide engineering designs in greater detail than that necessary to fairly evaluate the proposed project. The project sponsor may request that the appropriate board, if any, review an agency's request regarding the level of design detail information that the agency believes is necessary to conduct the environmental review. The appropriate board may, at its discretion, submit an advisory recommendation to the agency regarding the issue.

(11) An agency shall, when appropriate, consider the cumulative impacts of a proposed project. However, related future actions may only be considered when these actions are under concurrent consideration by any agency through preimpact statement studies, separate impact statement evaluations, or permit processing procedures.

Section 2. Definitions. For the purposes of this part, the following definitions apply:

(a) the policies, regulations, and laws of the state must be interpreted and administered in accordance with the policies set forth in parts 1 through 3;

(b) *under this part,* all agencies of the state, except the legislature and except as provided in subsection (2), shall:

(i) use a systematic, interdisciplinary approach that will ensure the integrated use of the natural and social sciences and the environmental design arts in planning and in decisionmaking that may have an impact on the human environment;

(ii) identify and develop methods and procedures that will ensure that presently unquantified environmental amenities and values may be given appropriate consideration in decisionmaking, along with economic and technical considerations:

(iii) identify and develop methods and procedures that will ensure that state government actions that may impact the human environment are evaluated for regulatory restrictions on private property, as provided in subsection (1)(b)(iv)(D);

(iv) include in each recommendation or report on proposals for projects, programs, and other major actions of state government significantly affecting the quality of the human environment a detailed statement on:

(A) the environmental impact of the proposed action;

(B) any adverse environmental effects that cannot be avoided if the proposal is implemented;

(C) alternatives to the proposed action;

(D) any regulatory impacts on private property rights, including whether alternatives that reduce, minimize, or eliminate the regulation of private property rights have been analyzed. The analysis in this subsection (1)(b)(iv)(D) need not be prepared if the proposed action does not involve the regulation of private property.

(E) the relationship between local short-term uses of the human environment and the maintenance and enhancement of long-term productivity; and

(F) any irreversible and irretrievable commitments of resources that would be involved in the proposed action if it is implemented;

(v) study, develop, and describe appropriate alternatives to recommend courses of action in any proposal that involves unresolved conflicts concerning alternative uses of available resources;

(vi) recognize the national and long-range character of environmental problems and, when consistent with the policies of the state, lend appropriate support to initiatives, resolutions, and programs designed to maximize national cooperation in anticipating and preventing a decline in the quality of the world environment;

(vii) make available to counties, municipalities, institutions, and individuals advice and information useful in restoring, maintaining, and enhancing the quality of the environment;

(viii) initiate and use ecological information in the planning and development of resource-oriented projects; and

The responsible state official shall also consult with and obtain comments from any state agency with respect to any regulation of private property involved. Copies of the statement and the comments and views of the appropriate state, federal, and local agencies that are authorized to develop and enforce environmental standards must be made available to the governor, the environmental quality council, and the public and must accompany the proposal through the existing agency review processes.

(d) a transfer of an ownership interest in a lease, permit, license, certificate, or other entitlement for use or permission to act by an agency, either singly or in combination with other state agencies, does not trigger review under subsection (1)(b)(iv) if there is not a material change in terms or conditions of the entitlement or unless otherwise provided by law.

(2) The department of public service regulation, in the exercise of its regulatory authority over rates and charges of railroads, motor carriers, and public utilities, is exempt from the provisions of parts 1 through 3.

(3) (a) In any action challenging or seeking review of an agency's decision that a statement pursuant to subsection (1)(b)(iv) is not required or that the statement is inadequate, the burden of proof is on the person challenging the decision. Except as provided in subsection (3)(b), in a challenge to the adequacy of a statement, a court may not consider any issue or evidence that was not first presented to the agency for the agency's consideration prior to the agency's decision. A court may not set aside the agency's decision unless it finds that there is clear and convincing evidence that the decision was arbitrary or capricious or not in compliance with law.

(b) When new, material, and significant evidence is presented to the district court that had not previously been presented to the agency for its consideration, the district court shall remand the new evidence back to the agency for the agency's consideration and an opportunity to modify its findings of fact and administrative decision before the district court considers the evidence within the administrative record under review. Immaterial or insignificant evidence may not be remanded to the agency. The district court shall review the agency's findings and decision to determine whether they are supported by substantial, credible evidence within the administrative record under review.

(4) (a) A challenge to an agency action under this part may only be brought against a final agency action and may only be brought in district court or in federal court, whichever is appropriate. Any action or proceeding challenging a final agency action alleging failure to comply with or inadequate compliance with a requirement under this part must be brought within 60 days of the action that is the subject of the challenge.

(b) Any action or proceeding under subsection (4)(a) must take precedence over other cases or matters in the district court unless otherwise provided by law."

Section 4. Section 75-2-211, MCA, is amended to read:

(i) 180 days after the department's receipt of a filed application, as provided in subsection (8), if the department prepares the environmental impact statement;

(ii) 30 days after issuance of the final environmental impact statement by the lead agency if a state agency other than the department has been designated by the governor as lead agency for preparation of the environmental impact statement; or

(iii) if the application is for a machine, equipment, a device, or a facility at an operation that requires a permit under Title 82, chapter 4, part 1, 2, or 3, 30 days of issuance of the final environmental impact statement in accordance with time requirements of Title 82, chapter 4, part 1, 2, or 3.

(b) If an application does not require the preparation of an environmental impact statement, the department shall notify the applicant in writing within 60 days after its receipt of a filed application, as provided in subsection (8), of its approval or denial of the application. The time for notification may be extended for 30 days by written agreement of the department and the applicant. Additional 30-day extensions may be granted by the department on request of the applicant. Notification of approval or denial may be served personally or by certified mail on the applicant or the applicant's agent.

(c) If an application for a permit is for the construction, installation, alteration, or use of a source that is also required to obtain a license pursuant to 75-10-221 or a permit pursuant to 75-10-406, the department shall act on the permit application within the time period provided for in 75-2-215(3)(e).

(d) Failure by the department to act in a timely manner does not constitute approval or denial of the application. This does not limit or abridge the right of any person to seek available judicial remedies to require the department to act in a timely manner.

(10) When the department approves or denies the application for a permit under this section, a person who is jointly or severally adversely affected by the department's decision may request a hearing before the board. The request for hearing must be filed within 15 days after the department renders its decision and must include an affidavit setting forth the grounds for the request. The contested case provisions of the Montana Administrative Procedure Act, Title 2, chapter 4, part 6, apply to a hearing before the board under this subsection.

(11) The department's decision on the application is not final unless 15 days have elapsed from the date of the decision and there is no request for a hearing under this section. The filing of a request for a hearing postpones the effective date of the department's decision until the conclusion of the hearing and issuance of a final decision by the board."

Section 5. Section 75-2-218, MCA, is amended to read:

"75-2-218. Permits for operation — application completeness — action by department — application shield — review by board. (1) An application for an operating permit or renewal is not considered filed until the department has determined that it is complete. An application is complete if all fees required under 75-2-220 and all information and completed application forms required under 75-2-217 have been submitted. A complete application must contain all of the information required for the department to begin processing the application. If the department fails to notify the applicant in writing within 60 days after submittal of an application that the application is incomplete and fails to list the reasons why the application is considered incomplete, the application is considered filed on the date of the department's receipt of the application. The department may request additional information after a completeness determination has been made. The department shall adopt rules that contain criteria for use in determining both when an application is complete and when additional information is required after a completeness determination has been made.

(2) Except as provided in *[section 1(4)(b)] and* subsection (3) *of this section*, the department shall, consistent with the procedures established under 75-2-217, approve or disapprove a complete application for an operating permit or renewal and shall issue or deny the permit or renewal within 18 months after the date of filing. Failure of the department to act in a timely manner does not constitute approval or denial of the application. This does not limit or abridge the right of any person to seek available judicial remedies to require the department to act in a timely manner.

(3) The board may by rule provide for a transition schedule for both the submittal to the department of initial applications for operating permits by existing sources and action by the department on these initial permit applications. The board may require that one-third of all operating permit applications required for existing sources be submitted within the first calendar year after the adoption of rules implementing an operating permit program under 75-2-217. Any transition schedule for action by the department must ensure that all permit applications required under 75-2-217 and this subsection for existing sources will be acted upon by the department before November 15, 1997.

(4) If an applicant submits a timely and complete application for an operating permit, the applicant's failure to hold a valid operating permit is not a violation of 75-2-217. If an applicant submits a timely and complete application for an operating permit renewal, the expiration of the applicant's existing operating permit is not a violation of 75-2-217. The applicant shall continue to be subject to the terms and conditions of the expired operating permit until the operating permit is renewed and is subject to the application of 75-2-217. The applicant is not entitled to the protection of this subsection if the delay in final action by the department on the application results from the applicant's failure to submit in a timely manner information requested by the department to process the application.

(5) Except as provided in subsection (8), if the department approves or denies an application for an operating permit or the renewal, modification, or amendment of a permit under 75-2-217 and this section, any person that participated in the public comment process required under 75-2-217(7) may request a hearing before the board. The request for hearing must be filed within 30 days after the department renders its decision and must include an affidavit setting forth the grounds for the request. The contested case provisions of the Montana Administrative Procedure Act, Title 2, chapter 4, part 6, apply to a hearing before the board under this subsection.

(6) Except as provided in subsection (8), the department's decision on any application is not final until 30 days have elapsed from the date of the decision and there is no request for a hearing under this section. The filing of a request for hearing postpones the effective date of the department's decision until the conclusion of the hearing and issuance of a final decision by the board.

(7) The requirements of subsections (5) and (6) apply to any action initiated by the department to suspend, revoke, modify, or amend an operating permit issued under this section.

(8) The denial by the department of an application under 75-2-217 and this section is not subject to review by the board or judicial review if the basis for denial is the written objection of the appropriate federal agency acting pursuant to the federal Clean Air Act, 42 U.S.C. 7401, et seq.

(9) Compliance with an operating permit granted or renewed under 75-2-217 and this section is considered to be in compliance with the requirements of this chapter only if the permit expressly includes those requirements or an express determination that those requirements are not applicable. This subsection does not apply to general permits provided for under 75-2-217."

Section 6. Section 75-10-922, MCA, is amended to read:

"**75-10-922. Study, evaluation, and report on proposed facility.** (1) After receipt of an application, the department shall within 90 days notify the applicant in writing that:

(a) the application is accepted as complete; or

(b) the application is not complete and list the deficiencies. Upon correction of these deficiencies and resubmission by the applicant, the department shall within 30 days notify the applicant in writing that the application is in compliance and is accepted as complete.

(2) Upon receipt of an application complying with 75-10-913, 75-10-914, and 75-10-916 through 75-10-922, the department shall commence an intensive study and evaluation of the proposed facility and its effects, considering all applicable criteria listed in 75-10-929. The department shall use, to the extent it considers applicable, valid and useful existing studies and reports submitted by the applicant or compiled by a state or federal agency.

(3) ~~Within~~ *Except as provided in [section 1(4)(b)], within* 1 year following acceptance of a complete application for a facility, the department shall make a report to the board that must contain the department's studies, evaluations, recommendations, other pertinent documents resulting from its study and evaluation, and an environmental impact statement or analysis prepared pursuant to the Montana Environmental Policy Act, Title 75, chapter 1, if applicable."

Section 7. Section 75-20-216, MCA, is amended to read:

"**75-20-216. Study, evaluation, and report on proposed facility — assistance by other agencies.** (1) After receipt of an application, the department shall within 60 days notify the applicant in writing that:

(a) the application is in compliance and is accepted as complete; or

(b) the application is not in compliance and shall list the deficiencies. Upon correction of these deficiencies and resubmission by the applicant, the department shall within 30 days notify the applicant in writing that the application is in compliance and is accepted as complete.

(2) Upon receipt of an application complying with 75-20-211 through 75-20-213, 75-20-215, and this section, the department shall commence an intensive study and evaluation of the proposed facility and its effects, considering all applicable criteria listed in 75-20-301, and shall issue a decision, opinion, order, certification, or permit as provided in subsection (3). The department shall use, to the extent that it considers applicable, valid and useful existing studies and reports submitted by the applicant or compiled by a state or federal agency.

(3) Except as provided ~~for~~ in *[section 1(4)(b)] and* 75-20-231, the department shall issue within 1 year following the date of acceptance of an application any decision, opinion, order, certification, or permit required under the laws, other than those contained in this part, administered by the department. A decision, opinion, order, certification, or permit, with or without conditions, must be made under those laws. Nevertheless, the department retains authority to make the determination required under 75-20-301(1)(c) or (3). The decision, opinion, order, certification, or permit must be used in the final site selection process. Prior to the issuance of a preliminary decision by the department and pursuant to rules adopted by the department, the department shall provide an opportunity for public review and comment.

(4) Except as provided in *[section 1(4)(b)] and* 75-20-231, within 1 year following acceptance of an application for a facility, the department shall issue a report that must contain the department's studies, evaluations, recommendations, other pertinent documents resulting from its study and evaluation, and an environmental impact statement or analysis prepared pursuant to the Montana Environmental Policy Act, if any. If the application is for a combination of two or more facilities, the department shall issue its report within the greater of the lengths of time provided for in this subsection for either of the facilities.

(5) For projects subject to joint review by the department and a federal land management agency, the department's certification decision may be timed to correspond to the record of decision issued by the participating federal agency.

(6) The departments of transportation; commerce; fish, wildlife, and parks; natural resources and conservation; revenue; and public service regulation shall report to the department information relating to the impact of the proposed site on each department's area of expertise. The report may include opinions as to the advisability of granting, denying, or modifying the certificate. The department shall allocate funds obtained from filing fees to the departments making reports to reimburse them for the costs of compiling information and issuing the required report."

Section 8. Section 75-20-231, MCA, is amended to read:

"**75-20-231. Expedited review.** (1) ~~The~~ *Except as provided in [section 1(4)(b)], the* department shall issue a certification decision within 180 days from the date on which an application is considered complete for a facility that:

(a) is unlikely to result in significant adverse environmental impacts based on the criteria listed in 75-20-232; or

(b) is presently in existence and proposed for upgrade, reconstruction, or relocation and is unlikely to result in significant impacts pursuant to 75-20-232.

(2) A facility that qualifies for expedited review is exempt from undergoing an alternative siting study, except as provided in 75-1-201."

Section 9. Section 76-4-125, MCA, is amended to read:

"**76-4-125. Review of development plans — land divisions excluded from review.** (1) Plans and specifications of a subdivision, as defined in this part, must be submitted to the reviewing authority, and the reviewing authority shall indicate by certificate that it has approved the plans and specifications and that the subdivision is not subject to a sanitary restriction. The plan review by the reviewing authority must be as follows:

(a) At any time after the developer has submitted an application under the Montana Subdivision and Platting Act, the developer shall present to the reviewing authority a preliminary plan of the proposed development, whatever information the developer feels necessary for its subsequent review, and information required by the reviewing authority.

(b) ~~The~~ *Except as provided in [section 1(4)(b)], the* reviewing authority shall give final action of the proposed plan within 60 days unless an environmental impact statement is required, at which time this deadline may be increased to 120 days.

(2) A subdivision excluded from the provisions of chapter 3 must be submitted for review according to the provisions of this part, except that the following divisions or parcels, unless the exclusions are used to evade the provisions of this part, are not subject to review:

(a) the exclusions cited in 76-3-201 and 76-3-204;

(b) divisions made for the purpose of acquiring additional land to become part of an approved parcel, provided that a dwelling or structure requiring water or sewage disposal may not be erected on the additional acquired parcel and that the division does not fall within a previously platted or approved subdivision;

(c) divisions made for purposes other than the construction of water supply or sewage and solid waste disposal facilities as the department specifies by rule; and

(d) subject to the provisions of subsection (3), a remainder of an original tract created by segregating a parcel from the tract for purposes of transfer, if:

(i) the remainder is served by a public or multifamily sewage system approved before January 1, 1997, pursuant to local regulations or this chapter; or

(ii) the remainder is 1 acre or larger and has an individual sewage system that was constructed prior to April 29, 1993, and, if required when installed, was approved pursuant to local regulations or this chapter.

(3) Consistent with the applicable provisions of 50-2-116(1)(i), a local health officer may require that, prior to the transfer of the parcel to be segregated from the remainder referenced in subsection (2)(d)(ii), the remainder include acreage or features sufficient to accommodate a replacement drainfield."

Section 10. Section 82-4-122, MCA, is amended to read:

"**82-4-122. Application and approval of permit.** (1) A person desiring a mine-site location permit shall file with the department an application ~~which shall~~ *that must* contain a reclamation plan for any preparatory work and ~~such~~ *any* other information the department ~~deems~~ *considers* necessary to determine if the proposed area to be affected by the operation is appropriate for the location of a new strip mine or a new underground mine. The department may require any information included in but not limited to an application for a strip-mining permit or underground-mining permit as required by part 2 of this chapter.

(2) ~~The~~ *Except as provided in [section 1(4)(b)], the* department shall notify the applicant within 365 days of receipt of a complete application if the proposed site is an acceptable location for development of a new strip mine or a new underground mine. If the site is approved, the department shall issue the applicant a mine-site location permit. If the location is not approved, the department shall notify the applicant in writing, setting forth reasons why the location is not acceptable. The department shall also notify the applicant within

365 days of receipt of a complete application whether the proposed reclamation plan is or is not acceptable. If the plan is not acceptable, the department shall set forth the reasons for nonacceptance of the plan. It may propose modifications, delete areas, or reject the entire plan."

Section 11. Section 82-4-231, MCA, is amended to read:

"**82-4-231. Submission of and action on reclamation plan.** (1) As rapidly, completely, and effectively as the most modern technology and the most advanced state of the art will allow, each operator granted a permit under this part shall reclaim and revegetate the land affected by the operation, except that underground tunnels, shafts, or other subsurface excavations need not be revegetated. Under the provisions of this part and rules adopted by the board, an operator shall prepare and carry out a method of operation, plan of grading, backfilling, highwall reduction, subsidence stabilization, water control, topsoiling, and a reclamation plan for the area of land affected by the operation. In developing a method of operation and plans of backfilling, subsidence stabilization, water control, grading, highwall reduction, topsoiling, and reclamation, all measures ~~shall~~ *must* be taken to eliminate damages to landowners and members of the public, their real and personal property, public roads, streams, and all other public property from soil erosion, subsidence, landslides, water pollution, and hazards dangerous to life and property.

(2) The reclamation plan ~~shall~~ *must* set forth in detail the manner in which the applicant intends to comply with this section and 82-4-232 through 82-4-234, as amended, and the steps to be taken to comply with applicable air and water quality laws and rules and any applicable health and safety standards.

(3) The application for permit or major revision of a permit, which ~~shall~~ *must* contain the reclamation plan, ~~shall~~ *must* be submitted to the department.

(4) The department shall determine whether the application is administratively complete. An application is administratively complete if it contains information addressing each application requirement in 82-4-222 and the rules implementing that section and all information necessary to initiate processing and public review. The department shall notify the applicant in writing of its determination no later than 90 days after submittal of the application. If the department determines that the application is not administratively complete, it shall specify in the notice those items ~~which~~ *that* the application must address. The application ~~shall be~~ *is* presumed administratively complete as to those requirements not specified in the notice.

(5) If the department determines that an environmental impact statement on the application is required, it shall notify the applicant in writing at the same time it gives the applicant notice pursuant to subsection (4).

(6) After the applicant receives notice that the application is administratively complete, the applicant shall publish notice of filing of the application once a week for 4 consecutive weeks in a newspaper of general circulation in the locality of the proposed operation. The department shall notify various local governmental bodies, planning agencies, sewage and water treatment authorities, and water companies in the locality in which the proposed mining will take place of the application and provide a reasonable time for them to submit written comments. Any person having an interest ~~which~~ *that* is or may be adversely affected or the officer or head of any federal, state, or local governmental agency or authority ~~shall have the right to~~ *may* file written objections to the proposed initial or revised

application for permit or major revision within 30 days of the applicant's published notice. If written objections are filed and an objector requests an informal conference, the department shall hold an informal conference in the locality of the proposed operation within 30 days of receipt of the request. The department shall notify the applicant and all parties to the informal conference of its decision and the reasons ~~therefor~~ *for its decision* within 60 days of the informal conference. The department may arrange with the applicant upon request by any party to the administrative proceeding for access to the proposed mining area for the purpose of gathering information relevant to the proceeding.

(7) The filing of written objections or a request for an informal conference ~~shall~~ *may* not preclude the department from proceeding with its review of the application as specified in subsection (8).

(8) (a) The department shall review each administratively complete application and determine the acceptability of the application. During the review, the department may propose modifications to the application or delete areas from the application in accordance with the requirements of 82-4-227. A complete application is considered acceptable when the application is in compliance with all of the applicable requirements of this part and the regulatory program pursuant to this part.

(b) If the applicant significantly modifies the application after the application has been determined administratively complete in accordance with subsection (4), the department shall under this section either deny the application or conduct a new review, including an administrative completeness determination, public notice, and objection period.

(c) If an environmental impact statement is determined to be necessary prior to making a permit decision, the department shall complete and publish the final environmental impact statement within 365 days of the date of notice provided pursuant to subsection (5).

(d) ~~Within~~ *Except as provided in [section 1(4)(b)], within* 120 days after it determines that an application is administratively complete, the department shall notify the applicant in writing whether the application is or is not acceptable. If the application is not acceptable, the department shall set forth the reasons why it is not acceptable, and it may propose modifications, delete areas, or reject the entire application. All items not specified as unacceptable in the department's notification are presumed to be acceptable. ~~If~~ *Except as provided in [section 1(4)(b)], if* the applicant revises the application in response to a notice of unacceptability, the department shall review the revised application and notify the applicant in writing within 120 days of the date of receipt whether the revised application is acceptable. If the revision constitutes a significant modification under subsection (8)(b), the department shall conduct a new review, beginning with an administrative completeness determination.

(e) When the application is determined to be acceptable, the department shall publish notice of its determination once a week for 2 consecutive weeks in a newspaper of general circulation in the locality of the proposed operation. Any person having an interest that is or may be adversely affected may file a written objection to the determination within 10 days of the department's last published notice. If a written objection is filed and an objector requests an informal conference, the department shall hold an informal conference in the locality of the proposed operation within 20 days of receipt of the request. The department shall notify the applicant and all parties to the informal conference of its decision and the reasons therefor within 10 days of the informal conference.

(f) ~~The~~ *Except as provided in [section 1(4)(b)], the* department shall prepare written findings granting or denying the permit or major revision application in whole or in part no later than 45 days from the date the application is determined acceptable or from the publication of the final environmental impact statement, whichever occurs later. However, if lands subject to the federal lands program are included in the application for permit or major revision, the department shall prepare and submit written findings to the federal regulatory authority. If the department's decision is to grant the permit, the department shall issue the permit on the date of its written finding or, if any federal concurrence is necessary, on the date when ~~such~~ *the* concurrence is obtained. If the application is denied, specific reasons for the denial must be set forth in the written notification to the applicant.

(g) If the department fails to act within the times specified in this subsection (8), it shall immediately notify the board in writing of its failure to comply and the reasons for the failure to comply.

(9) The applicant, a landowner, or any person with an interest that is or may be adversely affected by the department's permit decision may within 30 days of that decision submit a written notice requesting a hearing. The notice must contain the grounds upon which the requester contends that the decision is in error. The hearing ~~shall~~ *must* be held within 30 days of the request. For purposes of a hearing, the department may order site inspections of the area pertinent to the application. The department shall within 20 days of the hearing notify the person who requested the hearing by certified mail, and all other persons, by regular mail, of the findings and decisions. No person who presided at the informal conference may either preside at the hearing or participate in the decision thereon.

(10) In addition to the method of operation, grading, backfilling, subsidence stabilization, water control, highwall reduction, topsoiling, and reclamation requirements of this part and rules adopted under this part, the operator, consistent with the directives of subsection (1) of this section, shall:

(a) bury under adequate fill all toxic materials, shale, mineral, or any other material determined by the department to be acid producing, toxic, undesirable, or creating a hazard;

(b) as directed by rules seal off tunnels, shafts, or other openings or any breakthrough of water creating a hazard;

(c) impound, drain, or treat all runoff or underground mine waters so as to reduce soil erosion, damage to grazing and agricultural lands, and pollution of surface and subsurface waters;

(d) remove or bury all metal, lumber, and other refuse resulting from the operation;

(e) use explosives in connection with the operation only in accordance with department regulations designed to minimize noise, damage to adjacent lands, and water pollution and ensure public safety and for other purposes;

(f) adopt measures to prevent land subsidence unless the department approves a plan for inducing subsidence into an abandoned operation in a predictable and controlled manner with measures for grading, topsoiling, and revegetating the subsided land surface. In order for a controlled subsidence plan to be approved, the applicant ~~must~~ *is required to* show that subsidence will not cause a direct or indirect hazard to any public or private buildings, roads, facilities, or use areas, constitute a hazard to human life or health, or constitute a hazard to domestic livestock or to a viable agricultural operation, or violate any other restrictions the department may consider necessary.

(g) stockpile and protect from erosion all mining and processing wastes until these wastes can be disposed of according to the provisions of this part;

(h) deposit as much stockpiled waste material as possible back into the mine voids upon abandonment in ~~such~~ *a* manner as to prevent or minimize land subsidence. The remaining waste material ~~shall~~ *must* be disposed of as provided by this part and the rules of the board.

(i) seal all portals, entryways, drifts, shafts, or other openings between the surface and underground mine workings when no longer needed;

(j) to the extent possible using the best technology currently available, minimize disturbances and adverse impacts of the operation on fish, wildlife, and related environmental values and achieve enhancement of ~~such~~ *those* resources where practicable;

(k) minimize the disturbances to the prevailing hydrologic balance at the mine site and in associated offsite areas and to the quality and quantity of water in surface water and ground water systems both during and after strip- or underground-coal-mining operations and during reclamation by:

(i) avoiding acid or other toxic mine drainage by such measures as, but not limited to:

(A) preventing or removing water from contact with toxic-producing deposits;

(B) treating drainage to reduce toxic content which adversely affects downstream water upon being released to water courses;

(C) casing, sealing, or otherwise managing boreholes, shafts, and wells and keeping acid or other toxic drainage from entering ground and surface waters;

(ii) (A) conducting strip- or underground-mining operations so as to prevent, to the extent possible using the best technology currently available, additional contributions of suspended solids to streamflow or runoff outside the permit area, but ~~in no event shall~~ contributions *may not* be in excess of requirements set by applicable state or federal law;

(B) constructing any siltation structures pursuant to subsection (10)(k)(ii)(A) prior to commencement of strip- or underground-mining operations, ~~such~~ *with the* structures to be certified by a qualified registered engineer to be constructed as designed and as approved in the reclamation plan;

(iii) cleaning out and removing temporary or large settling ponds or other siltation structures from drainways after disturbed areas are revegetated and stabilized and depositing the silt and debris at a site and in a manner approved by the department;

(iv) restoring recharge capacity of the mined area to approximate premining conditions:

(v) avoiding channel deepening or enlargement in operations requiring the discharge of water from mines;

(vi) preserving throughout the mining and reclamation process the essential hydrologic functions of alluvial valley floors in the arid and semiarid areas of the country; and

(vii) ~~such~~ *any* other actions as the department may prescribe;

(l) conduct strip- or underground-mine operations in accordance with the approved coal conservation plan;

(m) stabilize and protect all surface areas, including spoil piles, to effectively control air pollution;

(n) seal all auger holes with an impervious and noncombustible material in order to prevent drainage except ~~where~~ *when* the department determines that the resulting impoundment of water in ~~such~~ *the* auger holes may create a hazard to the environment or the public health and safety;

(o) develop contingency plans to prevent sustained combustion;

(p) refrain from construction of roads or other access ways up a streambed or drainage channel or in ~~such~~ proximity to ~~such~~ *the* channel so as to seriously alter the normal flow of water;

(q) meet ~~such~~ other criteria as are necessary to achieve reclamation in accordance with the purposes of this part, taking into consideration the physical, climatological, and other characteristics of the site;

(r) with regard to underground mines, eliminate fire hazards and otherwise eliminate conditions which constitute a hazard to health and safety of the public;

(s) locate openings for all new drift mines working acid-producing or iron-producing coal seams in such a manner as to prevent a gravity discharge of water from the mine.

(11) An operator may not throw, dump, pile, or permit the dumping, piling, or throwing or otherwise placing any overburden, stones, rocks, mineral, earth, soil, dirt, debris, trees, wood, logs, or any other materials or substances of any kind or nature beyond or outside of the area of land which is under permit and for which a bond has been posted under 82-4-223, as amended, or place the materials described in this section in such a way that normal erosion or slides brought about by natural physical causes will permit the materials to go beyond or outside of that area of land. An operator shall conduct the strip- or underground-mining operation in such a manner as to protect areas outside the permit area."

Section 12. Section 82-4-337, MCA, is amended to read:

"82-4-337. Inspection — issuance of operating permit — modification, amendment, or revision. (1) (a) The department shall review all applications for operating permits for completeness within 60 days of receipt of the initial application and within 30 days of receipt of responses to notices of deficiencies. The initial completeness notice must note all deficiency issues, and the department may not in a later completeness notice raise an issue pertaining to the initial application that was not raised in the initial notice. The department may, however, raise any deficiency during the adequacy review pursuant to subsection (1)(b). The department shall notify the applicant concerning completeness as soon as possible. An application is considered complete unless the applicant is notified of any deficiencies within the appropriate review period.

(b) ~~Unless~~ *Except as provided in [section 1(4)(b)], unless* the review period is extended as provided in this section, the department shall review the adequacy of the proposed reclamation plan and plan of operation within 30 days of the determination that the application is complete or within 60 days of receipt of the application if the department does not notify the applicant of any deficiencies in the application. If the applicant is not notified of deficiencies or inadequacies in the proposed reclamation plan and plan of operation within the time period, the operating permit must be issued upon receipt of the bond as required in 82-4-338 and pursuant to the requirements of subsection (1)(c). The department shall promptly notify the applicant of the form and amount of bond that will be required.

(c) A permit may not be issued until:

(i) sufficient bond has been submitted pursuant to 82-4-338;

(ii) the information and certification have been submitted pursuant to 82-4-335(9); and

(iii) the department has found that permit issuance is not prohibited by 82-4-335(8) or 82-4-341(7).

(d) (i) Prior to issuance of a permit, the department shall inspect the site unless the department has failed to act on the application within the time prescribed in subsection (1)(b). If the site is not accessible because of extended adverse weather conditions, the department may extend the time period prescribed in subsection (1)(b) by not more than 180 days to allow inspection of the site and reasonable review. The department shall serve written notice of extension upon the applicant in person or by certified mail, and any extension is subject to appeal to the board in accordance with the Montana Administrative Procedure Act.

(ii) ~~If~~ *Except as provided in [section 1(4)(b)], if* the department determines that additional time is needed for analysis to determine whether a detailed environmental impact statement is necessary under 75-1-201, the department and the applicant shall negotiate to extend the period prescribed in subsection (1)(b) by not more than 75 days to permit reasonable analysis. The applicant may by written waiver extend this period.

(iii) ~~If~~ *Except as provided in [section 1(4)(b)], if* the department determines that additional time is needed to review the application and reclamation plan for a major operation, the department and the applicant shall negotiate to extend the period prescribed in subsection (1)(b) by not more than 365 days in order to permit reasonable review. The applicant may by written waiver extend this time period.

(iv) If the department decides to hire a third-party contractor to prepare an environmental impact statement on the application, the department shall prepare a list of no fewer than four contractors acceptable to the department and shall provide the applicant with a copy of the list. The applicant shall provide the department with a list of at least 50% of the contractors from the department's list. (a) the policies, regulations, and laws of the state must be interpreted and administered in accordance with the policies set forth in parts 1 through 3;

(b) all agencies of the state, except the legislature and except as provided in subsection (2), shall:

(i) use a systematic, interdisciplinary approach that will ensure the integrated use of the natural and social sciences and the environmental design arts in planning and in decisionmaking that may have an impact on the human environment;

(ii) identify and develop methods and procedures that will ensure that presently unquantified environmental amenities and values may be given appropriate consideration in decisionmaking, along with economic and technical considerations;

(iii) identify and develop methods and procedures that will ensure that state government actions that may impact the human environment are evaluated for regulatory restrictions on private property, as provided in subsection (1)(b)(iv)(D);

(iv) include in each recommendation or report on proposals for projects, programs, and other major actions of state government significantly affecting the quality of the human environment a detailed statement on:

(A) the environmental impact of the proposed action;

(B) any adverse environmental effects that cannot be avoided if the proposal is implemented;

(C) alternatives to the proposed action;

(D) any regulatory impacts on private property rights, including whether alternatives that reduce, minimize, or eliminate the regulation of private property rights have been analyzed. The analysis in this subsection (1)(b)(iv)(D) need not be prepared if the proposed action does not involve the regulation of private property.

(E) the relationship between local short-term uses of the human environment and the maintenance and enhancement of long-term productivity; and

(F) any irreversible and irretrievable commitments of resources that would be involved in the proposed action if it is implemented;

(v) study, develop, and describe appropriate alternatives to recommend courses of action in any proposal that involves unresolved conflicts concerning alternative uses of available resources;

(b) When new, material, and significant evidence is presented to the district court that had not previously been presented to the agency for its consideration, the district court shall remand the new evidence back to the agency for the agency's consideration and an opportunity to modify its findings of fact and administrative decision before the district court considers the evidence within the administrative record under review. (5) A project sponsor may request a review of the significance determination or recommendation made under subsection (4) by the appropriate board, if any. Section 4. Section 46-14-205, MCA, is amended to read:

"46-14-205. Access to defendant for examination. If either the defendant or the prosecution wishes the defendant to be examined by a qualified psychiatrist, ~~or~~ licensed clinical psychologist, *or advanced practice registered nurse* selected by the one proposing the examination in order to determine the defendant's fitness to proceed or whether the defendant had, at the time the offense was committed, a particular state of mind that is an essential element of the offense, the examiner ~~shall~~ *must* be permitted to have reasonable access to the defendant for the purpose of the examination."

Section 5. Section 46-14-213, MCA, is amended to read:

(1) Upon trial, any psychiatrist, ~~or~~ licensed clinical psychologist, *or advanced practice registered nurse* who reported under 46-14-202 or 46-14-206 may be called as a witness by the prosecutor or by the defense. Both the prosecution and the defense may summon any other qualified psychiatrist, ~~or~~ licensed clinical psychologist, *or advanced practice registered nurse* to testify, but ~~no one~~ *only a person* who has ~~not~~ examined the defendant is competent to testify to an expert opinion with respect to the mental condition of the defendant, as distinguished from the validity of the procedure followed by or the general scientific propositions stated by another witness.

(2) When a psychiatrist, ~~or~~ licensed clinical psychologist, *or advanced practice registered nurse* who has examined the defendant testifies concerning the defendant's mental condition, the psychiatrist, ~~or~~ licensed clinical psychologist, *or advanced practice registered nurse* may make a statement as to the nature of the examination and the medical or psychological diagnosis of the mental condition of the defendant. The expert may make any explanation reasonably serving to clarify the expert's examination and diagnosis, and the expert may be cross-examined as to any matter bearing on the expert's competency or credibility or the validity of the expert's examination or medical or psychological diagnosis. Section 6. Section 46-14-302, MCA, is amended to read:

"46-14-302. Discharge or release upon motion of director. (1) If the director of the department of public health and human services believes that a person committed to the director's custody under 46-14-301 may be discharged or released on condition without danger to the person or others because the person no longer suffers from a mental disease or defect that causes the person to present a substantial risk of serious bodily injury or death to the person or others, a substantial risk of an imminent threat of physical injury to the person or others, or a substantial risk of substantial property damage, the director shall make application for the discharge or release of the person in a report to the district court by which the person was committed unless that court transfers jurisdiction to the court in the district in which the person has been placed and shall send a copy of the application and report to the prosecutor of the county from which the person was committed.

(2) Either the director of the department of public health and human services or the person may also make application to the court for discharge or release as part of the person's annual treatment review.

(3) The court shall then appoint at least one person who is ~~either~~ a qualified psychiatrist, ~~or~~ licensed clinical psychologist, *or advanced practice registered nurse* to examine the person and to report as to the person's mental condition within 60 days or a longer period that the court determines to be necessary for the purpose. To facilitate the examinations and the proceedings on the examinations, the court may have the person confined in any mental health facility located near the place where the court sits that may be designated by the director of the department of public health and human services as suitable for the temporary detention of persons suffering from mental disease or defect.

(4) The committed person or the person's attorney may secure a professional person of the committed person's choice to examine the committed person and to testify at the hearing. If the person wishing to secure the testimony of a professional person is unable to do so because of financial reasons, the court shall appoint an additional professional person to perform the examination. Whenever possible, the court shall allow the committed person or the person's attorney a reasonable choice of an available professional person qualified to perform the requested examination. The professional person must be compensated by the department of public health and human services.

(5) If the court is satisfied by the report filed under subsection (1) and the testimony of the reporting psychiatrist, ~~or~~ licensed clinical psychologist, *or advanced practice registered nurse* that the committed person may be discharged or released on condition because the person no longer suffers from a mental disease or defect that causes the person to present a substantial risk of serious bodily injury or death to the person or others, a substantial risk of an imminent threat of physical injury to the person or others, or a substantial risk of substantial property damage, the court shall order the person's discharge.

(6) (a) If the court is not satisfied, it shall promptly order a hearing to determine whether the person may safely be discharged or released on the grounds that the person no longer suffers from a mental disease or defect that causes the person to present a substantial risk of:

(i) serious bodily injury or death to the person or others;

(ii) an imminent threat of physical injury to the person or others; or

(iii) substantial property damage.

(b) A hearing is considered a civil proceeding, and the burden is upon the state to prove by clear and convincing evidence that the person may not be safely discharged or released because the person continues to suffer from a mental disease or defect that causes the person to present a substantial risk of:

(i) serious bodily injury or death to the person or others;

(ii) an imminent threat of physical injury to the person or others; or

(iii) substantial property damage.

(c) According to the determination of the court upon the hearing, the committed person must then be discharged or released on conditions that the court determines to be necessary or must be recommitted to the custody of the director of the department of public health and human services, subject to discharge or release only in accordance with the procedures provided in ~~this section and~~ 46-14-303 *and this section.*"

Section 7. Section 46-15-323, MCA, is amended to read:

(g) *shall* provide handwriting samples; or

(h) *shall* submit to a reasonable physical or medical inspection; however, the inspection does not include psychiatric or psychological examination.

(2) Within 30 days after the arraignment or at a later time as the court may for good cause permit, the defendant shall provide the prosecutor with a written notice of the defendant's intention to introduce evidence at trial of good character or the defenses of alibi, compulsion, entrapment, justifiable use of force, or mistaken identity.

(3) Within 10 days after receiving a report of the defendant's mental condition from a psychiatrist, ~~or~~ psychologist, *or advanced practice registered nurse* or at a later time as the court may for good cause permit, the defendant shall provide the prosecutor with a written notice of the defendant's intention to introduce evidence at trial of the defense that ~~due to~~ *because of* a mental disease or defect, the defendant did not have a particular state of mind that is an essential element of the offense charged.

(4) The notice must specify for each defense the names and addresses of the persons, other than the defendant, whom the defendant may call as witnesses in support of the defense, together with all written reports or statements made by them, including all reports and statements concerning the results of physical examinations, scientific tests, experiments, or comparisons, except that the defendant need not include a privileged report or statement unless the defendant

intends to use the privileged report or statement, or the witness who made it, at trial.

After the trial commences, no ~~witnesses~~ *witness* may be called by the defendant in support of these defenses unless the name of the witness is included on the list and the witness's report or statement has been disclosed as required by this section, except for good cause shown.

(c) all papers, documents, photographs, and other tangible objects that the defendant may use at trial.

(7) The defendant's obligation under this section extends to material and information within the possession or control of the defendant, defense counsel, and defense counsel's staff or investigators.

(8) Upon motion of the prosecutor showing that the prosecutor has substantial need in the preparation of the case for additional material or information not otherwise provided for, that the prosecutor is unable, without undue hardship, to obtain the substantial equivalent by other means, and that disclosure of the material or information will not violate the defendant's constitutional rights, the court, in its discretion, may order any person to make the material or information available to the prosecutor. The court may, upon request of any person affected by the order, vacate or modify the order if compliance would be unreasonable or oppressive. The defense counsel may not be required to prepare or disclose summaries of witnesses' testimony."

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 2-4-603, MCA, is amended to read:

"**2-4-603. Informal disposition and hearings — waiver of administrative proceedings — recording and use of settlement proceeds.** (1) *(a)* Unless precluded by law, informal disposition may be made of any contested case by stipulation, agreed settlement, consent order, or default.

(b) Unless otherwise provided by law, if a stipulation, agreed settlement, consent order, or default results in a *monetary* settlement involving an agency or the state, ~~the~~ settlement proceeds~~, including cash or other assets, whether received by the state or a third party,~~ must be ~~recorded~~ *deposited* in the account or fund in which the penalty, fine, or other payment would be ~~recorded~~ *deposited* if the contested case had proceeded to final decision. Section 2. Section 17-2-102, MCA, is amended to read:

"**17-2-102. Fund structure.** (1) For the purpose of ensuring strict accountability for all revenue received and spent, there are in the state treasury only the following fund categories and types:

(a) the governmental fund category, which includes:

(i) the general fund, which accounts for all financial resources except those required to be accounted for in another fund;

(ii) the special revenue fund type, which accounts for the proceeds of specific revenue sources (other than expendable trusts or major capital projects) that are legally restricted to expenditure for specified purposes. The financial activities of the special revenue fund type are subdivided, for operational purposes, into the following funds to serve the purpose indicated:

(A) The state special revenue fund consists of money *and other proceeds* from state and other nonfederal sources deposited in the state treasury that is earmarked for the purposes of defraying particular costs of an agency, program, or function of state government and money *and other proceeds* from other nonstate or nonfederal sources that is restricted by law or by the terms of an agreement, such as a contract, trust agreement, or donation.

(B) The federal special revenue fund consists of money deposited in the treasury from federal sources, including trust income, that is used for the operation of state government.

(iii) the capital projects fund type, which accounts for financial resources to be used for the acquisition or construction of major capital facilities, other than those financed by proprietary funds or trust funds; and

(iv) the debt service fund type, which accounts for the accumulation of resources for and the payment of general long-term debt principal and interest;

(b) the proprietary fund category, which includes:

(i) the enterprise fund type, which accounts for operations:

(A) that are financed and operated in a manner similar to private business enterprises whenever the intent of the legislature is that costs (i.e., expenses, including depreciation) of providing goods or services to the general public on a continuing basis are to be financed or recovered primarily through user charges; or

(B) whenever the legislature has decided that periodic determination of revenue earned, expenses incurred, or net income is appropriate for capital maintenance, public policy, management control, accountability, or other purposes; and

(ii) the internal service fund type, which accounts for the financing of goods or services provided by one department or agency to other departments or agencies of state government or to other governmental entities on a cost-reimbursed basis;

(c) the fiduciary fund category, which includes trust and agency fund types used to account for assets held by state government in a trustee capacity or as an agent for individuals, private organizations, other governmental entities, or other funds. These include the:

(i) expendable trust fund type;

(ii) nonexpendable trust fund type;

(iii) investment trust fund type;

(iv) pension trust fund type; and

(v) agency fund type.

(d) the higher education funds, which include:

(i) the current fund, which accounts for money deposited in the state treasury that is used to pay current operating costs relating to instruction, research, public service, and allied support operations and programs conducted within the Montana university system. The financial activities of the current fund are subdivided, for operational purposes, into the four following subfunds to serve the purpose indicated:

(A) The unrestricted subfund segregates that portion of the current fund's financial resources that can be expended for general operations and is free of externally imposed restrictions, except those imposed by the legislature.

(B) The restricted subfund segregates that portion of the current fund's financial resources that can be expended for general operations but only for purposes imposed by sources external to the board of regents and the legislature.

(C) The designated subfund segregates that portion of the current fund's financial resources that is associated with general operations but is separately classified in order to accumulate costs that are to be recharged as allocated to other funds or subfunds, identifies financial activities related to special organized activities of educational departments in which the activity is fully supported by supplemental assessments, and identifies special supply and facility fees that are approved for collections beyond normal course fees and their disposition.

(D) The auxiliary subfund segregates that portion of the current fund's financial resources that is devoted to providing essential on-campus services primarily to students, faculty, or staff wherein a fee, which is directly related to but does not necessarily equal the cost of the service provided, is charged to the consumer.

(ii) the student loan fund, which accounts for money deposited in the state treasury that may be loaned to students, faculty, or staff for purposes related to education, organized research, or public services by the Montana university system;

(iii) the endowment fund, which accounts for money deposited in the state treasury by the Montana university system wherein the principal portion of the amount received is nonexpendable but is available for investment, thus producing consumable income. Expendable earnings on endowment funds are to be transferred to appropriate operating funds pursuant to prevailing administrative requirements.

(iv) the annuity and life income fund, which accounts for money deposited in the state treasury by the Montana university system under an agreement whereby the money is made available on condition that the receiving unit of the

Montana university system binds itself to pay stipulated amounts periodically to the donor or others designated by the donor over a specified period of time;

(v) the plant fund, which accounts for those financial resources allocated to or received by the Montana university system for capital outlay purposes or to retire long-term debts associated with construction or acquisition of fixed assets and the net accumulative results of these activities; and

(vi) the agency fund, which accounts for money deposited in the state treasury wherein the Montana university system acts in the capacity of a custodian or fiscal agent for individual students, faculty, staff, and qualified organizations.

(2) In addition to the funds provided for in subsection (1), there are in the state treasury the following account groups:

(a) the fixed assets account group, which is a self-balancing group of accounts set up to establish accounting control and accountability for the state's general fixed assets, except those accounted for in proprietary funds, trust funds, and the higher education funds designated in subsections (1)(d)(i)(D), (1)(d)(iii), and (1)(d)(v); and

(b) the long-term debt account group, which is a self-balancing group of accounts set up to establish accounting control and accountability for the state's unmatured general long-term liabilities, except those accounted for in proprietary funds, trust funds, and the higher education funds designated in subsections (1)(d)(i)(D), (1)(d)(iii), and (1)(d)(v)."

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 41-3-101, MCA, is amended to read:

"**41-3-101. Declaration of policy.** (1) It is the policy of the state of Montana to:

(a) ensure that all youth are afforded an adequate physical and emotional environment to promote normal development;

(b) compel in proper cases the parent or guardian of a youth to perform the moral and legal duty owed to the youth;

(c) achieve these purposes in a family environment whenever possible;

(d) preserve the unity and welfare of the family whenever possible;

(e) ensure that there is no forced removal of a child from the family based solely on an unsubstantiated allegation of abuse or neglect; and

(f) recognize that a child is entitled to assert the child's constitutional rights.

(2) It is the policy of this state to:

(a) protect, whenever possible, family unity;

(b) provide for the protection of children whose health and welfare are or may be adversely affected and further threatened by the conduct of those responsible for their care and protection;

(c) require a department social worker to interview the parents of a child to which a petition pertains, if they are reasonably available, before the state may file a petition for temporary investigative authority and protective services and to require that a judge may not issue an order granting the petition, except an order for immediate protection of the youth, until the parents, if they are reasonably available, are given the opportunity to appear before the judge or have their statements, if any, presented to the judge for consideration before an order is granted; and

(d) ensure that whenever removal of a child from the home is necessary, the child is entitled to maintain ethnic, cultural, and religious heritage whenever appropriate.

(3) It is intended that the mandatory reporting of abuse or endangerment cases by professional people and other community members to the appropriate authority will cause the protective services of the state to seek to prevent further abuses, protect and enhance the welfare of these children, and preserve family life whenever appropriate.

(4) In implementing ~~the policy of~~ this ~~section~~ *chapter*, whenever it is necessary to remove a child from the child's home, the department shall, when it is in the best interests of the child ~~and when the home is approved by the department, place the child~~, *place the child with the child's noncustodial birth parent or* with the child's extended family, including adult siblings, grandparents, great-grandparents, aunts, and uncles, *when placement with the extended family is approved by the department,* prior to placing the child in an alternative protective or residential facility. Section 8. Section 41-3-402, MCA, is amended to read:

"**41-3-402. Petition for temporary investigative authority and protective services.** (1) In a case in which it appears that a youth is abused or neglected or is in danger of being abused or neglected, the county attorney, the attorney general, or an attorney hired by the county may file a petition for temporary investigative authority and protective services.

(2) A petition for temporary investigative authority and protective services must state the specific authority requested and the facts establishing probable cause that a youth is abused or neglected or is in danger of being abused or neglected.

(3) The petition for temporary investigative authority and protective services must be supported by an affidavit signed by ~~the county attorney, the attorney general, or an attorney hired by the county or must be supported by a~~ *a representative of the* department ~~report~~ stating in detail the facts upon which the request is based. The petition~~,~~ *or* affidavit~~, or report~~ of the department must contain information regarding statements, if any, made by the parents detailing the parents' statement of the facts of the case. Except as provided in 41-3-403, the parents must be given an opportunity to address the court before the court rules on the petition."

Section 9. Section 41-3-403, MCA, is amended to read:

"**41-3-403. Order for immediate protection of ~~youth~~ *child*.** (1) (a) Upon the filing of a petition for temporary investigative authority and protective services, the court, after consideration of the parents' statements, if any, included with the petition and any accompanying affidavit or report to the court, may issue an order granting relief that may be required for the immediate protection of the ~~youth~~ *child*.

(b) The order, along with the petition and supporting documents, must be served pursuant to the Montana Rules of Civil Procedure on the person or persons named in the order. When the ~~youth~~ *child* is placed in a medical facility or protective facility, the department shall notify the parents or parent, guardian, or other person having legal custody of the ~~youth~~ *child*, at the time the placement is made or as soon after placement as possible.

(c) The order must require the person served to comply immediately with the terms of the order and to appear before the court issuing the order on the date specified for a show cause hearing. The show cause hearing must be conducted within 20 days of the issuance of the order by the judge or a master appointed by the judge. The person filing the petition has the burden of presenting evidence establishing probable cause for the issuance of the order. At the show cause hearing, the court shall provide an opportunity for a parent or guardian, if present, and any other person having relevant knowledge to provide relevant testimony. The court may consider all relevant evidence in accordance with the ~~rules of civil procedure~~ *Montana Rules of Evidence* as modified by this part, but may in its discretion limit testimony and evidence to only that which is relevant to the issues of removal from the home and the child's need for continued protection. The court may amend the order. ~~Except as otherwise provided in this part, the rules of civil procedure apply.~~ Hearsay evidence of statements made by the affected ~~youth~~ *child* is admissible at the hearing or at a contested case proceeding held pursuant to Title 2, chapter 4, part 6, that results from adverse licensing action taken by the department.

(d) If the child is not returned home after the show cause hearing, the person served may request that a local citizen review board, if available pursuant to part 10, review the case within 30 days of the show cause hearing and make a recommendation to the district court, as provided in 41-3-1010.

(e) Upon a failure to comply or show cause, the court may hold the person in contempt or place temporary physical custody of the ~~youth~~ *child* with the department until further order.

(2) At the conclusion of a show cause hearing, in an order granting or denying relief, the court shall make a finding regarding the reasonableness of agency efforts to prevent the child's removal from the home or to make it possible to safely return the child to the child's home. In determining preservation or reunification services to be provided and in making reasonable efforts at providing preservation or reunification services, the child's health and safety are of paramount concern. Reasonable efforts to provide preservation or reunification services are not required if the court finds that the parent has:

(a) subjected a child to aggravated circumstances, including but not limited to abandonment, torture, chronic abuse, or sexual abuse or chronic, severe neglect of a child;

(b) committed, aided, abetted, attempted, conspired, or solicited deliberate or mitigated deliberate homicide of a child;

(c) committed aggravated assault against a child;

(d) committed neglect of a child that resulted in serious bodily injury or death; or

(e) had parental rights to the child's sibling or other child of the parent involuntarily terminated and the circumstances related to the termination of parental rights are relevant to the parent's ability to adequately care for the child at issue.

(3) Preservation or reunification services are not required for a putative father, as defined in 42-2-201, if the court makes a finding that the putative father has failed to do any of the following:

(a) contribute to the support of the child for an aggregate period of 1 year, although able to do so;

(b) establish a substantial relationship with the child. A substantial relationship is demonstrated by:

(i) visiting the child at least monthly when physically and financially able to do so; or

(ii) having regular contact with the child or with the person or agency having the care and custody of the child when physically and financially able to do so; and

(iii) manifesting an ability and willingness to assume legal and physical custody of the child if the child was not in the physical custody of the other parent.

(c) register with the putative father registry pursuant to Title 42, chapter 2, part 2, and the person has not been:

(i) adjudicated in Montana to be the father of the child for the purposes of child support; and

(ii) recorded on the child's birth certificate as the child's father.

(4) If the court finds that preservation or reunification services are not necessary pursuant to subsection (2), a permanency hearing must be held within 30 days of that determination and reasonable efforts must be made to place the child in a timely manner in accordance with the permanency plan and to complete whatever steps are necessary to finalize the permanent placement of the child.

(5) If reasonable efforts have been made to prevent removal of a child from the home or to return a child to the child's home but continuation of the efforts is determined by the court to be inconsistent with the permanency plan for the child, the department shall make reasonable efforts to place the child in a timely manner in accordance with the permanency plan and to complete whatever steps are necessary to finalize the permanent placement of the child. Reasonable efforts to place a child permanently for adoption or to make an alternative out-of-home permanent placement may be made concurrently with reasonable efforts to return a child to the child's home. *Concurrent planning may be used.*

(6) The court may grant ~~the following kinds of relief~~ *relief under this section, which does not constitute a court-ordered treatment plan under 41-3-420. The relief may include but is not limited to*:

(a) right of entry by a peace officer or department worker;

(b) medical and psychological evaluation of the ~~youth~~ *child* or parents, guardians, or person having physical or legal custody;

(c) requirement that the ~~youth~~ *child*, parents, guardians, or person having physical or legal custody receive counseling services;

(d) ~~placement of~~ *right to place* the ~~youth~~ *child* in a temporary medical ~~facility or a facility for protection of the youth~~ *or out-of-home care, including but not limited to care provided by a noncustodial parent, kinship or foster family, group home, or institution*;

(e) requirement that the parents, guardian, or other person having physical or legal custody furnish information that the court may designate;

(f) requirement that the perpetrator of the alleged child abuse or neglect be removed from the familial home to allow the child to remain in the home;

(g) requirement that a parent provide the department with the name and address of the other parent, unless the other parent's parental rights to the child have been terminated;

(h) requirement that a parent provide the department with the names and addresses of extended family members who may be considered as placement options for the child who is the subject of the proceeding;

~~(f)~~*(i)* inquiry into the financial ability of the parents, guardian, or other person having custody of the ~~youth~~ *child* to contribute to the costs for the care, custody, and treatment of the ~~youth~~ *child* and requirement of a contribution for those costs pursuant to the requirements of 41-3-411; or

~~(g)~~*(j)* other temporary disposition that may be required in the best interests of the ~~youth~~ *child* that does not require an expenditure of money by the department unless the department is notified and a court hearing is set in a timely manner on the proposed expenditure. The department is the payor of last resort after all family, insurance, and other resources have been examined.

(7) An order for temporary investigative authority and protective services may not be issued for a period longer than 90 days following the show cause hearing ~~and must be limited to one extension of 90 days~~. Before the expiration of the time provided for in an order for temporary investigative authority and protective services, the county attorney, the attorney general, or an attorney hired by the county shall file a petition for one of the following:

(a) limited emancipation;

(b) temporary legal custody;

(c) termination of the parent-child legal relationship and permanent legal custody with the right to consent to adoption; or

(d) dismissal.

(8) Notwithstanding the above time limits, the court may continue an order for temporary investigative authority pending a hearing on a petition provided for in subsection (7).

(9) If the time limitations of this section are not met, the court shall review the reasons for the failure and order an appropriate remedy that considers the best interests of the child."

Section 10. Section 41-3-404, MCA, is amended to read:

"**41-3-404. Adjudicatory hearing — temporary disposition.** (1) In the adjudicatory hearing on a petition under 41-3-401, the court shall determine by a preponderance of the evidence whether the youth is a youth in need of care and ascertain, as far as possible, the cause.

(2) The court shall hear evidence regarding the residence of the youth, the whereabouts of the parents, guardian, or nearest adult relative, and any other matters the court considers relevant in determining the status of the youth. *Hearsay evidence of statements made by the youth is admissible according to the Montana Rules of Evidence.*

(3) In all civil and criminal proceedings relating to abuse or neglect, the privileges related to the examination or treatment of the child do not apply, except the attorney-client privilege granted by 26-1-803 and the mediation privilege granted by 26-1-813.

(4) (a) If the court determines that the youth is not an abused or neglected child, the petition must be dismissed and any order made pursuant to 41-3-403 must be vacated.

(b) If the youth is adjudicated a youth in need of care, the court shall set a date for a dispositional hearing to be conducted within 30 days and order any necessary or required investigations. The court may issue a temporary dispositional order pending the dispositional hearing. The temporary dispositional order may provide for any of the forms of relief listed in 41-3-403(6)."

Section 11. Section 41-3-406, MCA, is amended to read:

"**41-3-406. Dispositional hearing — temporary legal custody.** (1) If a ~~youth~~ *child* is found to be a youth in need of care under 41-3-404, the court may enter its judgment, making any of the following dispositions to protect the welfare of the ~~youth~~ *child*:

(a) permit the ~~youth~~ *child* to remain with the ~~youth's~~ *child's* parent or guardian, subject to those conditions and limitations the court may prescribe;

(b) grant an order of limited emancipation to a ~~youth~~ *child* who is 16 years of age or older, as provided in 41-3-408;

(iii) a relative or other individual who is recommended by the department or a licensed child-placing agency designated by the court and who is found by the court to be qualified to receive and care for the ~~youth~~ *child*;

(d) order a party to the action to do what is necessary to give effect to the final disposition, including undertaking medical and psychological evaluations, treatment, and counseling that does not require an expenditure of money by the department unless the department ~~is notified and a court hearing is set in a timely manner on the proposed expenditure~~ *consents and informs the court that resources are available for payment.* The department is the payor of last resort after all family, insurance, and other resources have been examined.

(e) order further care and treatment as the court considers in the best interests of the child that does not require an expenditure of money by the department unless the department ~~is notified and a court hearing is set in a timely manner on the proposed expenditure~~ *consents and informs the court that resources are available for the proposed care and treatment.* The department is the payor of last resort after all family, insurance, and other resources have been examined pursuant to 41-3-411.

(2) To grant temporary legal custody, the court shall make a finding that:

(a) dismissing the petition would create a substantial risk of harm to the child or detriment to the child's physical or psychological well-being; and

(b) unless there is a finding that reasonable efforts are not required pursuant to 41-3-403, reasonable services have been provided to the parent or guardian to prevent the removal of the child from the home or to make it possible for the child to safely return home.

(3) If reasonable efforts have been made to prevent removal of a child from the home or to return a child to the child's home but continuation of the efforts is determined by the court to be inconsistent with permanency for the child, the department shall make reasonable efforts to place the child in a timely manner in accordance with a permanent plan and to complete whatever steps are necessary to finalize the permanent placement of the child.

(4) If the court finds that reasonable efforts are not necessary pursuant to subsection (2) or (3), a permanency *plan* hearing must be held within 30 days of that determination and reasonable efforts must be made to place the child in a timely manner in accordance with the permanency plan and to complete whatever steps are necessary to finalize the permanent placement of the child.

(5) An order for temporary legal custody may be in effect for no longer than 6 months. Before the expiration of the order for temporary legal custody, the county attorney, the attorney general, or an attorney hired by the county shall petition for one of the following:

(a) an extension of temporary legal custody, not to exceed a total of 6 months, upon a showing that additional time is necessary for the parent or guardian to successfully complete a treatment plan;

(6) The court may continue an order for temporary legal custody pending a hearing on a petition provided for in subsection (5).

(7) If an extension of temporary legal custody is granted to the department *under subsection (5)(a),* the court shall state the reasons why the child was not returned home and the conditions upon which the child may be returned home *and must specifically find that an extension is in the child's best interests.*

(8) If the time limitations of this section are not met, the court shall review the reasons for the failure and order an appropriate remedy that considers the best interests of the child."

Section 12. Section 41-3-411, MCA, is amended to read:

"41-3-411. Contributions by parents or guardians for youth's care. (1) If *physical or legal* custody of the youth is transferred to the department, the court shall examine the financial ability of the youth's parents or guardians to pay a contribution covering all or part of the costs for the care, custody, and treatment of the youth, including the costs of necessary medical, dental, and other health care.

(2) If the court determines that the youth's parents or guardians are financially able to pay a contribution as provided in subsection (1), the court shall order the youth's parent or guardian to pay an amount based on the uniform child support guidelines adopted by the department of public health and human services pursuant to 40-5-209.

(3) (a) Except as provided in subsection (3)(b), contributions ordered under this section and each modification of an existing order are enforceable by immediate or delinquency income withholding, or both, under Title 40, chapter 5, part 4. An order for a contribution that is inconsistent with this section is nevertheless subject to withholding for the payment of the contribution without need for an amendment of the support order or for any further action by the court.

(b) A court-ordered exception from contributions under this section must be in writing and must be included in the order. An exception from the immediate income withholding requirement may be granted if the court finds that there is:

(i) good cause not to require immediate income withholding; or

(ii) an alternative arrangement between the department and the person who is ordered to pay contributions.

(c) A finding of good cause not to require immediate income withholding must, at a minimum, be based upon:

(i) a written determination and explanation by the court of the reasons why the implementation of immediate income withholding is not in the best interests of the child; and

(ii) proof of timely payment of previously ordered support in cases involving modification of contributions ordered under this section.

(d) An alternative arrangement must:

(i) provide sufficient security to ensure compliance with the arrangement;

(ii) be in writing and be signed by a representative of the department and the person required to make contributions; and

(iii) if approved by the court, be entered into the record of the proceeding.

(4) Upon a showing of a change in the financial ability of the youth's parent or guardian to pay, the court may modify its order for the payment of contributions required under subsection (2).

(5) (a) If the court orders the payment of contributions under this section, the department shall apply to the department of public health and human services for support enforcement services pursuant to Title IV-D of the Social Security Act.

(b) The department of public health and human services may collect and enforce a contribution order under this section by any means available under law, including the remedies provided for in Title 40, chapter 5, parts 2 and 4."

Section 13. Section 41-3-412, MCA, is amended to read:

"**41-3-412. Permanency plan hearing.** (1) A permanency plan hearing must be held by the court no later than 12 months after the initial court finding that the child has been subjected to abuse or neglect or 12 months after the child's first 60 days of removal from the home, whichever comes first, unless the proceeding has been dismissed, the child was not removed from the home, or the child has been returned to the child's parent or guardian. The permanency plan hearing may be combined with a hearing that is required in other sections of this part if held within the time limits of that section. If a permanency plan hearing is combined with another hearing, the requirements of the court related to the disposition of the other hearing must be met in addition to the requirements of this section.

(2) At least 3 days prior to the permanency plan hearing, the department and the guardian ad litem shall each submit a report regarding the child to the court for review. The report must contain the:

(d) plan for permanency for the child, including specific times for achieving the plan.

(3) At least 3 days prior to the permanency plan hearing, an attorney or advocate for a parent or guardian may submit an informational report to the court for review.

(4) If the court finds that the permanency plan is in the best interests of the child, the court shall order the department to take whatever steps are necessary to effectuate the terms of the plan, including returning the child safely to the child's home, and shall order the county attorney, the attorney general, or an attorney hired by the county to file any necessary petition to implement the plan with the court within 30 days after the present hearing unless a petition has already been filed.

(5) In its discretion, the court may enter any other order that it determines to be in the best interests of the child that does not conflict with the provisions in subsection (6) and that does not require an expenditure of money by the department unless the department is notified and a court hearing is set in a timely manner on the proposed expenditure. The department is the payor of last resort after all family, insurance, and other resources have been examined.

(6) If the permanency plan hearing results in a finding that reunification of the child with the child's parent or guardian is not in the best interests of the child, a subsequent petition filed must be one of the following:

(a) termination of parental rights if the applicable requirements to terminate parental rights have been met;

(b) appointment of a guardian pursuant to 41-3-421; or

(c) ~~long-term custody~~ *a planned permanent living arrangement* ~~of~~*for* a child if the evidence demonstrates by a preponderance of the evidence, which is reflected in specific findings by the court, that:

(i) the child is being cared for by a fit and willing relative;

~~(ii)~~*(iii)* the child is at least 16 years of age and is participating in an independent living program and that termination of parental rights is not in the best interests of the child;

~~(iii)~~*(iv)* the child's parent is incarcerated and circumstances, including placement of the child and continued, frequent contact with the parent, indicate that it would not be in the best interests of the child to terminate parental rights of that parent;

~~(iv)~~*(v)* the child is in a group of siblings, at least one of whom meets the requirements of subsections (6)(c)(v)(A) through (6)(c)(v)(D), and the best interests of the child will be met by continued placement in the sibling group in ~~long-term foster care~~ *a planned permanent living arrangement*; or

~~(v)~~*(vi)* the child ~~is at least 12 years of age and~~ meets the following criteria:

(A) the child has been adjudicated a youth in need of care;

(B) the department has made reasonable efforts to reunite the parent and child, further efforts by the department would likely be unproductive, and reunification of the child with the parent or guardian would be contrary to the best interests of the child;

(C) a judicial finding has been made that other more permanent options are not appropriate or are not in the best interests of the child;

~~(C)~~*(D)* termination of parental rights to the child is not in the child's best interests; and

~~(D)~~*(E)* the child has been in a placement in which the foster parent has committed to the long-term care and to a relationship with the child, and it is in the best interests of the child to remain in that placement.

(7) The court may terminate ~~long-term custody~~ *a planned permanent living arrangement* upon petition of the birth parents or the department if the court finds that the circumstances of the child or family have substantially changed and the best interests of the child are no longer being served."

"**41-3-413. Review hearing.** Within 12 months of a finding that reunification is not in the best interests of the child *and every 12 months thereafter until the permanent placement of the child is finalized*, the court shall make additional findings regarding the department's reasonable efforts to make and finalize a permanent placement for the child."

"**41-3-420. Treatment plan — contents — changes.** (1) ~~Upon the stipulation of the parties or upon a judicial finding that a child is a youth in need of care, the~~ *The* court may order a treatment plan *if:*

(b) the court has made an adjudication under 41-3-404 that the child is a youth in need of care.

(2) Every treatment plan must contain the following information:

(a) the identification of the problems or conditions that resulted in the abuse or neglect of a child;

(b) the treatment goals and objectives for each condition or requirement established in the plan. If the child has been removed from the home, the treatment plan must include but is not limited to the conditions or requirements that must be established for the safe return of the child to the family.

(c) the projected time necessary to complete each of the treatment objectives;

(d) the specific treatment objectives that clearly identify the separate roles and responsibilities of all parties addressed in the treatment plan; and

(e) the signature of the parent or parents or guardian, unless the plan is ordered by the court.

(f) the requirement that the child be placed in a temporary medical facility or a facility for protection of the youth;

(g) the requirement that the parent, guardian, or other person having physical or legal custody furnish services that the court may designate.

(4) A treatment plan may not be altered, amended, continued, or terminated without the approval of the parent or parents or guardian pursuant to a stipulation and order or order of the court."

Section 16. Section 41-3-604, MCA, is amended to read:

"**41-3-604. When petition to terminate parental rights required.** (1) If a child has been in foster care under the *physical* custody of the state for 15 months of the most recent 22 months, the best interests of the child must be presumed to be served by termination of parental rights. If a child has been in foster care for 15 months of the most recent 22 months or if the court has found that reasonable efforts to preserve or reunify a child with the child's parent or guardian are not required pursuant to 41-3-403, a petition to terminate parental rights must be filed unless:

(a) the child is being cared for by a relative;

(b) the department has not provided the services considered necessary for the safe return of the child to the child's home; or

(c) the department has documented a compelling reason, available for court review, for determining that filing a petition to terminate parental rights would not be in the best interests of the child.

(2) Compelling reasons for not filing a petition to terminate parental rights include but are not limited to the following:

(a) There are insufficient grounds for filing a petition.

(b) There is adequate documentation that termination of parental rights is not the appropriate plan and not in the best interests of the child.

(3) If a child has been in foster care for 15 months of the most recent 22 months and a petition to terminate parental rights regarding that child has not been filed with the court, the department shall file a report to the court or review panel at least 3 days prior to the next hearing or review detailing the reasons that the petition was not filed.

(4) If a hearing results in a finding of abandonment or that the parent has subjected the child to any of the circumstances listed in 41-3-403(2)(a) through (2)(e) and that reasonable efforts to provide preservation or reunification are not necessary, unless there is an exception made pursuant to subsections (1)(a) through (1)(c) of this section, a petition to terminate parental rights must be filed within 60 days of the finding.

(5) If an exception in subsections (1)(a) through (1)(c) of this section applies, a petition for an extension of temporary legal custody pursuant to 41-3-406, a petition for a planned permanent living arrangement pursuant to 41-3-412, or a petition to dismiss must be filed."

"**2-18-711. Cooperative purchasing of employee benefit services and insurance products — procedures.** (1) To provide employee group benefits, an agency, as defined in 2-18-601, *and the state compensation insurance fund* may participate with other agencies, nonprofit organizations, or business entities and in voluntary disability insurance purchasing pools provided for under 33-22-1815 if the agency *or the state fund* determines that cooperative purchasing is in the agency's *or the state fund's* best interest.

Section 7. Section 39-71-2311, MCA, is amended to read:

"**39-71-2311. Intent and purpose of plan** — ***expense constant defined.*** *(1)* It is the intent and purpose of the state fund to allow employers an option to insure their liability for workers' compensation and occupational disease coverage with the state fund. The state fund must be neither more nor less than self-supporting. Premium rates must be set at least annually at a level sufficient to ensure the adequate funding of the insurance program, including the costs of administration, benefits, and adequate reserves, during and at the end of the period for which the rates will be in effect. In determining premium rates, the state fund shall make every effort to adequately predict future costs. When the costs of a factor influencing rates are unclear and difficult to predict, the state fund shall use a prediction calculated to be more than likely to cover those costs rather than less than likely to cover those costs. Unnecessary surpluses that are created by the imposition of premiums found to have been set higher than necessary because of a high estimate of the cost of a factor or factors may be refunded by the declaration of a dividend as provided in this part. For the purpose of keeping the state fund solvent, ~~the state fund shall implement variable pricing levels as provided in 39-71-2341 and~~ the board of directors may *implement multiple rating tiers as provided in 39-71-2330 and may*~~, in its discretion,~~ assess a ~~policy charge~~ *an expense constant*, a minimum premium, or both.

(2) As used in this section, "expense constant" means a premium charge applied to each workers' compensation policy to pay expenses related to issuing, servicing, maintaining, recording, and auditing the policy."

Section 8. Section 39-71-2316, MCA, is amended to read:

"**39-71-2316. Powers of state fund.** For the purposes of carrying out its functions, the state fund may:

(1) insure any employer for workers' compensation and occupational disease liability as the coverage is required by the laws of this state and, as part of the

coverage, provide related employers' liability insurance upon approval of the board;

(2) sue and be sued;

(3) except as provided in section 21, Chapter 4, Special Laws of May 1990, enter into contracts relating to the administration of the state fund, including claims management, servicing, and payment;

(4) collect and disburse money received;

(5) adopt classifications and charge premiums for the classifications so that the state fund will be neither more nor less than self-supporting. Premium rates for classifications may only be adopted and changed using a process, a procedure, formulas, and factors set forth in rules adopted under Title 2, chapter 4, parts 2 through 4. After the rules have been adopted, the state fund need not follow the rulemaking provisions of Title 2, chapter 4, when changing classifications and premium rates. The contested case rights and provisions of Title 2, chapter 4, do not apply to an employer's classification or premium rate. The state fund is required to belong to a licensed workers' compensation advisory organization or a licensed workers' compensation rating organization under Title 33, chapter 16, part 4, and may use the classifications of employment adopted by the designated workers' compensation advisory organization, as provided in Title 33, chapter 16, part 10, and corresponding rates as a basis for setting its own rates. Except as provided in Title 33, chapter 16, part 10, a workers' compensation advisory organization or a licensed workers' compensation rating organization under Title 33, chapter 16, part 4, or other person may not, without first obtaining the written permission of the employer, use, sell, or distribute an employer's specific payroll or loss information, including but not limited to experience modification factors.

(6) pay the amounts determined *to be* due under a policy of insurance issued by the state fund;

(7) hire personnel;

(8) declare dividends if there is an excess of assets over liabilities. However, dividends may not be paid until adequate actuarially determined reserves are set aside.

(9) adopt and implement one or more alternative personal leave plans pursuant to [section 1];

~~(9)~~*(10)* upon approval of the board, contract with licensed resident insurance producers;

~~(10)~~*(11)* upon approval of the board, enter into agreements with licensed workers' compensation insurers, insurance associations, or insurance producers to provide workers' compensation coverage in other states to Montana-domiciled employers insured with the state fund;

(12) upon approval of the board, expend funds for scholarship, educational, or charitable purposes;

(13) upon approval of the board, including terms and conditions, provide employers coverage under the federal Longshore and Harbor Workers' Compensation Act (33 U.S.C. 901, et seq.) the federal Merchant Marine Act, 1920 (Jones Act, 46 U.S.C. 688), and the federal Employers' Liability Act (45 U.S.C. 51, et seq.);

~~(11)~~*(14)* perform all functions and exercise all powers of a private insurance carrier that are necessary, appropriate, or convenient for the administration of the state fund."

Section 9. Section 39-71-2330, MCA, is amended to read:

"39-71-2330. Rate setting — surplus — *multiple rating tiers.* (1) The board has the authority to establish the rates to be charged by the state fund for insurance. The board shall engage the services of an independent actuary who is a member in good standing with the American academy of actuaries to develop and recommend actuarially sound rates. Rates must be set at amounts sufficient, when invested, to carry the estimated cost of all claims to maturity, to meet the reasonable expenses of conducting the business of the state fund, and to amass and maintain an excess of surplus over the amount produced by the national association of insurance commissioners' risk-based capital requirements for a casualty insurer.

(2) Because surplus is desirable in the insurance business, the board shall annually determine the level of surplus that must be maintained by the state fund pursuant to this section, but shall maintain a minimum surplus of 25% of annual earned premium. The state fund shall use the amount of the surplus above the risk-based capital requirements to secure the state fund against various risks inherent in or affecting the business of insurance and not accounted for or only partially measured by the risk-based capital requirements.

(3) The board may implement multiple rating tiers for classifications that take into consideration losses, premium size, and other factors relevant in placing an employer within a rating tier."

Section 10. Section 39-71-2363, MCA, is amended to read:

"39-71-2363. Agency law — submission of budget — annual report. (1) The state fund is subject to state laws applying to state agencies, except as otherwise provided by law, and it is exempt from the provisions of The Legislative Finance Act in Title 5, chapter 12, and the provisions of Title 17, chapter 7, parts 1 through 4. The state fund may use the debt collection procedures provided in Title 17, chapter 4, part 1.

(2) (a) Except as provided in 2-15-2015, the executive director shall annually submit to the board for its approval an estimated budget of the entire expense of administering the state fund for the succeeding fiscal year, with due regard to the business interests and contract obligations of the state fund. ~~The administrative expenditures approved by the board may not exceed 15% of the earned annual premium of the prior fiscal year.~~ A copy of the approved budget must be delivered to the governor and the legislature.

~~(b) The board may approve administrative expenditures in excess of 15% of the earned annual premium of the prior fiscal year, but the excess amount approved may not exceed one-half of the investment income earned in the prior fiscal year.~~

~~(c)~~*(b)* Upon approval of the estimated budget for the succeeding fiscal year, the state fund shall, no later than October 1 of each year, submit the approved annual budget for review to the legislative finance committee established under 5-12-201.

~~(d)~~*(c)* Dividends may not be included as administrative expenditures as provided in subsection (2)(a), but are a disbursement of excess surplus pursuant to 39-71-2323 after a determination by the state fund of income from operations.

(3) The board shall submit an annual financial report to the governor and to the legislature as provided in 5-11-210, indicating the business done by the state fund during the previous year and containing a statement of the estimated liabilities of the state fund as determined by an independent actuary."

Section 11. Repealer. Section 39-71-2341, MCA, is repealed.

Section 12. Report to legislative committee. Prior to the 2003 legislative session, the state compensation insurance fund shall report on the development of its alternative personal leave plan to the state administration, public retirement systems, and veterans' affairs interim committee.

Section 13. Codification instruction. [Section 1] is intended to be codified as an integral part of Title 39, chapter 71, part 23, and the provisions of Title 39, chapter 71, part 23, apply to [section 1].

Section 14. Effective dates. (1) Except as provided in subsections (2) and (3), [this act] is effective on passage and approval.

(2) [Sections 1 through 5 and 8] are effective July 1, 2001.

(3) [Sections 7, 9, and 11] are effective July 1, 2002.

CHAPTER NO. 317

[SB 168]

AN ACT INCREASING THE JUNK VEHICLE DISPOSAL FEES ON PASSENGER CARS AND TRUCKS UNDER 8,001 POUNDS; INCREASING THE ANNUAL LICENSE FEE FOR MOTOR VEHICLE WRECKING FACILITIES; PROVIDING SUPPLEMENTAL REVENUE TO THE STATE MOTOR VEHICLE RECYCLING AND DISPOSAL PROGRAM TO OFFSET REVENUE LOSSES; AMENDING SECTIONS 61-3-508, 75-10-511, AND 75-10-532, MCA; AND PROVIDING A DELAYED EFFECTIVE DATE.

WHEREAS, at the end of fiscal year 2000, the junk vehicle fund administered by the department of environmental quality was reduced to its lowest level since 1980 and was only 65% of its 1998 value; and

WHEREAS, a declining international market price for scrap steel has reduced revenues that the department received for vehicles recycled through the program by 63% over the last 2 years; and

WHEREAS, almost $900,000 of the $1.1 million dollar junk vehicle program budget is provided to counties for the control and removal of junk vehicles in their jurisdictions; and

WHEREAS, without increases in the junk vehicle disposal fees and the annual license fees for motor vehicle wrecking facilities, the department will have insufficient revenue to fully support county program grants, resulting in the counties' decreased ability to pay for the control and removal of junk vehicles; and

WHEREAS, insufficient funding to allow the counties to control and remove junk vehicles is likely to cause impairment of scenic values and an increased risk of contamination to the environment.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 61-3-508, MCA, is amended to read:

"61-3-508. Junk vehicle disposal fee. An additional special junk vehicle disposal fee must be assessed in the amount of ~~50 cents~~ *$1* on each passenger car and truck under 8,001 pounds GVW registered for licensing. *Fifteen cents of the $1 special junk vehicle disposal fee must be used for the purpose of reimbursing the hired removal of abandoned vehicles during the calendar year following the calendar year in which the fee was paid. Any portion of the 15 cents not used for abandoned vehicle removal reimbursement during the calendar year following its payment must be used as provided in 75-10-532.* The fees must be collected by the county treasurer. However, the following are exempt from payment of the fees:

(1) vehicles leased or owned by the state or by a county or municipality;

(2) vehicles used for transportation by nonresident, migratory workers temporarily employed in agricultural work in this state;

(3) vehicles displaying dealer's or wholesaler's plates while owned by a dealer or wholesaler; and

(3) An annual fee of ~~$50 shall~~ *$100 must* be paid to the department for the license. *The fee may be* ~~or~~ quarterly prorated for new facilities.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 87-2-106, MCA, is amended to read:

"87-2-106. Application for license — penalties for violation — forfeiture of privileges. (1) A license may be procured from the director, a warden, or an authorized agent of the director. The applicant shall state the applicant's name, age, [social security number,] occupation, street address of permanent residence, mailing address, qualifying length of time as a resident in the state of Montana, and status as a citizen of the United States or as an alien and other facts, data, or descriptions as may be required by the department. (6) It is unlawful to subscribe to any statement, on an application or license, that is materially false. Any material false statement contained in an application renders the license issued pursuant to it void. A person violating any provision of this subsection is guilty of a misdemeanor.

(7) (a) A person not meeting the residency criteria set out in 87-2-102 who is convicted of affirming to a false statement to obtain a resident license shall be:

It is the applicant's burden to provide documentation establishing the applicant's identity and qualifications to purchase a wildlife conservation license. It is unlawful and a misdemeanor for a license agent to sell a wildlife conservation license to an applicant who fails to produce the required identification at the time of application for licensure.

(2) Hunting, fishing, or trapping licenses issued in a form determined by the department must be recorded according to rules that the department may prescribe.

(3) (a) Resident wildlife conservation licenses may be purchased for a fee of $4.

(b) Nonresident wildlife conservation licenses may be purchased for a fee of $5.

(a) issue permits when it is found on the basis of the information set forth in the application and an evaluation of the operation by the department that the requirements of ~~the~~ *this* part ~~or~~ *and* rules *adopted to implement this part* will be observed and that the operation and the reclamation of the affected area can be carried out consistently with the purpose of ~~the~~ *this* part;

(b) amend permits in accordance with the provisions of [section 5];

Section 3. Section 82-4-432, MCA, is amended to read:

"**82-4-432. Application for permit — contents — issuance — amendment.** (1) Applications for a permit must be made upon a form furnished by the department. The form must contain the following:

(a) the name of the operator and, if other than the owner of the land, the name and address of the owner;

(b) the type of operation to be conducted;

(c) the volume of earth to be removed, as accurately as the volume may then be estimated, and the volume that has been previously removed, if any;

(d) the location of the operation by legal subdivision, section, township and range, and county;

(e) the date when the operation was or will be commenced; and

(f) a statement that the applicant has the right and power, by legal estate owned, to mine, by opencut mining, the lands described.

(2) The application must be accompanied by:

(b) a fee of $50 for an application to mine bentonite, clay, scoria, sand, or gravel;

(c) a statement from the local governing body having jurisdiction over the area to be mined certifying that a proposed sand and gravel opencut mine and its operating and reclamation plans comply with applicable local zoning regulations adopted under Title 76, chapter 2; and

(d) the operator's plan of operation and a complete reclamation plan.

(3) If, prior to applying for a permit, a person notifies the department of the intention to submit an application and requests the department to examine the area to be mined, the department shall cause the area to be examined and make recommendations to the person regarding reclamation. The person may request a meeting with the department. The department shall hold a meeting if requested.

(4) Upon receipt of ~~a complete~~ *an* application containing all items listed in subsections (1) and (2), the department shall, within ~~30~~ *15* days, notify the person *whether or not the department believes that the application is complete. (6) An operator may withdraw any land covered by a permit, except affected land, by notifying the department of the withdrawal, in which case the penalty of the bond or security filed by the operator pursuant to the provisions of this part must be reduced proportionately."

Section 4. Section 82-4-434, MCA, is amended to read:

"**82-4-434. Reclamation plan part of permit — requirements.** The reclamation plan must meet the following requirements:

(1) The department shall submit each reclamation plan or *operator-proposed* amendments to the reclamation plan to the landowner for recommendations and shall consider those recommendations in deciding whether to approve or disapprove any plan or *operator-proposed* amendments. The department may seek technical help from any state or federal agency. The department shall submit the plan immediately to the state historic preservation office for evaluation of possible archaeological or historical values in the area to be mined. The department may approve a reclamation plan only if the department has found that the plan provides for the best possible reclamation under the circumstances at the time, so that after mining operations are completed, the affected land will be reclaimed to a productive use. Once the reclamation plan is accepted, in writing, by the department, ~~it~~ *the plan* must become a part of the permit but is subject to annual review and modification by the department. *Any modification by the department must comply with the provisions of [section 5(2)].*

(2) The department may not approve a reclamation plan or a plan of operations unless the plans provide:

(a) that the land will be reclaimed for one or more specified uses, including but not limited to forest, pasture, orchard, cropland, residence, recreation, industry, ~~and~~ habitat for wildlife, including food, cover, or water, or other uses;

(b) that to the extent reasonable and practicable, the operator will establish vegetative cover commensurate with the proposed land use;

(c) whenever operations result in a need to prevent acid drainage or sedimentation on or in adjoining lands or streams, for the construction of earth dams or other reasonable devices to control water drainage, provided the formation of the impoundments or devices will not interfere with other landowners' rights or contribute to water pollution;

(d) that to accomplish practical utilization of soil materials, the material will be salvaged and utilized for placement on affected areas, if required by the reclamation plan after completion or termination of that particular phase of the mining operations, at a depth sufficient for plant growth on slopes of 3:1 or less. The depth of soil materials to be placed on the reclaimed area must be specified in the plan.

(e) that grading will be commensurate with the topography sought and land use designated;

(f) that metal and other waste will be removed or buried;

(g) that all access, haul, and other support roads will be located, constructed, and maintained in such a manner as to control and minimize channeling and other erosion;

(h) that the operator will submit a progress report annually to the department;

(i) that all operations will be conducted to avoid range and forest fires and spontaneous combustion and that open burning of carbonaceous materials will be in accordance with suitable practices for fire prevention and control;

(j) that archaeological and historical values in areas to be mined will be given appropriate protection;

(k) that except for those postmine land uses that do not require vegetation, each surface area of the mined premises that will be disturbed will be revegetated when its use for extractive purposes is no longer required;

(l) that seeding and planting will be done in a manner to achieve a permanent vegetative cover that is suitable for the postmine land use and that retards erosion and that all seed will be drilled unless otherwise provided in the plan;

(m) that reclamation will be as concurrent with mining operations as feasible and will be completed within a specified length of time;

(n) that surface water and ground water will be given appropriate protection, consistent with state law, from deterioration of water quality and quantity that may arise as a result of the operation;

(o) that noise and visual impacts on residential areas will be minimized to the degree practicable through berms, vegetation screens, and reasonable limits on hours of operation; and

(p) that any additional procedures that are necessary, consistent with the purposes of this part, to prevent significant physical harm to the affected land or adjacent land, structures, improvements, or life forms will be implemented.

(3) If reclamation according to the plan has not been completed in the time specified, the department, after 30 days' written notice, shall order the operator to cease mining and, if the operator does not cease, may issue an order to reclaim, a notice of violation, or an order of abatement or may institute an action to enjoin further operation and may sue for damages for breach of the conditions of the permit, for payment of the performance bond, or for both.

(4) (a) At any time during the term of the permit, the operator may for good reason submit to the department a new reclamation plan or amendments to the existing plan, including extensions of time.

(b) The department may approve the proposed new reclamation plan or amendments to the existing plan if:

(i) the operator has in good faith carried on reclamation according to the existing plan and the proposed new plan or amendments to the existing plan will result in reclamation as or more desirable than the reclamation proposed under the existing plan; or

(ii) it is highly improbable reclamation will be successful unless the existing plan is replaced or amended.

(c) When accepted, the proposed new reclamation plan or the proposed amendments to the existing plan become a part of the permit.

(5) The operator shall provide a performance bond or an alternative acceptable to the department in an amount commensurate with the estimated cost of reclamation, but in no case may the bond be less than $200 an acre. The estimated cost of reclamation must be set forth in the reclamation plan.

(6) The permit, reclamation plan, and amendments accepted by the department are a public record and are open to inspection.

(7) The permit is effective when signed by the department and the operator and remains in force until terminated by mutual consent or by the department upon 6 months' notice."

Section 5. Plan amendments. (1) Unless an amendment to a plan of operation, reclamation plan, or other permit is proposed by the operator, the department may modify only the terms of a plan or permit in compliance with this section.

(2) If the department believes, based on credible evidence, that continued operation under the terms of an existing plan or permit would violate a substantive numerical or narrative state standard or regulation or otherwise violate a purpose of this part, it may propose to the operator an amendment to the plan or permit.

(3) The department shall notify the operator of the proposed amendment in writing. The notice must include:

(a) an identification of the existing plan or permit;

(b) the justification for the amendment, including all test results or other credible evidence that the department relied on in proposing the amendment; and

(c) the text of the proposed amendment.

(4) The operator may, within 15 days of receipt of the department's amendment notice, request a review of the amendment by the department director. The amendment is not effective or enforceable until 15 days following the issuance of the department's amendment notice or until after the department director affirms or modifies the amendment if a review by the director is requested. A decision by the department director is subject to the contested case provisions of the Montana Administrative Procedure Act, provided for in Title 2, chapter 4, parts 6 and 7.

(5) If the operator does not appeal the proposed amendment, the amendment becomes effective and enforceable 15 days after the operator receives the notification.

Section 6. Section 82-4-441, MCA, is amended to read:

"82-4-441. Penalty — enforcement. (1) The department may assess against a person who violates any of the provisions of this part, rules adopted under this part, or provisions of a reclamation permit:

(a) a civil penalty of not less than $100 or more than $1,000 for the violation; and

(b) an additional civil penalty of not less than $100 or more than $1,000 for each day during which a violation continues following the service of notice of the violation.

(2) The department shall take into account the following factors in determining whether to institute a civil penalty action and in determining the penalty amount:

(a) the nature, circumstances, extent, and gravity of the violation;

(b) the violator's prior history of violations *within the past 3 years*;

(c) the economic benefit or savings, if any, to the violator resulting from the violator's action;

(d) the amounts voluntarily expended by the violator to address or mitigate the violation or impacts of the violation; and

(e) other matters that justice may require *to decrease the amount of penalty*.

(3) The department shall notify the person or operator of the violation. The person or operator is entitled, by filing a written request within 20 days of receipt of the notice of violation, to a hearing on the issues of whether the alleged violation has occurred and whether the penalty proposed to be imposed is proper. The department shall issue a statement of proposed penalty, *including the penalty calculation that identifies and describes the factors considered pursuant to subsection (2),* no more than 10 days after notice of violation. After the hearing or after the time for requesting a hearing has expired, the department shall make findings of fact, issue a written decision as to the occurrence of the violation and the amount of penalty warranted, and order the payment of a penalty in that amount. The person or operator shall remit the amount of the penalty within 30 days of the order. If the person or operator wishes to obtain judicial review of the assessment, the person or operator shall submit with the penalty a statement that the penalty is being paid under protest and the department shall hold the payment in escrow until judicial review is complete. A person or operator who fails to request and submit testimony at the hearing provided for in this subsection or who fails to pay the assessed penalty under protest within 30 days of the order assessing the penalty forfeits the right to seek judicial review of the violation or penalty determinations. These penalties are recoverable in an action brought by the department in the district court of the first judicial district of this state, in and for the county of Lewis and Clark, or in the district court of the county in which the opencut mine is located.

(4) The department may bring an action to enjoin an operator or other person violating or threatening to violate this part, rules adopted pursuant to this part, or a permit pursuant to this part in the district court of the first judicial district of this state, in and for the county of Lewis and Clark, or in the district court of the county in which the opencut mine is located."

[SB 378]

AN ACT AMENDING THE COMPREHENSIVE ENVIRONMENTAL CLEANUP AND RESPONSIBILITY ACT TO SPECIFICALLY AUTHORIZE THE DEPARTMENT OF ENVIRONMENTAL QUALITY TO COLLECT INTEREST ON PAST-DUE REMEDIAL ACTION COSTS AND TO DEPOSIT THOSE FUNDS INTO THE ENVIRONMENTAL QUALITY PROTECTION FUND; AMENDING SECTIONS 75-10-704 AND 75-10-722, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE AND AN APPLICABILITY DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 75-10-704, MCA, is amended to read:

"75-10-704. Environmental quality protection fund. (1) There is in the state special revenue fund an environmental quality protection fund to be administered as a revolving fund by the department. The department is authorized to expend amounts from the fund necessary to carry out the purposes of this part.

(2) The fund may be used by the department only to carry out the provisions of this part and for remedial actions taken by the department pursuant to this part in response to a release of hazardous or deleterious substances.

(3) The department shall:

(a) except as provided in subsection (7), establish and implement a system, including the preparation of a priority list, for prioritizing sites for remedial action based on potential effects on human health and the environment; and

(b) investigate, negotiate, and take legal action, as appropriate, to identify liable persons, to obtain the participation and financial contribution of liable persons for the remedial action, to achieve remedial action, and to recover costs and damages incurred by the state.

(4) There must be deposited in the fund:

(a) all penalties, forfeited financial assurance, natural resource damages, and remedial action costs recovered pursuant to 75-10-715;

(b) all administrative penalties assessed pursuant to 75-10-714 and all civil penalties assessed pursuant to 75-10-711(5);

(c) funds appropriated to the fund by the legislature;

(d) funds received from the interest income of the resource indemnity trust fund pursuant to 15-38-202;

(e) funds received from the interest income of the fund; ~~and~~

(f) funds received from settlements pursuant to 75-10-719(7)*; and*

(g) funds received from the interest paid pursuant to 75-10-722.

(5) Whenever a legislative appropriation is insufficient to carry out the provisions of this part and additional money remains in the fund, the department shall seek additional authority to spend money from the fund through the budget amendment process provided for in Title 17, chapter 7, part 4.

(6) Whenever the amount of money in the fund is insufficient to carry out remedial action, the department may apply to the governor for a grant from the environmental contingency account established pursuant to 75-1-1101.

(7) (a) There is established a state special revenue account for all funds donated or granted from private parties to remediate a specific release at a specific facility. There must be deposited into the account the interest income earned on the account. A person is not liable under 75-10-715 solely as a result of contributing to this account.

(b) Funds donated or granted for a specific project pursuant to this subsection (7) must be accumulated in the fund until the balance of the donated or granted funds is sufficient, as determined by the department, to remediate the facility pursuant to the requirements of 75-10-721 for which the funds are donated.

(c) If the balance of the fund created in this subsection (7), as determined by the department pursuant to the requirements of 75-10-721, is not sufficient to remediate the facility within 1 year from the date of the initial contribution, all donated or granted funds, including any interest on those donated or granted funds, must be returned to the grantor.

(d) If the balance for a specific project is determined by the department to be sufficient to remediate the facility pursuant to the requirements of 75-10-721, the department shall give that site high priority for remedial action, using the funds donated under this subsection (7).

(e) This subsection (7) is not intended to delay, to interfere with, or to diminish the authority or actions of the department to investigate, negotiate, and take legal action, as appropriate, to identify liable persons, to obtain the participation and financial contribution of liable persons for the remedial action, to achieve remedial action, and to recover costs and damages incurred by the state.

(f) The department shall expend the funds in a manner that maximizes the application of the funds to physically remediating the specific release.

(8) (a) A person may donate in-kind services to remediate a specific release at a specific facility pursuant to subsection (7). A person who donates in-kind services is not liable under 75-10-715 solely as a result of the contribution of in-kind services.

(b) A person who donates in-kind services with respect to remediating a specific release at a specific facility is not liable under this part to any person for injuries, costs, damages, expenses, or other liability that results from the release or threatened release, including but not limited to claims for indemnification or contribution and claims by third parties for death, personal injury, illness, loss of or damage to property, or economic loss.

(c) Immunity from liability, pursuant to subsection (8)(b), does not apply in the case of a release that is caused by conduct of the entity providing in-kind services that is negligent or grossly negligent or that constitutes intentional misconduct.

(d) When a person is liable under 75-10-715 for costs or damages incurred as a result of a release or threatened release of a hazardous or deleterious substance, the person may not avoid that liability or responsibility under 75-10-711 by subsequent donations of money or in-kind services under the provisions of subsection (7) and this subsection (8).

(e) Any donated in-kind services that are employed as part of a remedial action pursuant to this subsection (8) must be approved by the department as appropriate remedial action."

Section 2. Section 75-10-722, MCA, is amended to read:

"**75-10-722. Payment of state costs and penalties.** (1) The department shall keep a record of the state's remedial action costs.

(2) Based on this record, the department may require a person liable under 75-10-715 to pay the amount of the state's remedial action costs, *including interest* and, if applicable, penalties under 75-10-715(3).

(3) If the state's remedial action costs and penalties are not paid by the liable person to the department within 60 days after receipt of notice that the costs and penalties are due, the department shall bring an action in the name of the state to recover the amount owed plus reasonable legal expenses.

(4) If the department provides a notice that the state's remedial action costs are due, the department shall assess and collect interest on the unpaid amount at the rate provided for in 25-9-205:

(a) after 60 days of receipt of the notice if the notice covers costs incurred during a time period that is one-quarter of a year or less;

(b) after 90 days of receipt of the notice if the notice covers costs incurred during a time period that is more than one-quarter of a year and less than or equal to one-half of a year; and

(c) after 120 days of receipt of the notice if the notice covers costs incurred during a time period that is more than one-half of a year.

~~(4)~~*(5)* An action to recover remedial action costs *and interest* may be brought under this section at any time after any remedial action costs *and interest* have been incurred, and the court may enter a declaratory judgment on liability for remedial action costs *and interest* that is binding on any subsequent action or actions to recover further remedial action costs *and interest.* The court may disallow costs or damages only if the person liable under 75-10-715 can show on the record that the costs are not reasonable and are not consistent with this part. *The court may disallow the associated interest if it determines, based on the record, that the liable person can show that the costs are not reasonable.*

~~(5)~~*(6)* An initial action brought under 75-10-715(4) or a contribution action for costs incurred under this part must be commenced within 6 years after initiation of physical onsite construction of the final permanent remedy.

~~(6)~~*(7)* Remedial action costs, *interest,* and any penalties recovered by the state under 75-10-715 must be deposited into the environmental quality protection fund established in 75-10-704."

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 61-10-124, MCA, is amended to read:

"**61-10-124. Special permits — fees.** (1) Except as provided in subsections (2)(b), (2)(d), and (4), in addition to the regular registration and gross vehicle weight fees, a fee of $10 for each trip permit and a fee of $75 for each term permit issued for size in excess of that specified in 61-10-101 through 61-10-104 must be paid for all movements under special permits on the public highways under the jurisdiction of the department of transportation.

(2) (a) Except as provided in subsections (2)(b), (2)(d), (2)(f), (4), and (5), term or blanket permits may not be issued for an overwidth vehicle, combination of vehicles, load, or other thing in excess of 15 feet; an overlength vehicle, combination of vehicles, load, object, or other thing in excess of 95 feet; or an overheight vehicle, combination of vehicles, load, or other thing in excess of 14 feet or of a limit determined by the department. A vehicle, combination of vehicles, load, or other thing in excess of these dimensions is limited to trip permits. A Rocky Mountain double may not exceed 81 feet in combined trailer length. A Rocky Mountain double is not subject to a combination length limit. Special permits for vehicle combinations of more than two trailers or more than two units designed for or used to carry a load are not permitted except as provided in subsections (4) and (5). Special permits for vehicle combinations may specify and special permits under subsections (4) and (5) must specify highway routing and otherwise limit or prescribe conditions of operation of the vehicle or combination, including but not limited to required equipment, speed, stability, operational procedures, and insurance.

(b) A term permit may be issued to a dealer in implements of husbandry and self-propelled machinery for an overwidth or overlength vehicle referred to in subsection (2)(a). The fee for this permit is $75. This permit expires on December 31 of each year, with no grace period.

(c) With payment of the appropriate gross weight fees required by 61-10-201 and with payment of the fee prescribed in subsection (1), allowable gross weight of a five-axle combination logging vehicle is 80,000 pounds.

(d) A term permit may be issued for any combination of vehicles that exceeds 95 feet in length but does not exceed 100 feet in combination length, except a truck-trailer-trailer or a truck tractor-semitrailer-trailer-trailer combination, for travel only on highways that are part of the federal-aid interstate system, as defined in 60-1-103, or on other highways within a 2-mile radius of an interchange on the interstate system in order to obtain necessary services or to load or unload at a terminal. When a terminal is beyond a 2-mile radius, the department may authorize travel between the terminal and the interchange. The fee for this permit is $125.

(e) A term permit may be issued for a truck tractor-semitrailer combination when the semitrailer exceeds 53 feet in length but does not exceed 57 feet in length.

(f) (i) An annual permit may be issued for nondivisible loads up to 120 feet in length. The fee for this permit is $125.

(ii) Portions of a nondivisible load hauled on a public road off of the interstate highway may be detached and reloaded on the same hauling unit if the separate pieces are necessary to the operation of the machine or equipment that is being hauled and if the arrangement does not exceed limits for which a permit may be issued.

(iii) An applicant for a nondivisible load permit for use as provided in subsection (6)(b) is responsible for providing information regarding the number of work hours required to dismantle the load.

(iv) For use as provided in subsection (6)(b) and for the purposes of this section, emergency response vehicles and casks designed and used for the transport of spent nuclear materials are considered nondivisible loads.

(3) Except as provided in subsection (2)(b), a permit may not be issued for a period of time greater than the period for which the GVW license is valid as provided in this title, including grace periods allowed by this title. Owners of vehicles licensed in other jurisdictions may, at the discretion of the department of transportation, purchase permits to expire with their registration. A license required by the state governs the issuance of a special permit.

(4) The department may issue special permits to the operating company for a truck-trailer-trailer or truck tractor-semitrailer-trailer-trailer combination of vehicles under the following conditions:

(a) the combination may be operated only on highways that are part of the federal-aid interstate system, as defined in 60-1-103, and within a 2-mile radius of an interchange on the interstate system on other highways only in order to obtain necessary services or to load or unload at a terminal. When a terminal is beyond a 2-mile radius, the department may authorize travel between the terminal and the interchange.

(b) ~~a combination of vehicles powered by a cab-over (tilt cab) type truck tractor or a truck may not exceed overall length of 105 feet, inclusive of front and rear bumpers and overhang;~~

~~(c) a combination of vehicles powered by a conventional truck tractor may not exceed overall length of 110 feet, inclusive of front and rear bumpers and overhang~~ *the combined trailer length may not exceed 95 feet*;

~~(d)~~*(c)* an individual cargo unit of the combination may not exceed 28 1/2 feet in length and 102 inches in width;

~~(e)~~*(d)* gross weight fees under ~~61-10-203~~ *61-10-201* must be paid on the truck or truck tractor for the declared registered gross weight of the special vehicle combination, but not to exceed the formula in 61-10-107;

~~(f)~~*(e)* the combination must have a special overlength permit issued at a fee of $200 for a term permit or $20 for each trip permit;

~~(g)~~*(f)* travel of the combination may be restricted to specific routes, hours of operation, specific days, or seasonal periods; and

~~(h)~~*(g)* the department may enforce any other restrictions determined by the department to be necessary. The permit is not transferable, and the fee for the permit is $200.

(5) The department of transportation may issue special permits under subsection (4) for vehicle combinations that consist of a truck-trailer-trailer if:

(a) the vehicle combination's overall length, inclusive of front and rear bumpers, is not more than 95 feet; and

(b) the person, firm, or corporation applying for the permit:

(i) restricts truck-trailer-trailer operations authorized by the permit to the hauling of talc ore, chlorite, dolomite, limestone, and custom combine equipment;

(ii) operated the truck-trailer-trailer combination before July 1, 1987;

(iii) restricts the truck-trailer-trailer operations authorized by the permit to the specified routes that those vehicles used before July 1, 1987; and

(iv) provides the department of transportation with an affidavit confirming the routes used before July 1, 1987, for truck-trailer-trailer operations.

(6) For the purposes of this section, a "nondivisible load" is:

(a) on public roads off of interstate highways, a load that cannot be readily or reasonably dismantled and that is reduced to a minimum practical size and weight;

(b) on interstate highways, a load or vehicle exceeding applicable length or weight limits that, if separated into smaller loads or vehicles, would:

(i) compromise the intended use of the vehicle;

(ii) destroy the value of the load or vehicle; or

(iii) require more than 8 work hours to dismantle using appropriate equipment."

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 33-1-501, MCA, is amended to read:

"33-1-501. Filing and approval of forms. (1) (a) An insurance policy or annuity contract form, certificate, enrollment form, application form, printed rider or endorsement form, or form of renewal certificate may not be delivered or issued for delivery in Montana unless the form *and, for the purposes of disability insurance, an outline of coverage as required by 33-22-244 and 33-22-521* ~~has~~ *have* been filed with and approved by the commissioner and, if required, the regulatory official of the state of domicile of the insurer. This provision does not apply to surety bonds or policies, riders, endorsements, or forms of unique character designed for and used with relation to insurance upon a particular subject or that relate to the manner of distribution of benefits or to the reservation of rights and benefits under life or disability insurance policies and are used at the request of the individual policyholder, contract holder, or certificate holder. Forms for use in property, marine, other than ocean marine and foreign trade coverages, casualty, and surety insurance coverages may be filed by a rating organization on behalf of its members and subscribers or by a member or subscriber on its own behalf.

(b) The approval of an insurance policy or annuity contract form, certificate, enrollment form, application form, or other related insurance form by the state of domicile may be waived by the commissioner if the commissioner considers the requirements of subsection (1)(a) unnecessary for the protection of Montana insurance consumers. If the requirement is waived, an insurer shall notify the commissioner in writing within 10 days of disapproval, denial, or withdrawal of approval of a form by the state of domicile.

(2) The filing must be made not less than 60 days in advance of delivery. Approval of a form by the commissioner constitutes a waiver of any unexpired portion of the waiting period. The commissioner may extend by not more than an additional 60 days the period within which the commissioner may approve or disapprove a form by giving notice of the extension before expiration of the initial 60-day period. The commissioner may at any time, after notice and for cause shown, withdraw any approval.

(3) Notice by the commissioner disapproving a form or withdrawing a previous approval must state the grounds for disapproval or withdrawal in sufficient detail to inform the insurer.

(4) The commissioner may exempt from the requirements of this section, for so long as the commissioner considers proper, an insurance document, form, or type of document or form to which, in the commissioner's opinion, this section may not practicably be applied or the filing and approval of which are not desirable or necessary for the protection of the public.

(5) This section applies to a form used by a domestic insurer for delivery in a jurisdiction outside Montana if the insurance supervisory official of the jurisdiction informs the commissioner that the form is not subject to approval or disapproval by the official and upon the commissioner's order requiring the form to be submitted to the commissioner for the purpose. The same standards apply to these forms as apply to forms for domestic use.

(6) This section and 33-1-502 do not apply to:

(a) reinsurance;

(b) policies or contracts not issued for delivery in Montana or delivered in Montana, except as provided in subsection (5);

(c) ocean marine and foreign trade insurances.

(7) Except as provided in chapter 21, group certificates that are delivered or issued for delivery in Montana for group insurance policies effectuated and delivered outside Montana but covering persons resident in Montana must be filed with the commissioner upon request. The certificates must meet the minimum provisions mandated by Montana if Montana law prevails over conflicting provisions of other state law."

(4) If a motor vehicle, housetrailer, trailer, or semitrailer is originally registered 6 months after the time of registration as set by law, the registration or license fee for the remainder of the year is one-half of the regular fee except for trailers or semitrailers registered as provided in 61-3-721(6).

Section 3. Section 61-3-332, MCA, is amended to read:

"**61-3-332. Number plates.** (1) A motor vehicle that is driven upon the streets or highways of Montana must display both front and rear number plates, bearing the distinctive number assigned to the vehicle. The number plates are in 10 series: one series for owners of motorcars, one for owners of motor vehicles of the motorcycle or quadricycle type, one for trailers, one for trucks, one for dealers in vehicles of the motorcycle or quadricycle type that bears the distinctive letters "MCD" or the letters "MC" and the word "DEALER", one for franchised dealers in new motorcars (including trucks and trailers) or new and used motorcars (including trucks and trailers) that bears the distinctive letter "D" or the word "DEALER", one for dealers in used motorcars only (including used trucks and trailers) that bears the distinctive letters "UD" or the letter "U" and the word "DEALER", one for dealers in trailers and/or semitrailers (new or used) that bears the distinctive letters "DTR" or the letters "TR" and the word "DEALER", one for dealers in recreational vehicles that bears the distinctive letters "RV" or the letter "R" and the word "DEALER", and one for special license plates. All markings for the various kinds of dealers' plates must be placed on the number plates assigned to the dealer, in the position that the department designates.

(2) (a) All number plates for motor vehicles must be issued for a maximum period of 4 years, bear a distinctive marking, and be furnished by the state. In years when number plates are not issued, the department shall provide nonremovable stickers bearing appropriate registration numbers that must be affixed to the license plates in use.

(b) For light vehicles that are permanently registered as provided in 61-3-527 or 61-3-562, the department shall provide distinctive nonremovable stickers indicating that the vehicle is permanently registered. The stickers must be affixed to the license plates in use.

(3) (a) Subject to the provisions of this section, the department shall create a new design for number plates as provided in this section, and it shall manufacture the newly designed number plates for issuance after December 31, 1999, to replace at renewal, as required in 61-3-312 and 61-3-314, number plates that were displayed on motor vehicles before that date.

(b) Beginning January 1, 2000, the department shall manufacture and issue new number plates every 4 years.

(4) In the case of motorcars and trucks, plates must be of metal 6 inches wide and 12 inches in length. The outline of the state of Montana must be used as a distinctive border on the license plates, and the word "Montana" and the year must be placed across the plates. Registration plates must be treated with a reflectorized background material according to specifications prescribed by the department.

(5) The distinctive registration numbers must begin with a number one or with a letter-number combination, such as "A 1" or "AA 1", or any other similar combination of letters and numbers. The distinctive registration number or letter-number combination assigned to the vehicle must appear on the plate preceded by the number of the county and appearing in horizontal order on the same horizontal baseline. The county number must be separated from the distinctive registration number by a separation mark unless a letter-number combination is used. The dimensions of the numerals and letters must be determined by the department, and all county and registration numbers must be of equal height.

(6) For the use of exempt motor vehicles and motor vehicles that are exempt from the registration fee as provided in 61-3-560(2)(a), in addition to the markings provided in this section, number plates must bear the following distinctive markings:

(a) For vehicles owned by the state, the department may designate the prefix number for the various state departments. All numbered plates issued to state departments must bear the words "State Owned", and a year number may not be indicated on the plates because these numbered plates are of a permanent nature and will be replaced by the department only when the physical condition of numbered plates requires it.

(b) For vehicles that are owned by the counties, municipalities, and special districts, as defined in 18-8-202, organized under the laws of Montana and not operating for profit, and that are used and operated by officials and employees in the line of duty and for vehicles on loan from the United States government or the state of Montana to, or owned by, the civil air patrol and used and operated by officials and employees in the line of duty, there must be placed on the number plates assigned, in a position that the department may designate, the letter "X" or the word "EXEMPT". Distinctive registration numbers for plates assigned to motor vehicles of each of the counties in the state and those of the municipalities and special districts that obtain plates within each county must begin with number one and be numbered consecutively. Because these number plates are of a permanent nature, they are subject to replacement by the department only when the physical condition of the number plates requires it and a year number may not be displayed on the number plates.

(7) On all number plates assigned to motor vehicles of the truck and trailer type, other than tax-exempt trucks and tax-exempt trailers, there must appear the letter "T" or the word "TRUCK" on plates assigned to trucks and the letters "TR" or the word "TRAILER" on plates assigned to trailers and housetrailers. The letters "MC" or the word "CYCLE" must appear on plates assigned to vehicles of the motorcycle or quadricycle type.

(8) Number plates issued to a passenger car, truck, trailer, or vehicle of the motorcycle or quadricycle type may be transferred only to a replacement passenger car, truck, trailer, or motorcycle- or quadricycle-type vehicle. A registration or license fee may not be assessed upon a transfer of a number plate under 61-3-317 and 61-3-335.

individually by the provisions of compensation plan No. 1, 2, or 3 but may apply to the department for an exemption from the Workers' Compensation Act.

(b) The application must be made in accordance with the rules adopted by the department. There is a $25 fee for the initial application. Any subsequent application renewal must be accompanied by a $25 application fee. The application fee must be deposited in the administration fund established in 39-71-201 to offset the costs of administering the program.

(c) When an application is approved by the department, it is conclusive as to the status of an independent contractor and precludes the applicant from obtaining benefits under this chapter.

(d) The exemption, if approved, remains in effect for 3 years following the date of the department's approval. To maintain the independent contractor status, an independent contractor shall every 3 years submit a renewal application. A renewal application must be submitted for all independent contractor exemptions approved on or after July 1, 1995. The renewal application and the $25 renewal application fee must be received by the department at least 30 days before the anniversary date of the previously approved exemption.

(e) A person who makes a false statement or misrepresentation concerning that person's status as an exempt independent contractor is subject to a civil penalty of $1,000. The department may impose the penalty for each false statement or misrepresentation. The penalty must be paid to the uninsured employers' fund. The lien provisions of 39-71-506 apply to the penalty imposed by this section.

(f) If the department denies the application for exemption, the applicant may, after mediation pursuant to department rules, contest the denial by petitioning the workers' compensation court.

(4) (a) A corporation or a manager-managed limited liability company shall provide coverage for its employees under the provisions of compensation plan No. 1, 2, or 3. A quasi-public corporation, a private corporation, or a manager-managed limited liability company may elect coverage for its corporate officers or managers, who are otherwise exempt under subsection (2), by giving a written notice in the following manner:

(i) if the employer has elected to be bound by the provisions of compensation plan No. 1, by delivering the notice to the board of directors of the corporation or to the management organization of the manager-managed limited liability company; or

(ii) if the employer has elected to be bound by the provisions of compensation plan No. 2 or 3, by delivering the notice to the board of directors of the corporation or to the management organization of the manager-managed limited liability company and to the insurer.

(b) If the employer changes plans or insurers, the employer's previous election is not effective and the employer shall again serve notice to its insurer and to its board of directors or the management organization of the manager-managed limited liability company if the employer elects to be bound.

(5) The appointment or election of an employee as an officer of a corporation, a partner in a partnership, a partner in a limited liability partnership, or a member in or a manager of a limited liability company for the purpose of

exempting the employee from coverage under this chapter does not entitle the officer, partner, member, or manager to exemption from coverage.

(6) Each employer shall post a sign in the workplace at the locations where notices to employees are normally posted, informing employees about the employer's current provision of workers' compensation insurance. A workplace is any location where an employee performs any work-related act in the course of employment, regardless of whether the location is temporary or permanent, and includes the place of business or property of a third person while the employer has access to or control over the place of business or property for the purpose of carrying on the employer's usual trade, business, or occupation. The sign must be provided by the department, distributed through insurers or directly by the department, and posted by employers in accordance with rules adopted by the department. An employer who purposely or knowingly fails to post a sign as provided in this subsection is subject to a $50 fine for each citation."

(2) The following action must be taken based on the professional person's findings:

However, the county attorney may, upon good cause shown, request the court to order an additional, but no more than one, examination by a different professional person for a period of no more than 4 hours.

(b) If the court finds that commitment proceedings should continue, the hearing must be held as scheduled.

(3) The court may not order further evaluation pending the hearing unless sound medical reasons require additional time for a complete evaluation. The reasons must be set forth in the order, along with the amount of additional time needed."

Section 10. Section 53-21-124, MCA, is amended to read:

"**53-21-124. Detention of respondent pending hearing or trial — jail prohibited.** (1) The court may not order detention of a respondent pending the hearing unless requested by the county attorney and upon the existence of probable cause for detention. (2) In the event of detention, the respondent must be detained in the least restrictive setting necessary to ~~assure his~~ *ensure the respondent's* presence and ~~assure his safety and~~ *ensure* the safety of *the respondent and of* others as provided in 53-21-120.

(3) If the respondent is detained, ~~he~~ *the respondent* has the right to be examined additionally by a professional person of ~~his~~ *the respondent's* choice, *which may not depend on the respondent's ability to pay, and the respondent must be informed of this right.* Unless objection is made by counsel for the respondent, ~~he~~ *the respondent* must continue to be evaluated and treated by the professional person pending the hearing.

(4) A respondent may not be detained in a jail or other correctional facility pending a hearing or trial to determine whether the respondent should be committed to a mental health facility."

Section 11. Section 53-21-126, MCA, is amended to read:

"**53-21-126. Trial or hearing on petition.** (1) The respondent must be present unless the respondent's presence has been waived as provided in 53-21-119(2), and the respondent must be represented by counsel at all stages of the trial. The trial must be limited to the determination of whether or not the respondent is suffering from a mental disorder and requires commitment. At the trial, the court shall consider all the facts relevant to the issues of whether the respondent is suffering from a mental disorder. If the court determines that the respondent is suffering from a mental disorder, the court shall then determine whether the respondent requires commitment. In determining whether the respondent requires commitment *and the appropriate disposition under 53-21-127*, the court shall consider the following:

(a) whether the respondent, because of a mental disorder, is substantially unable to provide for the respondent's own basic needs of food, clothing, shelter, health, or safety;

(b) whether the respondent has recently, because of a mental disorder and through an act or an omission, caused self-injury or injury to others;

(c) whether, because of a mental disorder, there is an imminent threat of injury to the respondent or to others because of the respondent's acts or omissions; and

(d) whether the respondent's mental disorder, as demonstrated by the respondent's recent acts or omissions, will, if untreated, predictably result in deterioration of the respondent's mental condition to the point at which the respondent will become a danger to self or to others or will be unable to provide for the respondent's own basic needs of food, clothing, shelter, health, or safety. Predictability may be established by the respondent's relevant medical history.

(2) The standard of proof in a hearing held pursuant to this section is proof beyond a reasonable doubt with respect to any physical facts or evidence and clear and convincing evidence as to all other matters. However, the respondent's mental disorder must be proved to a reasonable medical certainty. Imminent threat of self-inflicted injury or injury to others must be proved by overt acts or omissions, sufficiently recent in time as to be material and relevant as to the respondent's present condition.

(3) The professional person appointed by the court must be present for the trial and subject to cross-examination. The trial is governed by the Montana Rules of Civil Procedure. However, if the issues are tried by a jury, at least two-thirds of the jurors shall concur on a finding that the respondent is suffering from a mental disorder and requires commitment. The written report of the professional person that indicates the professional person's diagnosis may be attached to the petition, but any matter otherwise inadmissible, such as hearsay matter, is not admissible merely because it is contained in the report. The court may order the trial closed to the public for the protection of the respondent.

(4) The professional person may testify as to the ultimate issue of whether the respondent is suffering from a mental disorder and requires commitment. This testimony is insufficient unless accompanied by evidence from the professional person or others that:

(a) the respondent, because of a mental disorder, is substantially unable to provide for the respondent's own basic needs of food, clothing, shelter, health, or safety;

(b) the respondent has recently, because of a mental disorder and through an act or an omission, caused self-injury or injury to others;

(c) because of a mental disorder, there is an imminent threat of injury to the respondent or to others because of the respondent's acts or omissions; or

(d) (i) the respondent's mental disorder:

(A) has resulted in recent acts, omissions, or behaviors that create difficulty in protecting the respondent's life or health;

(B) is treatable, with a reasonable prospect of success;

(C) has resulted in the respondent's refusing or being unable to consent to voluntary admission for treatment; and

(ii) will, if untreated, predictably result in deterioration of the respondent's mental condition to the point at which the respondent will become a danger to self or to others or will be unable to provide for the respondent's own basic needs of food, clothing, shelter, health, or safety. Predictability may be established by the respondent's relevant medical history.

(5) The court, upon the showing of good cause and when it is in the best interests of the respondent, may order a change of venue."

Section 12. Section 53-21-127, MCA, is amended to read:

"**53-21-127. Posttrial disposition.** (1) If, upon trial, it is determined that the respondent is not suffering from a mental disorder or does not require commitment within the meaning of this part, the respondent must be discharged and the petition dismissed.

(2) ~~(a)~~ If it is determined that the respondent is suffering from a mental disorder and requires commitment within the meaning of this part, the court shall hold a posttrial disposition hearing. The disposition hearing must be held within 5 days (including Saturdays, Sundays, and holidays unless the fifth day falls on a Saturday, Sunday, or holiday), during which time the court may order further evaluation and treatment of the respondent.

(3) At the conclusion of the disposition hearing *and pursuant to the provisions in subsection (7),* the court shall:

~~(i)~~*(a)* commit the respondent to the state hospital for a period of not more than 3 months; *or*

~~(ii)~~*(b)* commit the respondent to a community facility~~,~~ *or* program~~,~~ or *to any appropriate* course of treatment, *which may include housing or residential requirements,* for a period of not more than ~~3~~ *6* months~~;~~

~~(iii) order the respondent to be placed in the care and custody of a relative or guardian or some other appropriate place other than an institution;~~

~~(iv) order outpatient therapy; or~~

~~(v) make some other appropriate order for treatment.~~

~~(b)~~*(4)* ~~A~~ *Except as provided in subsection (3)(b), a* treatment ordered pursuant to this ~~subsection~~ *section* may not affect the respondent's custody or course of treatment for a period of more than 3 months.

~~(c)~~*(5)* In determining which of the alternatives in subsection ~~(2)(a)~~ *(3)* to order, the court shall choose the least restrictive alternatives necessary to protect the respondent and the public and to permit effective treatment.

(6) The court may authorize the chief medical officer of a facility or a physician designated by the court to administer appropriate medication involuntarily if the court finds that involuntary medication is necessary to protect the respondent or the public or to facilitate effective treatment. Medication may not be involuntarily administered to a patient unless the chief medical officer of the facility or a physician designated by the court approves it prior to the beginning of the involuntary administration and unless, if possible, a medication review committee reviews it prior to the beginning of the involuntary administration or, if prior review is not possible, within 5 working days after the beginning of the involuntary administration. The medication review committee must include at least one person who is not an employee of the facility or program. The patient and the patient's attorney or advocate, if the patient has one, must receive adequate written notice of the date, time, and place of the review and must be allowed to appear and give testimony and evidence. The involuntary administration of medication must be again reviewed by the committee 14 days and 90 days after the beginning of the involuntary administration if medication is still being involuntarily administered. The mental disabilities board of visitors

and the director of the department of public health and human services must be fully informed of the matter within 5 working days after the beginning of the involuntary administration. The director shall report to the governor on an annual basis.

~~(d)~~*(7)* Satisfaction of any one of the criteria listed in 53-21-126(1) justifies commitment pursuant to this chapter. However, if the court relies solely upon the criterion provided in 53-21-126(1)(d), the court may require commitment only to a community facility *or program or an appropriate course of treatment as provided in subsection (3)(b),* and may not require commitment at the state hospital.

~~(e)~~*(8)* In ordering commitment pursuant to this section, the court shall make the following findings of fact:

~~(i)~~*(a)* a detailed statement of the facts upon which the court found the respondent to be suffering from a mental disorder and requiring commitment;

~~(ii)~~*(b)* the alternatives for treatment that were considered;

~~(iii)~~*(c)* the alternatives available for treatment of the respondent;

~~(iv)~~*(d)* the reason that any treatment alternatives were determined to be unsuitable for the respondent;

~~(v)~~*(e)* the name of the facility, program, or individual to be responsible for the management and supervision of the respondent's treatment;

~~(vi)~~*(f)* if the order includes a requirement for inpatient treatment, the reason inpatient treatment was chosen from among other alternatives; ~~and~~ *and*

~~(vii)~~*(g)* if the order includes involuntary medication, the reason involuntary medication was chosen from among other alternatives."

Section 13. Section 53-21-128, MCA, is amended to read:

"**53-21-128. Petition for extension of commitment period.** (1) (a) Not less than 2 calendar weeks prior to the end of the 3-month period of commitment *to the state hospital or the period of commitment to a community facility or program or a course of treatment* provided for in 53-21-127~~(2)~~, the professional person in charge of the patient at the place of commitment may petition the district court in the county where the patient is committed for extension of the commitment period unless otherwise ordered by the original committing court. The petition must be accompanied by a written report and evaluation of the patient's mental and physical condition. The report must describe any tests and evaluation devices that have been employed in evaluating the patient, the course of treatment that was undertaken for the patient, and the future course of treatment anticipated by the professional person.

(b) Upon the filing of the petition, the court shall give written notice of the filing of the petition to the patient, the patient's next of kin, if reasonably available, the friend of respondent appointed by the court, and the patient's counsel. If any person notified requests a hearing prior to the termination of the previous commitment authority, the court shall immediately set a time and place for a hearing on a date not more than 10 days from the receipt of the request and notify the same people, including the professional person in charge of the patient. If a hearing is not requested, the court shall enter an order of commitment for a period not to exceed 6 months.

(c) Procedure on the petition for extension when a hearing has been requested must be the same in all respects as the procedure on the petition for the original 3-month commitment except the patient is not entitled to trial by jury. The hearing must be held in the district court having jurisdiction over the facility in which the patient is detained unless otherwise ordered by the court. Court costs and witness fees, if any, must be paid by the county that paid the same costs in the initial commitment proceedings.

(d) If upon the hearing the court finds the patient not to be suffering from a mental disorder and requiring commitment within the meaning of this part, the patient must be discharged and the petition dismissed. If the court finds that the patient continues to suffer from a mental disorder and to require commitment, the court shall order commitment~~, custody in relatives, outpatient therapy, or other order~~ as set forth in 53-21-127~~(2)~~*(3)*. However, an order may not affect the patient's custody for more than 6 months. In its order, the court shall describe what alternatives for treatment of the patient are available, what alternatives were investigated, and why the investigated alternatives were not found suitable. The court may not order continuation of an alternative that does not include a comprehensive, individualized plan of treatment for the patient. A court order for the continuation of an alternative must include a specific finding that a comprehensive, individualized plan of treatment exists.

(2) Prior to the end of the period of commitment to a community facility or program or course of treatment, a respondent may request that the treating provider petition the district court for an extension of the commitment order. The petition must be accompanied by a written report and evaluation of the respondent's mental and physical condition, an updated treatment plan, and a written statement by the respondent that an extension is desired. The extension procedure must follow the procedure required in subsections (1)(b) through (1)(d).

~~(2)~~*(3)* Further extensions *under subsection (1) or (2)* may be obtained under the same procedure described in subsection (1)~~;~~. ~~however~~ *However*, the patient's custody may not be affected for more than 1 year without a renewal of the commitment under the procedures set forth in subsection (1), including a statement of the findings required by subsection (1)."

Section 14. Section 53-21-181, MCA, is amended to read:

"**53-21-181. Discharge during or at end of initial commitment period — patient's right to referral.** (1) At any time within the ~~3-month~~ period *of commitment* provided for in 53-21-127~~(2)~~, the patient may be discharged on the written order of the professional person in charge of ~~him~~ *the patient*. ~~In the event~~ *If* the patient is not discharged within the ~~3-month~~ period *of commitment* and if the term is not extended as provided for in 53-21-128, ~~he shall~~ *the patient must* be discharged by the facility at the end of ~~3 months~~ *the period of commitment* without further order of the court. Notice of the discharge ~~shall~~ *must* be filed with the court and the county attorney at least 5 days prior to the discharge.

(2) Upon being discharged, each patient has a right to be referred, as appropriate, to other providers of mental health services."

AN ACT CLARIFYING THE REQUIREMENTS FOR CERTIFICATION OF LONG-TERM CARE FACILITIES THAT PROVIDE INTERMEDIATE AND SKILLED NURSING CARE; REQUIRING THE DEPARTMENT OF PUBLIC HEALTH AND HUMAN SERVICES TO ADOPT RULES TO DEFINE TERMS, AN INFORMAL DISPUTE RESOLUTION PROCESS, AND STANDARDS FOR QUESTIONING A PHYSICIAN'S ORDERS FOR DRUGS OR TREATMENTS; AND AMENDING SECTIONS 53-6-107 AND 53-6-108, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 53-6-107, MCA, is amended to read:

"**53-6-107. Sanctions — penalties.** (1) The department ~~of public health and human services~~ may suspend, terminate, or refuse to renew an agreement with a health care facility that has failed to meet the requirements for certification for or participation in the Montana medicaid program under 53-6-106 through 53-6-108 or other applicable law. The department may also impose sanctions in the form of denial of medicaid payments for new admissions or other penalties or sanctions, as described in 53-6-111 or Title XIX of the Social Security Act, 42 U.S.C. 1396, et seq., as may be amended, and any implementing federal regulations ~~and policies~~.

(2) The department may impose a civil monetary penalty, with interest not to exceed 12% a year, for each day that a facility is substantially out of compliance with standards or participation requirements provided by applicable state or federal laws, regulations, *or* rules, ~~or policies,~~ including but not limited to standards adopted by the department under the authority of Title 50, chapter 5, or 53-6-106 through 53-6-108. Penalties must be collected by the department and may be applied to the protection of the health and property of residents of health care facilities that the department finds deficient, including but not limited to payment for the costs of relocation of residents to other facilities, operation of a facility pending correction of deficiencies or closure, and reimbursement of residents for personal funds lost.

(3) The department may appoint temporary management personnel to oversee the operation of the facility and to ensure the health and safety of the facility's residents if there is a need for temporary management because:

(a) an orderly closure of the facility is necessary; or

(b) improvements are being made to bring the facility into compliance with applicable standards.

(4) The department shall, in the case of an emergency, close the facility or transfer residents in the facility to other facilities, or both."

Section 2. Section 53-6-108, MCA, is amended to read:

"**53-6-108. Rules governing sanctions or remedies.** The department ~~of public health and human services~~ shall adopt rules governing the application of sanctions or remedies imposed under 53-6-107, the amounts of any fines, and the severity of each of these sanctions or remedies. The rules must be designed for the imposition of incrementally more severe fines for repeated or uncorrected deficiencies. The civil penalty for violation of the applicable standards imposed by state or federal laws, regulations, *or* rules~~,~~ ~~or policies~~ may not exceed $10,000 for each day that the deficiency remains uncorrected. A health care facility aggrieved by an action of the department may request a hearing pursuant to Title 2, chapter 4, part 6."

Section 3. Consistent regulation of long-term care facilities — rulemaking authority. In order to provide more consistent regulation of long-term care facilities that provide intermediate and skilled nursing care statewide, the department shall adopt rules in consultation with long-term care provider groups, the long-term care ombudsman, as described in 52-3-603, and appropriate consumer groups by July 1, 2003, that:

(1) define the following terms used in the survey and certification process for long-term care facilities that provide intermediate and skilled nursing care:

(a) actual harm;

(b) potential for more than minimal harm;

(c) avoidable;

(d) unavoidable; and

(e) immediate jeopardy;

(2) define an informal dispute resolution process to provide nursing homes with an opportunity to respond to survey findings and deficiency citations that are believed to be made in error. The rules must be consistent with the purpose of informal dispute resolution that is intended to give the provider an opportunity to demonstrate that a deficiency has been applied in error or is a misjudgment of true facts. The objective of the process is to avoid the imposition of unnecessary sanctions and to diminish the need for formal administrative hearings with the state, as provided for in 53-6-108, or the federal government agencies that are responsible for the enforcement of remedies. The process must provide for an objective review of the raised issues by an individual who is independent of the survey process and who can evaluate the legal sufficiency of the findings of the surveyors.

(3) define standards for survey determinations in which the surveyors question the efficacy of orders for drugs and treatments made by a resident's attending physician. The standards must recognize that a written physician's order provides evidence of medical necessity and the appropriateness of the drugs and treatments ordered, unless the survey agency alleges substandard practice by the physician. The standards must provide for the reporting of any substandard practice of a physician to the board of medical examiners by the surveyors. The standards must outline a facility's responsibilities in monitoring drugs and treatments ordered for residents and for consulting with the attending physician as appropriate.

Section 4. Codification instruction. [Section 3] is intended to be codified as an integral part of Title 53, chapter 6, part 1, and the provisions of Title 53, chapter 6, part 1, apply to [section 3].

(3) [Sections 1 through 5] are intended to provide residents and authorized or designated representatives with the authority to request and consent to the use of safety devices but are not intended to interfere with the right of licensed health care providers acting within their scope of practice to recommend and order treatments and services, including physical restraints, for residents in their care.

(2) "Long-term care facility" means a licensed facility that provides skilled nursing care or intermediate nursing care or that is a personal-care facility, as defined in 50-5-101.

(3) "Medical symptom" means an indication of a physical or psychological condition or of a physical or psychological need expressed by the patient.

(4) "Physician" includes an advanced practice registered nurse to the extent permitted by federal law.

(5) "Resident" means a person who lives in a long-term care facility.

(6) (a) "Safety devices" means side rails, tray tables, seatbelts, and other similar devices.

(b) The term does not include protective restraints as defined in 21 CFR 880.6760.

Section 3. Procedures — informed consent — physician involvement. (1) Upon receiving a request for use of a safety device, a long-term care facility shall inform the requestor of the alternatives and risks associated with the use of the safety device. The long-term care facility shall provide the requested safety device to the resident upon receipt of:

(a) a signed consent form authorizing its use and acknowledging receipt of specific information about available alternatives and risks: and

(b) a written order from the attending physician that specifies the circumstances under and the duration for which the safety device may be used and the medical symptoms that the safety device is intended to address.

(2) The requirements of subsection (1) do not apply if a side rail or other device is used only as an assistive device and does not restrict the resident's movement from bed or chair.

Section 4. Long-term care facility procedures. A long-term care facility that provides a safety device under [section 3] shall:

(1) document that the procedures outlined in [section 3] have been followed;

(2) monitor the use of the safety device in accordance with accepted standards of practice;

(3) reevaluate the resident's need for the safety device, no less than quarterly, in consultation with the resident, the resident's family, and the attending physician.

Section 5. Survey compliance and department enforcement — rulemaking authority. (1) The department is granted rulemaking authority for the purposes of implementing [sections 1 through 5].

(2) When determining compliance with state and federal standards for the use of a safety device, the department is bound by the statements and determinations contained in the attending physician's order regarding medical symptoms. A written order from the attending physician that contains statements and determinations regarding medical symptoms is sufficient evidence of the medical necessity of the safety device.

(3) A long-term care facility may not be subject to fines, civil penalties, or other state or federal survey enforcement remedies solely as the result of allowing the use of a safety device as authorized in [sections 1 through 5].

(4) This section does not preclude the department from taking action to protect the safety and health of the resident if there is clear and convincing evidence that:

(a) the use of the safety device has jeopardized the health and safety of the resident; and

(b) the long-term care facility has failed to take reasonable measures to protect the health and safety of the resident.

Section 6. Codification instruction. [Sections 1 through 5] are intended to be codified as an integral part of Title 50, chapter 5, and the provisions of Title 50, chapter 5, apply to [sections 1 through 5].

CHAPTER NO. 348

[SB 479]

AN ACT AUTHORIZING LOCAL GOVERNMENTS TO ADOPT SUBDIVISION REGULATIONS THAT PROMOTE CLUSTER DEVELOPMENT AND PRESERVATION OF OPEN SPACE; ESTABLISHING ADDITIONAL PURPOSES FOR SUBDIVISION REGULATIONS; DEFINING

"CLUSTER DEVELOPMENT"; AUTHORIZING LOCAL GOVERNMENTS TO AUTHORIZE CERTAIN EXEMPTIONS FROM SUBDIVISION REGULATIONS AND PROCEDURES FOR CLUSTER DEVELOPMENTS THAT PRESERVE OPEN SPACE; REQUIRING THE DEPARTMENT OF COMMERCE TO DEVELOP EXAMPLES OF SUBDIVISION REGULATIONS THAT PROMOTE CLUSTER DEVELOPMENT AND TO PROVIDE TECHNICAL ASSISTANCE WITH THE DEVELOPMENT OF CLUSTER DEVELOPMENT REGULATIONS; AMENDING SECTIONS 17-6-505, 76-3-102, 76-3-103, 76-3-503, 76-3-504, 76-3-608, 76-3-621, AND 90-1-103, MCA; AND PROVIDING EFFECTIVE DATES.

WHEREAS, agricultural land is increasingly being taken out of production for development and becoming unavailable for production of food; and

WHEREAS, farmers and ranchers are often forced to sell their land to generate sufficient income to retire; and

WHEREAS, cluster development can facilitate the preservation of Montana's unique landscape; and

WHEREAS, cluster development can reduce local government costs for infrastructure and provision of services by concentrating building sites on smaller lots so that services and utilities can be concentrated in a smaller area; and

WHEREAS, the Montana Department of Commerce is charged with providing technical assistance and information related to community development; and

WHEREAS, local governments need mechanisms to encourage development approaches that minimize costs to local citizens and that promote effective and efficient provision of public services.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 17-6-505, MCA, is amended to read:

"**17-6-505. Rulemaking authority.** The department shall adopt rules to implement the provisions of this part, including rules:

(1) determining the amount of interest and the method of computation and payment of interest charged to recipients of job investment loans and specifying amortization schedules and other terms and conditions for job investment loans as necessary. The rate of interest charged on a loan may not be less than the prevailing market rate.

(2) establishing criteria for determining nonperformance and declaring default for a job investment loan;

(3) specifying security and collateral requirements that must be met as a condition of receiving a job investment loan;

(4) encouraging financial institutions to participate to the greatest extent possible in the financing of job investment projects;

(5) requiring that the job investment loan may not exceed the funding provided by private lenders and that at least one private lender must be a financial institution. The board shall secure the most favorable collateral position possible on any job investment loan.

(6) establishing appropriate loan loss reserves; and

(7) providing for an application process and a loan review process that:

(a) incorporate the funding criteria adopted by the department to implement the federal community development block grant program pursuant to 90-1-103~~(5)~~;

(b) minimize the amount of Job Investment Act funds required; and

(c) require financial institution review and contingent approval of the project before Job Investment Act funds are committed."

Section 2. Section 76-3-102, MCA, is amended to read:

"**76-3-102. Statement of purpose.** It is the purpose of this chapter to:

(1) promote the public health, safety, and general welfare by regulating the subdivision of land;

(2) prevent overcrowding of land;

(3) lessen congestion in the streets and highways;

(4) provide for adequate light, air, water supply, sewage disposal, parks and recreation areas, ingress and egress, and other public requirements;

(5) require development in harmony with the natural environment;

(6) promote preservation of open space;

(7) promote cluster development approaches that minimize costs to local citizens and that promote effective and efficient provision of public services;

~~(6)~~*(8)* protect the rights of property owners; and

~~(7)~~*(9)* require uniform monumentation of land subdivisions and transferring interests in real property by reference to a plat or certificate of survey."

Section 3. Section 76-3-103, MCA, is amended to read:

"**76-3-103. Definitions.** As used in this chapter, unless the context or subject matter clearly requires otherwise, the following definitions apply:

(1) "Certificate of survey" means a drawing of a field survey prepared by a registered surveyor for the purpose of disclosing facts pertaining to boundary locations.

(2) "Cluster development" means a subdivision with lots clustered in a group of five or more lots that is designed to concentrate building sites on smaller lots in order to reduce capital and maintenance costs for infrastructure through the use of concentrated public services and utilities, while allowing other lands to remain undeveloped.

~~(2)~~*(3)* "Dedication" means the deliberate appropriation of land by an owner for any general and public use, reserving to the landowner no rights that are incompatible with the full exercise and enjoyment of the public use to which the property has been devoted.

~~(3)~~*(4)* "Division of land" means the segregation of one or more parcels of land from a larger tract held in single or undivided ownership by transferring or contracting to transfer title to or possession of a portion of the tract or properly filing a certificate of survey or subdivision plat establishing the identity of the segregated parcels pursuant to this chapter. The conveyance of a tract of record or an entire parcel of land that was created by a previous division of land is not a division of land.

~~(4)~~*(5)* "Examining land surveyor" means a registered land surveyor appointed by the governing body to review surveys and plats submitted for filing.

~~(5)~~*(6)* "Final plat" means the final drawing of the subdivision and dedication required by this chapter to be prepared for filing for record with the county clerk and recorder and containing all elements and requirements set forth in this chapter and in regulations adopted pursuant to this chapter.

~~(6)~~*(7)* "Governing body" means a board of county commissioners or the governing authority of a city or town organized pursuant to law.

~~(7)~~*(8)* "Immediate family" means a spouse, children by blood or adoption, and parents.

~~(8)~~*(9)* "Irregularly shaped tract of land" means a parcel of land other than an aliquot part of the United States government survey section or a United States government lot, the boundaries or areas of which cannot be determined without a survey or trigonometric calculation.

~~(9)~~*(10)* "Planned unit development" means a land development project consisting of residential clusters, industrial parks, shopping centers, or office building parks that compose a planned mixture of land uses built in a prearranged relationship to each other and having open space and community facilities in common ownership or use.

~~(10)~~*(11)* "Plat" means a graphical representation of a subdivision showing the division of land into lots, parcels, blocks, streets, alleys, and other divisions and dedications.

~~(11)~~*(12)* "Preliminary plat" means a neat and scaled drawing of a proposed subdivision showing the layout of streets, alleys, lots, blocks, and other elements of a subdivision that furnish a basis for review by a governing body.

~~(12)~~*(13)* "Registered land surveyor" means a person licensed in conformance with Title 37, chapter 67, to practice surveying in the state of Montana.

~~(13)~~*(14)* "Registered professional engineer" means a person licensed in conformance with Title 37, chapter 67, to practice engineering in the state of Montana.

~~(14)~~*(15)* "Subdivider" means a person who causes land to be subdivided or who proposes a subdivision of land.

~~(15)~~*(16)* "Subdivision" means a division of land or land so divided that it creates one or more parcels containing less than 160 acres that cannot be described as a one-quarter aliquot part of a United States government section, exclusive of public roadways, in order that the title to or possession of the parcels may be sold, rented, leased, or otherwise conveyed and includes any resubdivision and further includes a condominium or area, regardless of its size, that provides or will provide multiple space for recreational camping vehicles or mobile homes.

~~(16)~~*(17)* (a) "Tract of record" means an individual parcel of land, irrespective of ownership, that can be identified by legal description, independent of any other parcel of land, using documents on file in the records of the county clerk and recorder's office.

(b) Each individual tract of record continues to be an individual parcel of land unless the owner of the parcel has joined it with other contiguous parcels by filing with the county clerk and recorder:

(i) an instrument of conveyance in which the aggregated parcels have been assigned a legal description that describes the resulting single parcel and in which the owner expressly declares the owner's intention that the tracts be merged; or

(ii) a certificate of survey or subdivision plat that shows that the boundaries of the original parcels have been expunged and depicts the boundaries of the larger aggregate parcel.

(c) An instrument of conveyance does not merge parcels of land under subsection ~~(16)(b)(i)~~ *(17)(b)(i)* unless the instrument states, "This instrument is intended to merge individual parcels of land to form the aggregate parcel(s) described in this instrument" or a similar statement, in addition to the legal description of the aggregate parcels, clearly expressing the owner's intent to effect a merger of parcels."

Section 4. Section 76-3-503, MCA, is amended to read:

"**76-3-503. Hearing on proposed regulations.** Before the governing body adopts subdivision regulations pursuant to 76-3-501 *or [section 6]*, it shall hold a public hearing ~~thereon~~ *on the regulations* and shall give public notice of its intent to adopt ~~such~~ *the* regulations and of the public hearing by publication of notice of the time and place of the hearing in a newspaper of general circulation in the county not less than 15 or more than 30 days prior to the date of the hearing."

Section 5. Section 76-3-504, MCA, is amended to read:

"**76-3-504. ~~Minimum requirements for subdivision~~ *Subdivision* regulations — *contents*.** *(1)* The subdivision regulations adopted under this chapter must, at a minimum:

~~(1)~~*(a)* except as provided in 76-3-210, *[section 6]*, or 76-3-609(3), require the subdivider to submit to the governing body an environmental assessment as prescribed in 76-3-603;

~~(2)~~*(b)* establish procedures consistent with this chapter for the submission and review of subdivision plats;

~~(3)~~*(c)* prescribe the form and contents of preliminary plats and the documents to accompany final plats;

~~(4)~~*(d)* provide for the identification of areas that, because of natural or human-caused hazards, are unsuitable for subdivision development and prohibit subdivisions in these areas unless the hazards can be eliminated or overcome by approved construction techniques;

~~(5)~~*(e)* prohibit subdivisions for building purposes in areas located within the floodway of a flood of 100-year frequency, as defined by Title 76, chapter 5, or determined to be subject to flooding by the governing body;

~~(6)~~*(f)* prescribe standards for:

~~(a)~~*(i)* the design and arrangement of lots, streets, and roads;

~~(b)~~*(ii)* grading and drainage;

~~(c)~~*(iii)* subject to the provisions of 76-3-511, water supply and sewage and solid waste disposal that, at a minimum, meet the regulations adopted by the department of environmental quality under 76-4-104;

~~(d)~~*(iv)* the location and installation of utilities;

~~(7)~~*(g)* provide procedures for the administration of the park and open-space requirements of this chapter;

~~(8)~~*(h)* provide for the review of preliminary plats by affected public utilities and those agencies of local, state, and federal government having a substantial interest in a proposed subdivision. A utility or agency review may not delay the governing body's action on the plat beyond the time limits specified in this chapter, and the failure of any agency to complete a review of a plat may not be a basis for rejection of the plat by the governing body.

~~(9)~~*(i)* require the subdivider to establish ditch easements in the subdivision, in locations of appropriate topographic characteristics and sufficient width, to allow the physical placement and unobstructed maintenance of open ditches or belowground pipelines for the delivery of water for irrigation to persons and lands legally entitled to the water under an appropriated water right or permit of an irrigation district or other private or public entity formed to provide for the use of the water right on the subdivision lots. Establishment of easements pursuant to this subsection ~~(9)~~ *(1)(i)* is not required if:

~~(a)~~*(i)* the average lot size is 1 acre or less and the subdivider provides for disclosure, in a manner acceptable to the governing body, that adequately notifies potential buyers of lots that are classified as irrigated land and may continue to be assessed for irrigation water delivery even though the water may not be deliverable; or

~~(b)~~*(ii)* the water rights are removed or the process has been initiated to remove the water rights from the subdivided land through an appropriate legal or administrative process and if the removal or intended removal is denoted on the preliminary plat. If removal of water rights is not complete upon filing of the final plat, the subdivider shall provide written notification to prospective buyers of the intent to remove the water right and shall document that intent, when applicable, in agreements and legal documents for related sales transactions.

~~(10)~~*(j)* require the subdivider, unless otherwise provided for under separate written agreement or filed easement, to file and record ditch easements for unobstructed use and maintenance of existing water delivery ditches, pipelines, and facilities in the subdivision that are necessary to convey water through the subdivision to lands adjacent to or beyond the subdivision boundaries in quantities and in a manner that are consistent with historic and legal rights.

(2) In order to accomplish the purposes described in 76-3-501, the subdivision regulations adopted under [section 6] and this section may include provisions that are consistent with this section that promote cluster development."

Section 6. Local option cluster development regulations and exemptions authorized. (1) If the governing body has adopted a growth policy that meets the requirements of 76-1-601, the governing body may adopt regulations to promote cluster development and preserve open space under this section.

(2) Regulations adopted under this section must:

(a) establish a maximum size for each parcel in a cluster development;

(b) subject to subsection (3)(d), establish a maximum number of parcels in a cluster development; and

(c) establish requirements, including a minimum size for the area to be preserved, for preservation of open space as a condition of approval of a cluster development subdivision under regulations adopted pursuant to this section. The regulations must require that open space be preserved through an irrevocable conservation easement, granted in perpetuity, as provided for in Title 76, chapter 6, prohibiting further division of the parcel.

(3) Regulations adopted under this section may:

(a) establish a shorter timeframe for review of proposed cluster developments;

(b) establish procedures and requirements that provide an incentive for cluster development subdivisions that are consistent with the provisions of this chapter;

(c) authorize the review of a division of land that involves more than one existing parcel as one subdivision proposal for the purposes of creating a cluster development;

(d) authorize the creation of one clustered parcel for each existing parcel that is reviewed as provided in subsection (3)(c); and

(e) establish exemptions from the following:

(i) the requirements of an environmental assessment pursuant to 76-3-603;

(ii) review of the criteria in 76-3-608(3)(a); and

(iii) park dedication requirements pursuant to 76-3-621.

(4) Except as provided in this section, the provisions of this chapter apply to cluster development subdivisions.

Section 7. Section 76-3-608, MCA, is amended to read:

"**76-3-608. Criteria for local government review.** (1) The basis for the governing body's decision to approve, conditionally approve, or disapprove a subdivision is whether the preliminary plat, applicable environmental assessment, public hearing, planning board recommendations, or additional information demonstrates that development of the subdivision meets the requirements of this chapter. A governing body may not deny approval of a subdivision based solely on the subdivision's impacts on educational services.

(2) The governing body shall issue written findings of fact that weigh the criteria in subsection (3), as applicable.

(3) A subdivision proposal must undergo review for the following primary criteria:

(a) except when the governing body has established an exemption pursuant to subsection (7) *of this section* or except as provided in 76-3-505 *and [section 6]*, the effect on agriculture, agricultural water user facilities, local services, the natural environment, wildlife and wildlife habitat, and public health and safety;

(b) compliance with:

(i) the survey requirements provided for in part 4 of this chapter;

(ii) the local subdivision regulations provided for in part 5 of this chapter; and

(iii) the local subdivision review procedure provided for in this part;

(c) the provision of easements for the location and installation of any planned utilities; and

(d) the provision of legal and physical access to each parcel within the subdivision and the required notation of that access on the applicable plat and any instrument of transfer concerning the parcel.

(4) The governing body may require the subdivider to design the subdivision to reasonably minimize potentially significant adverse impacts identified through the review required under subsection (3). The governing body shall issue written findings to justify the reasonable mitigation required under this subsection (4).

(5) (a) In reviewing a subdivision under subsection (3) and when requiring mitigation under subsection (4), a governing body may not unreasonably restrict a landowner's ability to develop land, but it is recognized that in some instances the unmitigated impacts of a proposed development may be unacceptable and will preclude approval of the plat.

(b) When requiring mitigation under subsection (4), a governing body shall consult with the subdivider and shall give due weight and consideration to the expressed preference of the subdivider.

(6) (a) When a minor subdivision is proposed in an area where a growth policy has been adopted pursuant to chapter 1 and the proposed subdivision will comply with the growth policy, the subdivision is exempt from the review criteria contained in subsection (3)(a) but is subject to applicable zoning regulations.

(b) In order for a growth policy to serve as the basis for the exemption provided by this subsection (6), the growth policy must meet the requirements of 76-1-601.

(7) The governing body may exempt subdivisions that are entirely within the boundaries of designated geographic areas from the review criteria in subsection (3)(a) if all of the following requirements have been met:

(a) the governing body has adopted a growth policy pursuant to chapter 1 that:

(i) addresses the criteria in subsection (3)(a);

(ii) evaluates the effect of subdivision on the criteria in subsection (3)(a);

(iii) describes zoning regulations that will be implemented to address the criteria in subsection (3)(a); and

(iv) identifies one or more geographic areas where the governing body intends to authorize an exemption from review of the criteria in subsection (3)(a); and

(b) the governing body has adopted zoning regulations pursuant to chapter 2, part 2 or 3, that:

(i) apply to the entire area subject to the exemption; and

(ii) address the criteria in subsection (3)(a), as described in the growth policy."

Section 8. Section 76-3-621, MCA, is amended to read:

"76-3-621. Park dedication requirement. (1) Except as provided in *[section 6] or* subsections (2), (3), and (6) *of this section*, a subdivider shall dedicate to the governing body a cash or land donation equal to:

(a) 11% of the area of the land proposed to be subdivided into parcels of one-half acre or smaller:

(b) 7.5% of the area of the land proposed to be subdivided into parcels larger than one-half acre and not larger than 1 acre;

(c) 5% of the area of the land proposed to be subdivided into parcels larger than 1 acre and not larger than 3 acres; and

(d) 2.5% of the area of the land proposed to be subdivided into parcels larger than 3 acres and not larger than 5 acres.

(2) When a subdivision is located totally within an area for which density requirements have been adopted pursuant to a growth policy under chapter 1 or pursuant to zoning regulations under chapter 2, the governing body may establish park dedication requirements based on the community need for parks and the development densities identified in the growth policy or regulations. Park dedication requirements established under this subsection are in lieu of those provided in subsection (1) and may not exceed 0.03 acres per dwelling unit.

(3) A park dedication may not be required for:

(a) a minor subdivision;

(b) land proposed for subdivision into parcels larger than 5 acres;

(c) subdivision into parcels that are all nonresidential;

(d) a subdivision in which parcels are not created, except when that subdivision provides permanent multiple spaces for recreational camping vehicles, mobile homes, or condominiums; or

(e) a subdivision in which only one additional parcel is created.

(4) The governing body, in consultation with the subdivider and the planning board or park board that has jurisdiction, may determine suitable locations for parks and playgrounds and, giving due weight and consideration to the expressed preference of the subdivider, may determine whether the park dedication must be a land donation, cash donation, or a combination of both. When a combination of land donation and cash donation is required, the cash donation may not exceed the proportional amount not covered by the land donation.

(5) (a) In accordance with the provisions of subsections (5)(b) and (5)(c), the governing body shall use the dedicated money or land for development, acquisition, or maintenance of parks to serve the subdivision.

(b) The governing body may use the dedicated money to acquire, develop, or maintain, within its jurisdiction, parks or recreational areas or for the purchase of public open space or conservation easements only if:

(i) the park, recreational area, open space, or conservation easement is within a reasonably close proximity to the proposed subdivision; and

(ii) the governing body has formally adopted a park plan that establishes the needs and procedures for use of the money.

(c) The governing body may not use more than 50% of the dedicated money for park maintenance.

(6) The local governing body shall waive the park dedication requirement if:

(a) (i) the preliminary plat provides for a planned unit development or other development with land permanently set aside for park and recreational uses sufficient to meet the needs of the persons who will ultimately reside in the development; and

(ii) the area of the land and any improvements set aside for park and recreational purposes equals or exceeds the area of the dedication required under subsection (1);

(b) (i) the preliminary plat provides long-term protection of critical wildlife habitat; cultural, historical, or natural resources; agricultural interests; or aesthetic values; and

(ii) the area of the land proposed to be subdivided, by virtue of providing long-term protection provided for in subsection (6)(b)(i), is reduced by an amount equal to or exceeding the area of the dedication required under subsection (1); or

(c) the area of the land proposed to be subdivided, by virtue of a combination of the provisions of subsections (6)(a) and (6)(b), is reduced by an amount equal to or exceeding the area of the dedication required under subsection (1).

(7) For the purposes of this section:

(a) "cash donation" is the fair market value of the unsubdivided, unimproved land; and

(b) "dwelling unit" means a residential structure in which a person or persons reside."

Section 9. Section 90-1-103, MCA, is amended to read:

"**90-1-103. Functions of department of commerce — community development.** *(1)* The department of commerce shall:

~~(1)~~*(a)* cooperate with and provide technical assistance to county, municipal, state, and regional planning commissions, zoning commissions, parks or recreation boards, community development groups, community action agencies, and similar agencies created for the purposes of aiding and encouraging orderly, productive, and coordinated development of the communities of the state;

~~(2)~~*(b)* assist the governor in coordinating the activities of state agencies that have an impact on solution of community development problems and implementation of community plans;

~~(3)~~*(c)* serve as a clearinghouse for information, data, and other materials that may be helpful or necessary to local governments to discharge their responsibilities and provide information on available federal and state financial and technical assistance;

~~(4)~~*(d)* carry out continuing studies and analyses of the problems faced by communities within the state and develop those recommendations for administrative or legislative action as appear necessary. In carrying out the studies and analyses and in providing technical assistance to communities, the department shall pay particular attention to the planning and financing of public facilities and to the problems of metropolitan, suburban, and other areas in which economic and population factors are rapidly changing.

~~(5)~~*(e)* administer the federal community development block grant program and adopt rules to implement the program.

(2) In partial fulfillment of its duties under subsection (1), by January 1, 2003, the department shall have developed and published examples of subdivision regulations that provide incentives for and remove disincentives to cluster development. The examples need not be limited to the local option cluster development regulations authorized in [section 6] and may include any cluster

development regulations that are authorized under Title 76, chapter 3. In developing the examples of regulations, the department shall seek the advice of interested parties. The department shall provide technical assistance to local governments that are developing cluster development regulations, as provided in subsection (1)(a)."

Section 10. Codification instruction. [Section 6] is intended to be codified as an integral part of Title 76, chapter 3, part 5, and the provisions of Title 76, chapter 3, part 5, apply to [section 6].

Section 11. Effective dates. (1) Except as provided in subsection (2), [this act] is effective October 1, 2001.

(2) [Section 9 and this section] are effective on passage and approval.

(c) make a reasonable effort to obtain all relevant information, including information as to income and property of the parties;

(d) *within 2 days, exclusive of Saturdays, Sundays, and legal holidays,* after receipt of a written notice from an initiating, responding, or registering tribunal, ~~promptly~~ send a copy of the notice to the petitioner;

(e) *within 2 days, exclusive of Saturdays, Sundays, and legal holidays,* after receipt of a written communication from the respondent or the respondent's attorney, ~~promptly~~ send a copy of the communication to the petitioner; and

(f) notify the petitioner if jurisdiction over the respondent cannot be obtained.

(3) This part does not create or negate a relationship of attorney and client or other fiduciary relationship between a support enforcement agency or the attorney for the agency and the individual being assisted by the agency.

(4) For purposes of this part, the department of public health and human services is the support enforcement agency for this state as provided in Title 40, chapter 5, parts 2, 4, and 6. All the provisions of this part must be interpreted as

supplemental to and cumulative with the department's powers and duties under those provisions. In all other cases, the county attorney in the county in which an action must be filed is the support enforcement agency."

Section 9. Section 40-5-173, MCA, is amended to read:

"40-5-173. Costs and fees. (1) The petitioner may not be required to pay a filing fee or other costs to initiate a proceeding under this part.

(2) If an obligee prevails, a responding tribunal may assess against an obligor the filing fees, reasonable attorney fees, other costs, and necessary travel and other reasonable expenses incurred by the obligee and the obligee's witnesses. Except as provided by other law, the tribunal may not assess fees, costs, or expenses against the obligee or the support enforcement agency of either the initiating or the responding state. Attorney fees may be taxed as costs and may be ordered paid directly to the attorney, who may enforce the order in the attorney's own name. Payment of current support owed to the obligee has priority over fees, costs, and expenses.

(3) The tribunal shall order the payment of costs and reasonable attorney fees if it determines that a hearing was requested primarily for delay. In a proceeding under 40-5-184 through 40-5-195, a hearing is presumed to have been requested primarily for delay if a registered support order is confirmed or enforced without change.

~~(4) The standardized schedule of fees established by the department of public health and human services under 40-5-210 is conclusive in any action under this section. Any fees or costs recoverable under subsection (2) that are not included in the standardized schedules are recoverable under subsection (2).~~"

Section 10. Section 40-5-247, MCA, is amended to read:

"40-5-247. Warrant for distraint — effect — satisfaction of support lien — redemption. (1) (a) The department may issue a warrant for distraint to execute support liens established by 40-5-248 or to enforce and collect any money obligation authorized under this chapter.

(b) The warrant must be an order, under official seal of the department, directed to a sheriff of any county of the state or to any levying officer authorized by law to enforce a district court judgment. The order must command the recipient to levy upon and sell nonexempt real and personal property to satisfy the support lien upon which the warrant is based. The warrant must include notice of:

(i) the existence of exemptions from execution;

(ii) the procedure by which an exemption may be claimed; and

(iii) the right to request a hearing to determine an exemption claim.

(c) A warrant must be signed by the director of the department or the director's designee.

(d) The warrant must be for the amount of the support lien or the amount of any other money obligation determined under this chapter, including interest and fees, if any.

(e) A warrant for distraint has the same effect as a writ of execution issued by a district court to enforce money judgments.

(2) (a) A warrant for distraint may be sent by the department to the sheriff or levying officer. Upon receipt of the warrant, the sheriff or levying officer shall proceed to execute upon the warrant in the same manner as prescribed for execution upon a judgment.

(b) A warrant for distraint may also be served by acknowledgment of service upon an entity that has entered into an agreement with the department to accept service of a warrant for distraint. Upon receipt of the warrant, the served entity shall proceed to execute upon the warrant in the same manner as prescribed for execution upon a judgment and shall return the warrant, along with any funds collected, within 90 days of receipt of the warrant.

~~(b)~~*(c)* A copy of the warrant must be mailed to the obligor at the obligor's last-known address at or promptly after the time of seizure.

~~(c)~~*(d)* Within 10 days after the date of the mailing of the warrant to the obligor, an obligor claiming an exemption may request a hearing to determine the existence of the exemption. The department shall convene a contested case hearing to determine the claimed exemption. An order entered under this section is a final agency order, subject to judicial review under Title 2, chapter 4, part 7.

~~(d)~~*(e)* A sheriff or levying officer shall return a warrant, along with any funds collected, within 90 days of the receipt of the warrant.

~~(e)~~*(f)* Funds resulting from execution upon the warrant must first be applied to the sheriff's or levying officer's costs, any superior liens, the support lien, or other money obligation and to any inferior liens. Any amounts in excess of this distribution must be paid to the obligor.

~~(f)~~*(g)* If the warrant is returned not fully satisfied, the department has the same remedies to collect the deficiency as are available for any civil judgment.

(3) A sheriff's or levying officer's levy against real and personal property of the obligor is not limited to property in possession of persons or other entities given notice of a support lien under 40-5-242.

(4) (a) Upon receiving payment in full of the unpaid warrant amount plus penalty and fees, if any, and accumulated interest, the department shall release the warrant.

(b) Upon receiving partial payment of the unpaid warrant amount or if the department determines that a release or partial release of the warrant will facilitate the collection of the unpaid amount, penalty, and interest, the department may release or may partially release the warrant for distraint. The department may release the warrant if it determines that the warrant is unenforceable.

(5) An obligor or other person or entity having an interest in real or personal property levied upon by a warrant for distraint at any time prior to sale of the property may pay the amount of the support lien or other money obligation and any costs incurred by the sheriff or levying officer serving the warrant. Upon payment in full, the property must be restored to the obligor or other person and all proceedings on the warrant must cease.

(6) An obligor or other person or entity having an interest in real property levied upon and sold by a sheriff or levying officer pursuant to a warrant for distraint may, within 240 days after sale of the property, redeem the property by making payment to the purchaser in the amount paid by the purchaser plus

interest at the statutory interest rate payable on judgments recovered in the district court.

(7) At any time after distraint of property under a warrant for distraint, the department may release all or part of the seized property without liability if payment of the support lien or other money obligation is assured or if the action will facilitate collection of the support lien or other money obligation. The release or return does not operate to prevent future action to collect the warrant amount from the same or other property.

(8) The department may issue a warrant for distraint to collect a support lien or other money obligation under this section at any time within the statutory limitation period for enforcing and collecting delinquent child support.

(9) The use of the warrant for distraint is not exclusive, and the department may use any other remedy provided by law for the collection of child support amounts."

Section 11. Section 40-5-248, MCA, is amended to read:

"**40-5-248. Lien against real and personal property — effect of lien — interest — warrant for distraint.** (1) There is a support lien on the real and personal property of an obligor:

(a) when the department has entered a final decision in a contested case under this chapter that finds the obligor owes a sum certain debt either to ~~this~~ *the* department or to an obligee, or both; or

(b) upon registration under 40-5-271 of a support order that includes finding that the obligor owes a sum certain amount of delinquent support.

(2) A support lien is for the amount required to satisfy:

(a) the sum certain debt shown in a final decision in a contested case under this chapter or the sum certain support debt included in any support order registered under 40-5-271;

(b) interest claimed under this section; and

(c) any fees that may be due under 40-5-210.

(3) A support lien has the priority of a secured creditor from the date the lien is perfected as provided by this section; however, the lien is subordinate to:

(a) any prior perfected lien or security interest;

(b) a mortgage, the proceeds of which are used by an obligor to purchase real property; or

(c) any perfected purchase money security interest, as [defined in 30-9-107] described in 30-9-321.

(4) Support liens remain in effect until the delinquency upon which the lien is based is satisfied or until ~~2 years after the child to whom the support lien is related attains the age of majority~~ *the applicable statute of limitations expires*, whichever occurs first.

(5) The lien applies to all real and personal property owned by the obligor if it can be located in the state. The lien applies to all real and personal property that the obligor can afterward acquire. Except as provided in subsections (5)(a) and (5)(b), the department may not impose a lien under this section upon a self-sufficiency trust established pursuant to Title 53, chapter 18, part 1, or upon

the assets of a self-sufficiency trust established pursuant to Title 53, chapter 18, part 1.

(a) The department may impose a lien under this section upon a self-sufficiency trust or upon the assets of a self-sufficiency trust established pursuant to Title 53, chapter 18, part 1, if the department is required by federal law to recover or collect from the trust or its assets as a condition of receiving federal financial participation for the child support enforcement program or the FAIM financial assistance program.

(b) To the extent otherwise permitted by this section, the department is not precluded from asserting a claim or imposing a lien upon real or personal property prior to transfer of the property to the trust. If the department imposes a lien upon property prior to transfer to a self-sufficiency trust, any transfer of the property to the trust is subject to the lien.

(6) The department shall keep a record of support liens asserted under this section in the registry of support orders established by 40-5-271.

(7) A support lien is perfected:

(a) as to real property, upon filing a notice of support lien with the clerk of the district court in the county or counties in which the real property is or may be located at the time of filing or at any time in the future;

(b) as to motor vehicles or other items for which a certificate of ownership is issued by the department of justice, upon filing a notice of support lien with the department of justice in accordance with the provisions of Titles 23 and 61;

(c) as to all other personal property, upon filing a notice of support lien in the place required to perfect a security interest under [30-9-401] 30-9-321. The county clerk and recorder or the secretary of state, as appropriate, shall cause the notice of support lien to be marked, held, and indexed as if the notice of support lien were a financing statement within the meaning of the Uniform Commercial Code.

(8) A buyer, in the ordinary course of business, who buys an obligor's personal property for value and who buys in good faith and without knowledge of the support lien takes the property free of the support lien.

(9) (a) The department may charge interest on the support lien at the rate of 1% per month.

(b) Interest accrues at the close of the business day on the last day of each month and is calculated by multiplying the unpaid balance of the lien, including prior accrued interest existing at the end of the day, by the applicable rate of interest.

(c) A provision of this section may not be construed to require the department to maintain interest balance due accounts. The department may waive interest if waiver would facilitate the collection of the debt.

(d) Interest under this subsection (9) is in addition to and not in substitution for any other interest accrued or accruing under any other provision of law.

(10) (a) Upon receiving payment in full of the amount of the lien plus interest and fees, if any, the department shall take all necessary steps to release the support lien.

(b) Upon receiving partial payment of the support lien or if the department determines that a release or partial release of the lien will facilitate the collection of support arrearages, the department may release or partially release the support lien. The department may release the support lien if it determines that the lien is unenforceable.

(11) A support lien under this section is in addition to any other lien created by law.

(12) A support lien under this section may not be discharged in bankruptcy.

(13) Support liens provided for by this section may be enforced or collected through the warrant for distraint provided for by 40-5-247. (Bracketed references deleted July 1, 2001.)"

Section 12. Section 40-5-273, MCA, is amended to read:

"**40-5-273. Administrative review of child support orders — modifying orders.** (1) A review application setting forth facts meeting any of the criteria for review of a child support order established in 40-5-272 must be scheduled for an administrative review. Unless the department determines under rules of the department that an in-person review is necessary, the review must be conducted by teleconferencing methods. A notice that an administrative review will be conducted must be served either personally or by certified mail on the obligor and the obligee. If service is by certified mail, the department must receive a return receipt signed by the person to whom the notice was mailed for the service to be effective. *Service of the notice is considered to be effective if, in the absence of a return receipt, the person to whom the notice was mailed requests a hearing or appears at the administrative review.* The notice must include the following information as an exception to 2-4-601:

(a) a statement of the purpose, objectives, and possible consequences of the review;

(b) a statement of the right of the obligor and the obligee to request the department to issue subpoenas compelling the appearance of witnesses and the production of documents for a hearing; and

(c) a requirement that the obligor and the obligee provide the department with telephone numbers at which they and their witnesses may be contacted for the review.

(2) The department may issue an order commanding the obligor or the obligee, or both, to produce financial information. The order must be served either personally or by certified mail with the notice that a review will be conducted. If service is by certified mail, the department must receive a return receipt signed by the person to whom the order was mailed for the service to be effective. The department may also issue subpoenas ordering the parties to produce information in their possession about the obligor and the obligee that may be reasonably necessary for application of the guidelines. Any information so obtained by the department must be provided to the parties before a hearing.

(3) The requested modification of the order must be determined on the evidence submitted to the department under the following conditions:

(a) If an applicant other than the department fails to provide a telephone number for the review or fails to be at the number provided when telephoned for the review, the failure may be considered a withdrawal of the application.

(b) If a party other than the applicant fails to provide a telephone number for the review or fails to be at the number provided when telephoned for the review, the failure is considered to mean that the party does not oppose the modification.

(c) If the department is the applicant and if either the obligor or the obligee, or both, fails to provide a telephone number for the review or fails to be at the number provided when telephoned for the review, the failure may be considered an admission that the party or parties do not oppose the modification.

(4) (a) An order entered under the circumstances described in subsection (3)(a), (3)(b), or (3)(c) becomes final within 30 days of issuance unless a party provides the hearings officer an affidavit showing good cause for failure to provide a telephone number or failure to be available when telephoned.

(b) A proposed modification consent order or notice of proposed modification becomes final 30 days after issuance unless during that period a party files with the department a written request for further administrative proceedings.

(c) The department shall grant a modification hearing if it receives a timely written request by a party aggrieved by the department's determination. The hearing is subject to the provisions of this section relating to a review. The department may adopt rules regulating the fair and efficient conduct of the hearing. Unless the department determines under department rules that an in-person hearing is necessary, the hearing must be conducted by teleconferencing methods.

(5) A provision of law may not be construed to mean that an obligor or an obligee is a client of the department, and the department is not considered a party to the action.

(6) (a) In addition to the powers and duties provided by other law, the department shall, to ensure the equitable determination of a support obligation, during a review:

(i) question witnesses in a nonadversarial manner to elicit full disclosure of all pertinent facts;

(ii) introduce evidence on behalf of the parties;

(iii) apply the guidelines to the facts elicited from the review; and

(iv) inquire as to any circumstances that may require variance from the guidelines.

(b) If a party is represented by legal counsel, the department may allow the counsel to present that party's case.

(7) The department shall determine a support obligation in accordance with the guidelines and shall issue a modifying order. A stipulation by the parties in a proceeding under this section may not be contested before entry of the final department order. If the department determines that the difference between the existing support order and the amount determined under the guidelines is negligible under rules issued by the department, the modifying order may not change the amount of the support obligation. Even though the review may indicate that a modification of the support obligation is appropriate, the department may not modify the support order if the department determines, after the review, that to do so would not be in the best interests of the child under the rules issued by the department. An increase in child support is presumed to be in the best interests of the child unless, after a review, either the obligor or the

obligee demonstrates it would not be in the best interests of the child. The modifying order may modify the underlying support order from the date of service of a notice that an administrative review will be conducted under this section and may modify the underlying order from the date found to be the date that the amount required for support decreased. The obligee may be ordered to repay the obligor for any support amount overpayment found to have been paid since the date that the amount required for support decreased. If the case is a IV-D case, the department shall, on request of the obligor, enforce the obligee's repayment of the overpaid amount using any procedure provided in this chapter for payment, enforcement, and collection of child support or a delinquency.

(8) The department shall consider whether or not health insurance for the child is available and shall include an appropriate requirement for the provision of the child's health insurance needs in a modifying order in accordance with part 8 of this chapter.

(9) In addition to complying with other requirements of law, the modifying order must include provisions:

(a) that each party, other than the department, is required to promptly file with the department and update, as necessary, information on:

(i) the identity of the party;

(ii) the party's social security number;

(iii) the party's residential and mailing addresses;

(iv) the party's telephone number;

(v) the party's driver's license number;

(vi) the name, address, and telephone number of the party's employer; and

(vii) if the child is covered by a health or medical insurance plan, the name of the insurance carrier or medical insurance plan, the policy identification number, the names of the persons covered, and any other pertinent information regarding coverage or, if the child is not covered, information as to availability of coverage for the child through the obligor's and obligee's employers;

(b) that in a subsequent child support enforcement action, upon sufficient showing that diligent effort has been made to ascertain the location of a party, the department's due process requirements for notice and service of process are met with respect to the party upon delivery of written notice by regular mail to the most recent known address of the party or the party's employer's address reported to the department; and

(c) that the modifying order is subject to future administrative review and modification by the department upon the request of the department or a party under 40-5-271 through 40-5-273 when the department is providing services under IV-D.

(10) The department shall keep information provided under subsection (9)(a) confidential except as necessary for purposes of Title IV-D of the Social Security Act.

(11) An order entered under this section by the department is a final agency decision, subject to judicial review pursuant to the Montana Administrative Procedure Act, except as provided in 40-5-253. An order entered under this section must notify the parties that the order is subject to judicial review under

Title 2, chapter 4, part 7. A final order entered under a stipulation of parties waives the stipulating parties' right to judicial review.

(12) The parties to the support order and the department when it is providing services under IV-D may enforce the support order or modify that order independently, as provided in 40-4-208 and 53-2-613(5)(d)."

Section 13. Section 40-5-403, MCA, is amended to read:

"**40-5-403. Definitions.** As used in this part, the following definitions apply:

(1) "Alternative arrangement" means a written agreement between the obligor and obligee, and the department in the case of an assignment of rights under 53-2-613, that has been approved and entered in the record of the court or administrative authority issuing or modifying the support order.

(2) "Department" means the department of public health and human services provided for in 2-15-2201.

(3) "Employer" includes a payor.

(4) "Income" means any form of periodic payment to a person, regardless of source, including commissions, bonuses, workers' compensation, disability payments, payments under a pension or retirement program, interest, and earnings and wages. However, income does not include:

(a) any amount required by law to be withheld, other than creditor claims, including federal, state, and local taxes and social security; and

(b) any amounts exempted from judgment, execution, or attachment by federal or state law.

(5) "Obligee" means either a person to whom a duty of support is owed or a public agency of this or another state to which a person has assigned the right to receive current and accrued support payments.

(6) "Obligor" means a person who owes a duty to make payments under a support order.

(7) "Payor" means any payor of income to an obligor on a periodic basis and includes any person, firm, corporation, association, employer, trustee, political subdivision, state agency, or any agent thereof who is subject to the jurisdiction of the courts of this state under Rule 4B of the Montana Rules of Civil Procedure *or any employer under the Uniform Interstate Family Support Act contained in part 1 of this chapter*.

(8) "Support order" has the meaning provided in 40-5-201."

Section 14. Section 40-5-415, MCA, is amended to read:

"**40-5-415. Order to withhold income — rules.** (1) When the requirements of this part have been met, the department shall serve an order or modification order to withhold and deliver income upon any payor or combination of payors. The order must:

(a) direct the payor and successor payors to withhold from the obligor's income each month the amount specified in the order if sufficient funds are available;

(b) direct the payor to deliver the amount withheld to the department in the same month in which the funds were withheld:

(c) state that the order is binding on the payor until further notice by the department;

(d) state the rights and duties of the payor under this part; and

(e) include a statement that the obligor is required under a support order to provide health insurance coverage for the obligor's child, if appropriate.

(2) An order or modification order to withhold and deliver the obligor's income made under this section is binding upon the payor immediately upon service of the order upon the payor. Service of the order or modification order to withhold may be made either personally ~~or~~, by certified mail, *or by electronic service upon an entity that has entered into an agreement with the department to accept electronic service of an order entered under this part.*

(3) Whenever there is more than one payor, the department may, in its discretion, apportion the total amount to be withheld each month among payors. Whenever an obligor's income is subject to withholding for more than one obligee, the department may consolidate the payments received each month and distribute the income among the obligees according to department rules."

Section 15. Section 40-5-909, MCA, is amended to read:

"40-5-909. Centralized payment center — mandatory payments to center. (1) Payments due under a support order must be paid through the department for processing and distribution to the person or agency entitled to receive the payment whenever:

(a) the case is receiving IV-D services; or

(b) the support obligation is payable through non IV-D income withholding.

(2) A support order entered or modified in this state after October 1, 1998, that excludes the obligor from paying support through income withholding must provide that:

(a) if the case is or later becomes a IV-D case or if support becomes payable through IV-D or non IV-D income withholding, support payments must be paid through the department; and

(b) a payment that is not made to the department does not constitute payment of support or credit toward satisfaction of the support obligation unless the payment is verified by the department to its satisfaction.

(3) (a) If a support order does not include the provisions required by subsection (2) or directs payment of support to a payee other than the department, the department may give written notice to the obligor and obligee directing or redirecting payments to the department. After receipt of the notice, payment other than as directed does not constitute payment of support or credit toward satisfaction of the support obligation.

(b) An obligor who redirects payments to the department is not liable to the obligee or answerable to the court for not making payments as directed by the court.

(c) While support is required to be paid through the department, the notice directing or redirecting payments to the department may not be superseded by any subsequent order of a court or agency directing the obligor to make payments other than to the department.

(4) After the obligor has been ordered or directed to make payments to the department under this section, the obligor shall make the payments to the department and is not entitled to credit against a support obligation for payment made to a person or agency other than the department.

(5) (a) When the obligor is paying support through IV-D or non IV-D income withholding, the income-withholding order must direct the payor to make the payments through the department.

(b) If a payor is directed by the income-withholding order to make payments to a payee other than the department, the department may redirect the payments to the department by written order to the employer or payor. The order supersedes any prior, inconsistent court or agency order.

(c) For as long as income withholding is appropriate to the case, the directive to the payor to make payments to the department may not be superseded by any subsequent order of a court or agency directing payments to any other payee.

(6) (a) An employer who receives an income-withholding order issued in another state, as defined in 40-5-103, may contact the department to determine whether the withholding order was issued by the appropriate authority.

(b) The employer may elect to forward the funds to the department for distribution.

(c) If the employer elects under this section to forward the funds to the department for distribution, the employer shall immediately provide a copy of the income-withholding order to the department.

(7) Income-withholding orders may be issued in this state pursuant only to 40-5-308 through 40-5-315 and 40-5-401 through 40-5-432.

~~(6)~~*(8)* Payments of support that are received by the department in interstate cases or as the result of a writ of execution, warrant for distraint, state and federal tax offset, or similar enforcement remedy must be processed through the case management and payment processing unit.

~~(7)~~*(9)* (a) If, through a private collection action, an obligee obtains a payment of support that must be processed and distributed through the case management and payment processing unit, the obligee shall forward the payment to the department within 5 working days of the receipt of the payment.

(b) If the department takes an enforcement action against the obligor because the obligee failed to timely forward a payment of support under subsection ~~(7)(a)~~ *(9)(a)*, the obligee is liable in a civil action to the obligor for the amount that should have been forwarded to the department.

~~(8)~~*(10)* (a) Payments made to the department under this section must be by cash, personal or business check, money order, automatic bank account withdrawal, certified funds, electronic funds transfer services, or any other means acceptable to the department.

(b) Payments may not be credited to the obligor's child support obligation until actually received by the department.

(c) The withholding of income by a payor or employer under an order to withhold issued under Title 40, chapter 5, part 3 or 4, is not alone sufficient for credit against an obligor's support obligation. Payments withheld from an obligor's income that are not actually received by the department may not be credited to the obligor's child support obligation. The payor or employer is liable to the obligor in a civil action initiated by the obligor for the amount withheld but not paid to the department.

(d) A check presented to the department as payment, whether by the obligor, the obligor's employer, or another payor on the obligor's behalf, that is dishonored by the issuing bank may not be credited to the obligor's child support obligation.

(e) A payment made out to or delivered to any other person or agency other than to the department may not be credited to the obligor's support obligation.

~~(9)~~*(11)* An uncredited payment under this section is considered as still owed by the obligor and may be collected using any remedy available under law."

Section 16. Section 40-5-910, MCA, is amended to read:

"40-5-910. Distribution of payments. (1) Support payments processed through the case processing unit must be promptly disbursed unless one of the following circumstances or a similar circumstance prevents prompt distribution:

(a) the location of the obligee is unknown;

(b) the support debt is in litigation or, in an income-withholding case, the income-withholding action is contested; or

(c) the department receives a payment that does not include sufficient information to identify the case or the obligee.

(2) A disbursement must comply with department rules for distribution in IV-D cases, *notwithstanding an endorsement or other writing accompanying the payment that restricts disbursement or purports to direct disbursement in a manner contrary to the department's rules.*

(3) If the department is unable to make a distribution because the obligee's location is unknown, the department shall return the payment to the obligor.

(4) If a payment properly distributed under this section is later determined by a court or by department decision to be refundable to the obligor for any reason, except for when the department is the obligee, the department need not pay the refund or recover the refunded amount from the obligee or from any person or agency to whom the amount was distributed.

(5) If the department distributes a support payment in error or if a distribution is made to a person, obligee, or agency not entitled to retain the distributed amount, the department may obtain restitution by means of a setoff against future payments, including arrears payments, received on behalf of the person, obligee, or agency. A setoff against future payments of current support is limited to 10% of the payment."

Section 17. Section 40-6-215, MCA, is amended to read:

"40-6-215. When parent ~~liable~~ *responsible* for ~~necessaries~~ *necessities and financial assistance* supplied to child. *(1)* If a parent *with a duty to support a child fails to,* neglects to, *refuses to, or otherwise does not* provide *necessary* articles ~~necessary~~ *or financial assistance* for ~~his child under his charge~~ *the child's support*, according to ~~his~~ *the parent's* circumstances, a *relative or* third person may in good faith supply ~~such necessaries~~ *the necessary articles or financial assistance* and recover the reasonable value ~~thereof~~ from the parent.

(2) (a) If by court order or express or implied consent of either parent, a child resides with and is supported in the home of a relative or third person, the child's parent or parents shall provide support for the child to the relative or third person.

(b) A relative or third person may receive support under the substitute payee provisions of 40-4-204(8) or a similar law, or if the substitute payee laws are not applicable, the relative or third person may apply for establishment of a support order to any court or administrative agency with authority to enter child support orders.

(3) A parent's duty to support and maintain a child is not abrogated by the child's abandoning the parent's home or by any other voluntary act unless a court has determined the child to be an emancipated minor not in need of parental support."

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 61-10-1101, MCA, is amended to read:

"61-10-1101. Multistate Highway Transportation Agreement — enactment and text. The Multistate Highway Transportation Agreement is hereby enacted into law and entered into with all other jurisdictions legally joining ~~therein~~ *in the agreement* in the form substantially as follows:

MULTISTATE HIGHWAY TRANSPORTATION AGREEMENT

Pursuant to and in conformity with the laws of their respective jurisdictions, the participating jurisdictions, acting by and through their officials lawfully authorized to execute this agreement, do mutually agree as follows:

Article I. Findings and Purposes

Section 1. Findings. The participating jurisdictions find that:

(a) the expanding regional economy depends on expanding transportation capacity;

(b) highway transportation is the major mode for movement of people and goods in the western states;

(c) uniform application in the West of more adequate vehicle size and weight standards will result in a reduction of pollution, congestion, fuel consumption, and related transportation costs, which are necessary to permit increased productivity;

(d) a number of western states, already having adopted substantially the 1964 bureau of public roads recommended vehicle size and weight standards, still find current federal limits more restrictive; *and*

(e) ~~the 1974 revision of federal law (23 U.S.C. 127) did not contain any substantial improvements for vehicle size and weight standards in the western states and deprives states of interstate matching money if vehicle weights and~~

~~widths are increased, even though the interstate system is nearly 92% complete; and~~

~~(f)~~ the participating jurisdictions are most capable of developing vehicle size and weight standards most appropriate for the regional economy and transportation requirements, consistent with and in recognition of principles of highway safety.

Section 2. Purposes. The purposes of this agreement are to:

(a) adhere to the principle that each participating jurisdiction should have the freedom to develop vehicle size and weight standards that it determines to be most appropriate to its economy and highway system;

(b) establish a system authorizing the operation of vehicles traveling between two or more participating jurisdictions at more adequate size and weight standards;

(c) promote uniformity among participating jurisdictions in vehicle size and weight standards on the basis of the objectives set forth in this agreement;

(d) secure uniformity, insofar as possible, of administrative procedures in the enforcement of recommended vehicle size and weight standards;

(e) provide means for the encouragement and utilization of research that will facilitate the achievement of the foregoing purposes, with due regard for the findings set forth in section 1 of this article*; and*

(f) facilitate communication between legislators, state transportation administrators, and commercial industry representatives in addressing the emerging highway transportation issues in participating jurisdictions.

Article II. Definitions

Section 1. As used in this agreement:

(a) *"cooperating committee" means a committee composed of the designated representatives from the participating jurisdictions;*

(b) "designated representative" means a legislator or other person authorized *under Article XII* to represent the jurisdiction;

~~(b)~~*(c)* "jurisdiction" means a state of the United States or the District of Columbia;

~~(c)~~*(d)* "vehicle" means any vehicle ~~as~~ defined by statute ~~to be~~ *as* subject to size and weight standards that operates in two or more participating jurisdictions.

Article III. General Provisions

Section 1. Qualifications for membership. Participation in this agreement is open to jurisdictions that subscribe to the findings, purposes, and objectives of this agreement and will seek legislation necessary to accomplish these objectives.

Section 2. Cooperation. The participating jurisdictions, working through their designated representatives, shall cooperate and assist each other in achieving the desired goals of this agreement pursuant to appropriate statutory authority.

Section 3. Effect of headings. Article and section headings contained ~~herein~~ *in this agreement* may not be considered to govern, limit, modify, or in any manner affect the scope, meaning, or intent of the provisions of any article or section ~~hereof~~ *of the agreement.*

Section 4. Vehicle laws and regulations. This agreement does not authorize the operation of a vehicle in any participating jurisdiction contrary to the laws or regulations ~~thereof~~ *of the jurisdiction.*

Section 5. Interpretation. The final decision regarding interpretation of questions at issue relating to this agreement ~~shall~~ *must* be reached by unanimous joint action of the participating jurisdictions, acting through the designated representatives. Results of all ~~such~~ actions ~~shall~~ *must* be placed in writing.

Section 6. Amendment. This agreement may be amended by unanimous joint action of the participating jurisdictions, acting through the officials ~~thereof~~ *of the jurisdictions* authorized to enter into this agreement, subject to the requirements of section 4, Article III. Any amendment ~~shall~~ *must* be placed in writing and become a part ~~hereof~~ *of the agreement.*

Section 7. Restrictions, conditions, or limitations. Any jurisdiction entering this agreement shall provide each other participating jurisdiction with a list of any restriction, condition, or limitation on the general terms of this agreement, if any.

Section 8. Additional jurisdictions. Additional jurisdictions may become members of this agreement by signing and accepting the terms of the agreement.

Article IV. Cooperating Committee

Section 1. *Each participating jurisdiction must have two designated representatives.* Pursuant to section 2, Article III, the designated representatives of the participating jurisdictions ~~shall~~ constitute a *the cooperating* committee that ~~shall have the power to~~ *may*:

(a) collect, correlate, analyze, and evaluate information resulting or derivable from research and testing activities in relation to vehicle size and weight related matters;

Section 2. Each *designated representative of a* participating jurisdiction ~~shall be~~ *is* entitled to one vote only. ~~No~~ *An* action of the committee ~~shall~~ *may not* be ~~binding~~ *approved* unless a majority of the total number of votes cast by *the designated representatives of the* participating jurisdictions are in favor ~~thereof~~ *of the action.*

Article V. Objectives of the Participating Jurisdictions

Section 1. Objectives. The participating jurisdictions hereby declare that:

(a) it is the objective of the participating jurisdictions to obtain more efficient and more economical transportation by motor vehicles between and among the participating jurisdictions by encouraging the adoption of standards that will, as minimums, allow the operation on all state highways, except those determined through engineering evaluation to be inadequate, with a single-axle weight not in excess of 20,000 pounds, a tandem-axle weight not in excess of 34,000 pounds, and a gross vehicle or combination weight not in excess of that resulting from application of the formula:

$$W = 500((LN/(N - 1)) + 12N + 36) \text{where}$$

W = maximum weight in pounds carried on any group of two or *more consecutive axles* computed to nearest 500 pounds;

L = distance in feet between the extremes of any group of two or more consecutive axles;

N = number of axles in group under consideration;

(b) it is the further objective of the participating jurisdictions that ~~in the event~~ the operation of a vehicle or combination of vehicles *in interstate commerce* according to the provisions of subsection (a) of this section ~~would result in withholding or forfeiture of federal-aid funds pursuant to section 127, Title 23, U.S. Code, the operation of such vehicle or combination of vehicles at axle and gross weights within the limits set forth in subsection (a) of this section will~~ be authorized under special permit authority by each participating jurisdiction ~~that could legally issue such permits prior to July 1, 1956, provided all regulations and procedures related to such issuance in effect as of July 1, 1956, are adhered to~~ *for vehicle combinations in excess of statutory weight of 80,000 pounds or statutory lengths*;

(c) ~~the objectives of subsections (a) and (b) of this section relate to vehicles or combinations of vehicles in regular operation, and the authority of any participating jurisdiction to issue special permits for the movement of any vehicle or combinations of vehicles having dimensions and/or weights in excess of the maximum statutory limits in each participating jurisdiction will not be affected;~~

~~(d)~~ it is the further objective of the participating jurisdictions to facilitate and expedite the operation of any vehicle or combination of vehicles between and among the participating jurisdictions under the provisions of subsection (a) or (b) of this section, and to that end the participating jurisdictions hereby agree, through their designated representatives, to meet and cooperate in the consideration of vehicle size and weight related matters including but not limited to the development of uniform enforcement procedures; additional vehicle size and weight standards; operational standards; agreements or compacts to facilitate regional application and administration of vehicle size and weight standards; uniform permit procedures; uniform application forms; rules for the operation of vehicles, including equipment requirements, driver qualifications, and operating practices; and ~~such~~ other matters as may be pertinent;

~~(e)~~*(d)* ~~in recognition of the limited prospects of federal revision of section 127, Title 23, U.S. Code, and in order to protect participating jurisdictions against any possibility of withholding or forfeiture of federal-aid highway funds, it is the further objective of the participating jurisdictions to~~ *the cooperating committee may recommend that the participating jurisdictions jointly* secure congressional approval of this agreement and specifically of the vehicle size and weight standards set forth in subsection (a) of this section;

~~(f) in recognition of desire for a degree of national uniformity of size and weight regulations, it is the further objective to encourage development of broad, uniform size and weight standards on a national basis and further that procedures adopted under this agreement be compatible with national standards~~

(e) it is the further objective of the participating jurisdictions to:

(1) establish transportation laws and regulations to meet regional and economic needs and to promote an efficient, safe, and compatible transportation network;

(2) develop standards that facilitate the most efficient and environmentally sound operation of vehicles on highways consistent with and in recognition of principles of highway safety; and

(c) the approximate number of mills required; and

(d) the specific mill levy limitation to be exceeded.

(2) (a) Except as provided in subsection (2)(b), the governing body shall submit the question of the additional mill levy to the qualified electors of the county at the next regular primary election held in an even-numbered year.

(c) If the majority voting on the question are in favor of the additional levy or levies, the governing body is authorized to exceed the statutory mill levy limit in the amount specified in the resolution for a period not to exceed 2 years.

(3) An election is not required for a governing body to impose less than the maximum number of mills or to carry forward authorization to impose the maximum number of mills in a subsequent tax year as provided in 15-10-420(1)(b)."

Section 2. Section 7-6-4431, MCA, is amended to read:

"**7-6-4431. Authorization to exceed** ***or impose less than*** **maximum mill levy — election required** ***to exceed*****.** The governing body of a municipality may raise money by taxation for the support of municipal government services, facilities, or other capital projects in excess of the levy or levies allowed by law under the following conditions:

qualified electors voting in an election under subsection (2). The resolution must include:

(a) the specific purpose for which the additional money will be used;

(b) the specific dollar amount to be raised;

(2) The governing body ~~must~~ *shall* submit the question of the additional mill levy to the qualified electors of the municipality at the next regular primary or general election on either odd-numbered or even-numbered years. The question may not be submitted more than once in any calendar year. If the majority voting on the question are in favor of the additional levy or levies, the governing body is authorized to exceed the statutory mill levy limit in the amount specified in the resolution for a period not to exceed 2 years.

(3) An election is not required for a governing body to impose less than the maximum number of mills or to carry forward authorization to impose the maximum number of mills in a subsequent tax year as provided in 15-10-420(1)(b)."

Section 3. Section 15-10-420, MCA, is amended to read:

"**15-10-420. Procedure for calculating levy.** (1) *(a)* A governmental entity that is authorized to impose mills may impose a mill levy sufficient to generate the amount of property taxes actually assessed in the prior year, even if that levy is greater than the levy established by law. The maximum number of mills that a governmental entity may impose is established by calculating the number of mills required to generate the amount of property tax actually assessed in the governmental unit in the prior year based on the current year taxable value, less the value of newly taxable property.

(b) A governmental entity that does not impose the maximum number of mills authorized under subsection (1)(a) may carry forward the authority to impose the number of mills equal to the difference between the actual number of mills imposed and the maximum number of mills authorized to be imposed. The mill authority carried forward may be imposed in a subsequent tax year.

(2) A governmental entity may apply the levy calculated pursuant to subsection (1)*(a)* plus any additional levies authorized by the voters to all property in the governmental unit, including newly taxable property.

(3) For purposes of this section, newly taxable property includes:

(a) annexation of real property and improvements into a taxing unit;

(b) construction, expansion, or remodeling of improvements;

(c) transfer of property into a taxing unit;

(d) subdivision of real property;

(e) reclassification of property;

(f) transfer of property from tax-exempt to taxable status; and

(g) revaluations caused by expansion, addition, replacement, or remodeling of improvements.

(4) Subsection (1)*(a)* does not apply to school district general fund levies and the school district levy for tuition obligations established in 20-5-324(5).

(5) For purposes of subsection (1)*(a)*, taxes imposed:

(a) include registration fees imposed on light vehicles under 61-3-561 and distributed under 61-3-509(2); and

(b) do not include net or gross proceeds taxes received under 15-6-131 and 15-6-132.

(6) In determining the maximum number of mills in subsection (1)*(a)*, the governmental entity shall take into account any change from the prior year in the amount of statutory reimbursements for changes in the property tax laws. The amount of motor vehicle disposition under 61-3-509(2), as that section read on December 31, 2000, is an increased statutory reimbursement. It may increase the number of mills to account for a decrease in reimbursements and shall decrease the number of mills to fully account for any increase in reimbursements.

(7) The department shall calculate the number of mills to be imposed for purposes of 15-10-107, 20-9-331, 20-9-333, 20-9-360, 20-25-423, 20-25-439, and 53-2-813. However, the number of mills calculated by the department may not exceed the mill levy limits established in those sections.

(8) The department may adopt rules to implement this section. The rules may include a method for calculating the percentage of change in valuation for purposes of determining the elimination of property, new improvements, or newly taxable property in a governmental unit."

Assessments made under this subsection (5)(a) or funds from any other source must be allocated to the association plan and the association portability plan in proportion to the needs of the two plans. If the needs of the association plan and the association portability plan exceed the funds generated by the 1% assessment, the association is then authorized to spend any funds appropriated by the legislature for the support of the plans.

~~(ii) The association may abate, in whole or in part, the 1% assessment if the needs of the association plan and the association portability plan do not require the funds generated by the full 1% assessment. The commissioner shall approve any abatement of the 1% assessment.~~

~~(iii)~~*(ii) (A)* Payment of an assessment is due within 30 days of receipt by a member of a written notice of the annual assessment. *After 30 days, the association shall charge a member:*

~~(iv)~~*(iii)* An associate member that ceases to do disability insurance business within the state remains liable for assessments through the calendar year in which the member ceased doing disability insurance business. The association may decline to levy an assessment against an association member if the assessment, as determined pursuant to this section, would not exceed ~~$10~~ *$50.*

(b) For purposes of this subsection (5), "total disability insurance premium" does not include premiums received from disability income insurance, credit disability insurance, disability waiver insurance, life insurance, medicare risk or other similar medicare health maintenance organization payments, or medicaid health maintenance organization payments.

(c) Any income in excess of the incurred or estimated claims expenses of the association plan and the association portability plan and the operating and administrative expenses of the association must be held at interest and used by the association to offset past and future losses due to claims expenses of the association plan and the association portability plan or be allocated to reduce association plan premiums.

(6) The proportion of the annual assessment allocated to the operation and expenses of the association plan, *not to include any amount of late payment penalty or interest charged,* may be offset by an association member against the premium tax payable by that association member pursuant to 33-2-705 for the year in which the annual assessment is levied. The insurance commissioner shall report to the office of budget and program planning, as a part of the information required by 17-7-111, the total amount of premium tax offset claimed by association members during the preceding biennium. The proportion of the annual assessment allocated to the operation and expenses of the association portability plan and levied against an association member may not be offset against the premium tax payable by that association member."

(e) If the change in appropriation right involves salvaged water, the proposed water-saving methods will salvage at least the amount of water asserted by the applicant.

(f) The water quality of an appropriator will not be adversely affected.

(g) The ability of a discharge permitholder to satisfy effluent limitations of a permit issued in accordance with Title 75, chapter 5, part 4, will not be adversely affected.

(3) The applicant is required to prove that the criteria in subsections (2)(f) and (2)(g) have been met only if a valid objection is filed. A valid objection must contain substantial credible information establishing to the satisfaction of the department that the criteria in subsection (2)(f) or (2)(g), as applicable, may not be met.

(4) The department may not approve a change in purpose of use or place of use of an appropriation of 4,000 or more acre-feet of water a year and 5.5 or more cubic feet per second of water unless the appropriator proves by a preponderance of evidence that:

(a) the criteria in subsection (2) are met; and

(b) the proposed change is a reasonable use. A finding of reasonable use must be based on a consideration of:

(i) the existing demands on the state water supply, as well as projected demands for water for future beneficial purposes, including municipal water supplies, irrigation systems, and minimum streamflows for the protection of existing water rights and aquatic life;

(ii) the benefits to the applicant and the state;

(iii) the effects on the quantity and quality of water for existing uses in the source of supply;

(iv) the availability and feasibility of using low-quality water for the purpose for which application has been made;

(v) the effects on private property rights by any creation of or contribution to saline seep; and

(vi) the probable significant adverse environmental impacts of the proposed use of water as determined by the department pursuant to Title 75, chapter 1, or Title 75, chapter 20.

(5) The department may not approve a change in purpose of use or place of use for a diversion that results in 4,000 or more acre-feet of water a year and 5.5 or more cubic feet per second of water being consumed unless:

(a) the applicant proves by clear and convincing evidence and the department finds that the criteria in subsections (2) and (4) are met; and

(b) for the withdrawal and transportation of appropriated water for out-of-state use, the department then petitions the legislature and the legislature affirms the decision of the department after one or more public hearings.

(6) The state of Montana has long recognized the importance of conserving its public waters and the necessity to maintain adequate water supplies for the state's water requirements, including requirements for federal non-Indian and Indian reserved water rights held by the United States for federal reserved lands and in trust for the various Indian tribes within the state's boundaries. Although the state of Montana also recognizes that, under appropriate conditions, the out-of-state transportation and use of its public waters are not in conflict with the public welfare of its citizens or the conservation of its waters, the following criteria must be met before out-of-state use may occur:

(a) The department and, if applicable, the legislature may not approve a change in appropriation right for the withdrawal and transportation of appropriated water for use outside the state unless the appropriator proves by clear and convincing evidence and, if applicable, the legislature approves after one or more public hearings that:

(i) depending on the volume of water diverted or consumed, the applicable criteria and procedures of subsection (2) or (4) are met;

(ii) the proposed out-of-state use of water is not contrary to water conservation in Montana; and

(iii) the proposed out-of-state use of water is not otherwise detrimental to the public welfare of the citizens of Montana.

(b) In determining whether the appropriator has proved by clear and convincing evidence that the requirements of subsections (6)(a)(ii) and (6)(a)(iii) will be met, the department and, if applicable, the legislature shall consider the following factors:

(i) whether there are present or projected water shortages within the state of Montana:

(ii) whether the water that is the subject of the proposed change in appropriation might feasibly be transported to alleviate water shortages within the state of Montana;

(iii) the supply and sources of water available to the applicant in the state where the applicant intends to use the water; and

(iv) the demands placed on the applicant's supply in the state where the applicant intends to use the water.

(c) When applying for a change in appropriation right to withdraw and transport water for use outside the state, the applicant shall submit to and comply with the laws of the state of Montana governing the appropriation and use of water.

(7) For any application for a change in appropriation right involving 4,000 or more acre-feet of water a year and 5.5 or more cubic feet per second of water, the department shall give notice of the proposed change in accordance with 85-2-307 and shall hold one or more hearings in accordance with 85-2-309 prior to its approval or denial of the proposed change. The department shall provide notice and may hold one or more hearings upon any other proposed change if it determines that the proposed change might adversely affect the rights of other persons.

(8) The department or the legislature, if applicable, may approve a change subject to *the* terms, conditions, restrictions, and limitations ~~as~~ *that* it considers necessary to satisfy the criteria of this section, including limitations on the time for completion of the change. The department may extend time limits specified in the change approval under the applicable criteria and procedures of 85-2-312(3).

(9) Upon actual application of water to the proposed beneficial use within the time allowed, the appropriator shall notify the department that the appropriation has been completed. The notification must contain a certified statement by a person with experience in the design, construction, or operation of appropriation works describing how the appropriation was completed.

(10) If a change is not completed as approved by the department or legislature or if the terms, conditions, restrictions, and limitations of the change approval are not complied with, the department may, after notice and opportunity for hearing, require the appropriator to show cause why the change approval should not be modified or revoked. If the appropriator fails to show sufficient cause, the department may modify or revoke the change approval.

(11) The original of a change approval issued by the department must be sent to the applicant, and a duplicate must be kept in the office of the department in Helena.

(12) A person holding an issued permit or change approval that has not been perfected may change the place of diversion, place of use, purpose of use, or place of storage by filing an application for change pursuant to this section.

(13) A change in appropriation right contrary to the provisions of this section is invalid. An officer, agent, agency, or employee of the state may not knowingly permit, aid, or assist in any manner an unauthorized change in appropriation right. A person or corporation may not, directly or indirectly, personally or through an agent, officer, or employee, attempt to change an appropriation right except in accordance with this section.

(14) The department may adopt rules to implement the provisions of this section. (Terminates June 30, 2005—sec. 6, Ch. 322, L. 1995; sec. 14, Ch. 487, L. 1995.)

(2) Except as provided in subsections (4) through (6), the department shall approve a change in appropriation right if the appropriator proves by a preponderance of evidence that the following criteria are met:

(a) The proposed change in appropriation right will not adversely affect the use of the existing water rights of other persons or other perfected or planned uses or developments for which a permit or certificate has been issued or for which a state water reservation has been issued under part 3.

(b) Except for a lease authorization pursuant to 85-2-436 that does not require appropriation works, the proposed means of diversion, construction, and operation of the appropriation works are adequate.

(c) The proposed use of water is a beneficial use.

(d) The applicant has a possessory interest, or the written consent of the person with the possessory interest, in the property where the water is to be put to beneficial use.

(e) If the change in appropriation right involves salvaged water, the proposed water-saving methods will salvage at least the amount of water asserted by the applicant.

(g) The ability of a discharge permitholder to satisfy effluent limitations of a permit issued in accordance with Title 75, chapter 5, part 4, will not be adversely affected.

(3) The applicant is required to prove that the criteria in subsections (2)(f) and (2)(g) have been met only if a valid objection is filed. A valid objection must contain substantial credible information establishing to the satisfaction of the department that the criteria in subsection (2)(f) or (2)(g), as applicable, may not be met.

(4) The department may not approve a change in purpose of use or place of use of an appropriation of 4,000 or more acre-feet of water a year and 5.5 or more cubic feet per second of water unless the appropriator proves by a preponderance of evidence that:

(iv) the availability and feasibility of using low-quality water for the purpose for which application has been made;

(v) the effects on private property rights by any creation of or contribution to saline seep; and

(5) The department may not approve a change in purpose of use or place of use for a diversion that results in 4,000 or more acre-feet of water a year and 5.5 or more cubic feet per second of water being consumed unless:

(a) the applicant proves by clear and convincing evidence and the department finds that the criteria in subsections (2) and (4) are met; and

(b) In determining whether the appropriator has proved by clear and convincing evidence that the requirements of subsections (6)(a)(ii) and (6)(a)(iii) will be met, the department and, if applicable, the legislature shall consider the following factors:

(i) whether there are present or projected water shortages within the state of Montana;

(ii) whether the water that is the subject of the proposed change in appropriation might feasibly be transported to alleviate water shortages within the state of Montana;

(9) Upon actual application of water to the proposed beneficial use within the time allowed, the appropriator shall notify the department that the appropriation has been completed. (10) If a change is not completed as approved by the department or legislature or if the terms, conditions, restrictions, and limitations of the change approval are not complied with, the department may, after notice and opportunity for hearing, require the appropriator to show cause why the change approval should not be modified or revoked. If the appropriator fails to show sufficient cause, the department may modify or revoke the change approval.

(11) The original of a change approval issued by the department must be sent to the applicant, and a duplicate must be kept in the office of the department in Helena.

(12) A person holding an issued permit or change approval that has not been perfected may change the place of diversion, place of use, purpose of use, or place of storage by filing an application for change pursuant to this section.

(3) An authorization for a temporary change in appropriation right may be renewed by the department for a period not to exceed 10 years. Persons described in this subsection must be notified of the existence of any temporary change authorizations from the same source of supply.

(8) If a water right for which a temporary change has been approved is transferred as an appurtenance of real property, the temporary change remains in effect unless another change in appropriation right is authorized by the department."

Section 5. Section 85-2-419, MCA, is amended to read:

"**85-2-419. Salvaged water.** It is the declared policy of the state in 85-1-101 to encourage the conservation and full use of water. (3) Except as provided in 75-10-712, the department is authorized to draw upon the fund to take action under subsection (1) if it has made diligent good faith efforts to determine the identity of the person or persons liable for the release or threatened release and:

(a) is unable to determine the identity of the liable person or persons in a manner consistent with the need to take timely remedial action; or

(b) ~~the~~ *a* person or persons determined by the department to be *liable or potentially* liable under 75-10-715(1) have been informed in writing of the department's determination and have been requested by the department to take appropriate remedial action but are unable or unwilling to take action in a timely manner; and

(c) the written notice ~~to each person~~ informs the person that if subsequently found liable pursuant to 75-10-715(1), the person may be required to reimburse the fund for the state's remedial action costs and may be subject to penalties pursuant to this part.

(4) Whenever the department is authorized to act pursuant to subsection (1), it may issue to any person liable under 75-10-715(1) cease and desist, remedial, or other orders as may be necessary or appropriate to protect the public health, safety, or welfare or the environment.

(5) (a) A person who violates or fails or refuses to comply with an order issued under 75-10-707 or this section may, in an action brought to enforce the order, be assessed a civil penalty of not more than $10,000 for each day in which a violation occurs or a failure or refusal to comply continues. In determining the amount of any penalty assessed, the court may take into account:

(i) the nature, circumstances, extent, and gravity of the noncompliance;

(ii) with respect to the person liable under 75-10-715(1):

(A) the person's ability to pay;

(B) any prior history of violations;

(C) the degree of culpability; and

(D) the economic benefit or savings, if any, resulting from the noncompliance; and

(iii) any other matters as justice may require.

(b) Civil penalties collected under subsection (5)(a) must be deposited into the environmental quality protection fund established in 75-10-704.

(6) A court has jurisdiction to review an order issued under 75-10-707 or this section only in the following actions:

(a) an action under 75-10-715 to recover remedial action costs or penalties or for contribution;

(b) an action to enforce an order issued under 75-10-707 or this section;

(c) an action to recover a civil penalty for violation of or failure to comply with an order issued under 75-10-707 or this section; or

(d) an action by a person to whom an order has been issued to determine the validity of the order, only if the person has been in compliance and continues in compliance with the order pending a decision of the court.

(7) In considering objections raised in a judicial action regarding orders issued under this part, the court shall uphold and enforce an order issued by the department unless the objecting party can demonstrate, on the administrative record, that the department's decision to issue the order was arbitrary and capricious or otherwise not in accordance with law.

(8) Instead of issuing a notification or an order under this section, the department may bring an action for legal or equitable relief in the district court of the county where the release or threatened release occurred or in the first judicial district as may be necessary to abate any imminent and substantial endangerment to the public health, safety, or welfare or the environment resulting from the release or threatened release.

(9) The department may take remedial action pursuant to subsection (1) at a site that is regulated under the federal Comprehensive Environmental Response, Compensation, and Liability Act of 1980, Public Law 96-510, if the department determines that remedial action is necessary to carry out the purposes of this part."

Section 2. Section 75-10-712, MCA, is amended to read:

"**75-10-712. Emergency action.** If the department determines that immediate response to an imminent threat to public health, safety, or welfare or the environment is necessary to avoid substantial injury or damage to persons, property, or resources, remedial action may be taken pursuant to 75-10-711(1) without the prior written notice required by 75-10-711(3). The department shall give subsequent written notice to ~~the~~ *a person who is liable or potentially liable* ~~person liable~~ under 75-10-715(1) within ~~5~~ *30* days after the action is taken, describing the circumstances ~~which~~ *that* required the action to be taken without prior notice."

Section 3. Section 75-10-715, MCA, is amended to read:

"75-10-715. Liability — reimbursement and penalties — proceedings — defenses and exclusions. (1) Except as provided in 75-10-742 through 75-10-752, notwithstanding any other provision of law, and subject only to the defenses set forth in subsection (5) and the exclusions set forth in subsection (7), the following persons are jointly and severally liable for a release or threatened release of a hazardous or deleterious substance from a facility:

(a) a person who owns or operates a facility where a hazardous or deleterious substance was disposed of;

(b) a person who at the time of disposal of a hazardous or deleterious substance owned or operated a facility where the hazardous or deleterious substance was disposed of;

(c) a person who generated, possessed, or was otherwise responsible for a hazardous or deleterious substance and who, by contract, agreement, or otherwise, arranged for disposal or treatment of the substance or arranged with a transporter for transport of the substance for disposal or treatment; and

(d) a person who accepts or has accepted a hazardous or deleterious substance for transport to a disposal or treatment facility.

(2) A person identified in subsection (1) is liable for the following costs:

(a) all remedial action costs incurred by the state; and

(b) damages for injury to, destruction of, or loss of natural resources caused by the release or threatened release, including the reasonable technical and legal costs of assessing and enforcing a claim for the injury, destruction, or loss resulting from the release, unless the impaired natural resources were specifically identified as an irreversible and irretrievable commitment of natural resources in an approved final state or federal environmental impact statement or other comparable approved final environmental analysis for a project or facility that was the subject of a governmental permit or license and the project or facility was being operated within the terms of its permit or license.

(3) If the person liable under subsection (1) fails, without sufficient cause, to comply with a department order issued pursuant to 75-10-711(4) or to properly provide remedial action upon notification by the department pursuant to 75-10-711(3), the person may be liable for penalties in an amount not to exceed two times the amount of any costs incurred by the state pursuant to this section.

(4) The department may initiate civil proceedings in district court to recover remedial action costs, natural resource damages, or penalties under subsections (1), (2), and (3). Proceedings to recover costs and penalties must be conducted in accordance with 75-10-722. Venue for any action to recover costs, damages, or penalties lies in the county where the release occurred or where the person liable under subsection (1) resides or has its principal place of business or in the district court of the first judicial district.

(5) A person has a defense and is not liable under subsections (1), (2), and (3) if the person can establish by a preponderance of the evidence that:

(a) the department failed to *provide notice to the person claiming the defense* ~~follow the notice~~ ~~provisions of~~ *when required by* 75-10-711 ~~when required;~~. *Establishment of this defense only prohibits the department from collecting those costs incurred or encumbered by the department prior to providing notice to the person and does not provide the person a defense to any other liability.*

(b) the release did not emanate from any vessel, vehicle, or facility to which the person contributed any hazardous or deleterious substance or over which the person had any ownership, authority, or control and was not caused by any action or omission of the person;

(c) the release or threatened release occurred solely as a result of:

(i) an act or omission of a third party other than either an employee or agent of the person; or

(ii) an act or omission of a third party other than one whose act or omission occurs in connection with a contractual relationship, existing directly or indirectly, with the person, if the person establishes by a preponderance of the evidence that the person:

(A) exercised due care with respect to the hazardous or deleterious substance concerned, taking into consideration the characteristics of the hazardous or deleterious substance in light of all relevant facts and circumstances; and

(B) took precautions against foreseeable acts or omissions of a third party and the consequences that could foreseeably result from those acts or omissions;

(d) the release or ~~threat of~~ *threatened* release occurred solely as the result of an act of God or an act of war;

(e) the release or threatened release was from a facility for which a permit had been issued by the department, the hazardous or deleterious substance was specifically identified in the permit, and the release was within the limits allowed in the permit;

(f) in the case of assessment of penalties under subsection (3), factors beyond the control of the person prevented the person from taking timely remedial action; or

(g) the person transported only household refuse, unless that person knew or reasonably should have known that the hazardous or deleterious substance was present in the refuse.

(6) (a) For the purpose of subsection (5)(c)(ii), the term "contractual relationship" includes but is not limited to land contracts, deeds, or other instruments transferring title or possession, unless the real property on which the facility is located was acquired by the person after the disposal or placement of the hazardous or deleterious substance on, in, or at the facility and one or more of the following circumstances is also established by the person by a preponderance of the evidence:

(i) At the time the person acquired the facility, the person did not know and had no reason to know that a hazardous or deleterious substance that is the subject of the release or threatened release was disposed of on, in, or at the facility.

(ii) The person is a governmental entity that acquired the facility by escheat, lien foreclosure, or through any other involuntary transfer or acquisition or through the exercise of eminent domain authority by purchase or condemnation.

(iii) The person acquired the facility by inheritance or bequest.

(b) In addition to establishing one or more of the circumstances in subsection (6)(a)(i) through (6)(a)(iii), the person shall establish that the person has satisfied the requirements of subsection (5)(c)(i) or (5)(c)(ii).

(c) To establish that the person had no reason to know, as provided in subsection (6)(a)(i), the person must have undertaken, at the time of acquisition, all appropriate inquiry into the previous ownership and uses of the property consistent with good commercial or customary practice in an effort to minimize liability. For purposes of assessing this inquiry, the following must be taken into account:

(i) any specialized knowledge or experience on the part of the person;

(ii) the relationship of the purchase price to the value of the property if uncontaminated;

(iii) commonly known or reasonably ascertainable information about the property;

(iv) the obviousness of the presence or the likely presence of contamination on the property; and

(v) the ability to detect the contamination by appropriate inspection.

(d) (i) Subsections (5)(b) and (5)(c) or this subsection (6) may not diminish the liability of a previous owner or operator of the facility who would otherwise be liable under this part.

(ii) Notwithstanding this subsection (6), if the previous owner or operator obtained actual knowledge of the release or threatened release of a hazardous or deleterious substance at the facility when the person owned the real property and then subsequently transferred ownership of the property to another person without disclosing the knowledge, the previous owner is liable under subsections (1), (2), and (3) and a defense under subsection (5)(b) or (5)(c) is not available to that person.

(e) ~~Subsection~~ *This subsection* (6) does not affect the liability under this part of a person who, by any act or omission, caused or contributed to the release or threatened release of a hazardous or deleterious substance that is the subject of the action relating to the facility.

(7) A person has an exclusion and is not liable under this section if:

(a) the person generated or disposed of only household refuse, unless the person knew or reasonably should have known that the hazardous or deleterious substance was present in the refuse;

(b) the person owns or operates real property where hazardous or deleterious substances have come to be located solely as a result of subsurface migration in an aquifer from a source or sources outside the person's property, provided that the following conditions are met:

(i) the owner or operator did not cause, contribute to, or exacerbate the release or threatened release of any hazardous or deleterious substances through any act or omission. The failure to take affirmative steps to mitigate or address contamination that has migrated from a source outside the owner's or operator's property does not, in the absence of exceptional circumstances, constitute an omission by the owner or operator.

(ii) the person who caused, contributed to, or exacerbated the release or threatened release of any hazardous or deleterious substance is not and was not an agent or employee of the owner or operator and is not or was not in a direct or indirect contractual relationship with the owner or operator, unless the department provides a written determination that an existing or proposed contractual relationship is an insufficient basis to establish liability under this section;

(iii) there is no other basis of liability under subsection (1) for the owner or operator for the release or threatened release of a hazardous or deleterious substance; and

(iv) the owner or operator cooperates with the department and all persons conducting department-approved remedial actions on the property, including granting access and complying with and implementing all required institutional controls;

(c) the person owns or occupies real property of 20 acres or less for residential purposes, provided that the following conditions are met:

(i) the person did not cause, contribute to, or exacerbate the release or threatened release of any hazardous or deleterious substance through any act or omission;

(ii) the person uses or allows the use of the real property for residential purposes. This exclusion does not apply to any person who acquires or develops real property for commercial use or any use other than residential use.

(iii) at the time the person purchased or occupied the real property, there were no visible indications of contamination on the surface of the real property;

(iv) the person cooperates with the department and all persons conducting department-approved remedial actions on the property, including granting access and complying with and implementing all required institutional controls; and

(v) there is no other basis of liability under subsection (1) for the owner or occupier for the release or threatened release of a hazardous or deleterious substance.

(8) A person is liable under this section if the department provides substantial credible evidence that the person fails to satisfy any element of each exclusion in subsections (7)(a) through (7)(c).

(9) The liability of a fiduciary under the provisions of this part for a release or a threatened release of a hazardous or deleterious substance from a facility held in a fiduciary capacity may not exceed the assets held in the fiduciary capacity that are available to indemnify the fiduciary unless the fiduciary is liable under this part independent of the person's ownership or actions taken in a fiduciary capacity.

(10) A person who holds indicia of ownership in a facility primarily to protect a security interest is not liable under subsections (1)(a) and (1)(b) for having participated in the management of a facility within the meaning of 75-10-701(15)(b) because of any one or any combination of the following:

(a) holding an interest in real or personal property when the interest is being held as security for payment or performance of an obligation, including but not limited to a mortgage, deed of trust, lien, security interest, assignment, pledge, or other right or encumbrance against real or personal property that is furnished by the owner to ensure repayment of a financial obligation;

(b) requiring or conducting financial or environmental assessments of a facility or a portion of a facility, making financing conditional upon environmental compliance, or providing environmental information or reports;

(c) monitoring the operations conducted at a facility or providing access to a facility to the department or its agents or to remedial action contractors;

(d) having the mere capacity or unexercised right to influence a facility's management of hazardous or deleterious substances;

(e) giving advice, information, guidance, or direction concerning the administrative and financial aspects, as opposed to day-to-day operational aspects, of a borrower's operations;

(f) providing general information concerning federal, state, or local laws governing the transportation, storage, treatment, and disposal of hazardous or deleterious substances and concerning the hiring of remedial action contractors;

(g) engaging in financial workouts, restructuring, or refinancing of a borrower's obligations;

(h) collecting rent, maintaining utility services, securing a facility from unauthorized entry, or undertaking other activities to protect or preserve the value of the security interest in a facility;

(i) extending or denying credit to a person owning or in lawful possession of a facility;

(j) in an emergency, requiring or undertaking activities to prevent exposure of persons to hazardous or deleterious substances or to contain a release;

(k) requiring or conducting remedial action in response to a release or threatened release if prior notice is given to the department and the department approves of the remedial action; or

(l) taking title to a facility by foreclosure, provided that the holder of indicia of ownership, from the time the holder acquires title, undertakes to sell, re-lease property held pursuant to a lease financing transaction (whether by a new lease financing transaction or substitution of the lessee), or otherwise divest itself of the property in a reasonably expeditious manner, using whatever commercially reasonable means are relevant or appropriate with respect to the facility and taking all facts and circumstances into consideration and provided that the holder does not:

(i) outbid or refuse a bid for fair consideration for the property or outbid or refuse a bid that would effectively compensate the holder for the amount secured by the facility;

(ii) worsen the contamination at the facility;

(iii) incur liability under subsection (1)(c) or (1)(d) by arranging for disposal of or transporting hazardous or deleterious substances; or

(iv) engage in conduct described in subsection (11).

(11) The protection from liability provided in subsections (9) and (10) is not available to a fiduciary or to a person holding indicia of ownership primarily to protect a security interest if the fiduciary or person through affirmative conduct:

(a) causes or contributes to a release of hazardous or deleterious substances from the facility;

(b) allows others to cause or contribute to a release of hazardous or deleterious substances: or

(c) in the case of a person holding indicia of ownership primarily to protect a security interest, actually participates in the management of a facility by:

(i) exercising decisionmaking control over environmental compliance; or

(ii) exercising control at a level comparable to that of a manager of the enterprise with responsibility for day-to-day decisionmaking either with respect to environmental compliance or substantially all of the operational, as opposed to financial or administrative, aspects of the facility."

Section 4. Section 75-10-745, MCA, is amended to read:

"75-10-745. (Temporary) Allocation of liability — process initiation. (1) For a facility at which the department has initiated a remedial action under 75-10-711 through the issuance of a notice letter prior to July 1, 1997, any person determined to be potentially liable under 75-10-715 may petition the department in writing to initiate the allocation process. The right to participate in the allocation process is waived if the written petition is not provided to the department prior to the completion of remedial actions, except for operation and maintenance, at the facility.

(2) For a facility at which the department has not initiated a remedial action through the issuance of a notice letter under 75-10-711, any person potentially liable under 75-10-715 who has received approval of a voluntary cleanup plan under 75-10-730 through 75-10-738 may petition the department in writing to initiate the allocation process. The right to participate in the allocation process is waived if the written petition is not provided to the department prior to the completion of remedial actions, except for operation and maintenance, at the facility.

(3) For a facility at which the department initiates a remedial action through the issuance of a notice letter under 75-10-711 after July 1, 1997, any person potentially liable under 75-10-715 may petition the department in writing within 60 days of the date of the notice letter to initiate the allocation process. Any potentially liable person under 75-10-715 who does not provide a written petition to the department within this timeframe waives the right to participate in the allocation process and remains liable as provided in 75-10-715. The notice letter sent by the department must advise that a failure to petition the department for allocation as provided in this subsection will result in a waiver of the right to participate in the allocation process.

(4) The allocation process may be initiated and may proceed upon written petition of one or more potentially liable persons.

(5) Prior to the initiation of discovery as provided in 75-10-747, all persons who participate in the allocation process shall agree in writing that the allocator's decision is binding, subject only to the provisions of 75-10-750(9) and the appeal provisions of 75-10-751.

(6) All liable or potentially liable persons under 75-10-715 who do not participate in the allocation process under 75-10-742 through 75-10-752 remain liable as provided in 75-10-715.

(7) Upon receipt of a written petition under ~~subsections~~ *subsection* (1) or (2) or when initiating actions at a facility without a prior notice letter under subsection (3), the department shall:

(a) conduct a good faith investigation and may use its authority in 75-10-707 to identify persons who may be liable under 75-10-715; and

(b) issue notice letters to *one or more of* the persons it identifies as potentially liable under 75-10-715. *If a person petitions the department to initiate the allocation process as provided for in subsection (8), the department shall issue notice letters or nomination letters pursuant to subsection (9) to the persons it identified as potentially liable under 75-10-715 who were not previously given notice.*

(8) A person who receives a notice letter may, within 60 days from the date of the notice letter, petition the department in writing to participate in an allocation process and provide the department with the identity of other potentially liable persons under 75-10-715 who were not ~~noticed~~ *given notice* by the department. When identifying additional potentially liable persons, the ~~noticed~~ person *given notice* shall provide to the department a statement and credible evidence showing that there is a basis in law and fact to determine that the identified person is potentially liable under 75-10-715.

(9) Within 30 days of receipt of the information provided for in subsection (8), the department may issue a notice letter to an identified person whom the department determines is a potentially liable person under 75-10-715 *or to a person whom the department identified in subsection (7) and who was not previously given notice*. If the department does not issue a notice letter to an identified person, the department shall issue the person a nomination letter indicating that the person has been identified as potentially liable under 75-10-715. The nomination letter must state that the person has the right to participate in the allocation process and that if the person does not participate and is found liable, the person remains subject to liability as provided in 75-10-715. If the newly noticed or nominated person chooses to participate in the allocation process, the person shall provide a written petition of the person's intent to participate in the allocation process to the department within 30 days of the date of the notice or nomination letter. A failure to petition the department for allocation as provided in this subsection results in a waiver of the right to participate in the allocation process.

(10) If a person nominated under subsection (9) cannot be readily located, the department shall, within 30 days of receipt of the information provided for in subsection (8), publish one notice of the person's nomination, along with the information contained in a nomination letter under subsection (9), in a newspaper of general circulation in the county where all or a portion of the facility is located. The notice must state that the person has 30 days from the date of the notice to petition the department, in writing, to participate in the allocation process. A failure to petition the department for allocation as provided in this subsection results in a waiver of the right to participate in the allocation process.

(11) If one or more potentially liable persons petition in writing for an allocation process under subsection (1), (2), or (3) and the department determines that the facility has a potential orphan share, the department shall:

(a) publish a notice and brief description of the facility in a newspaper of general circulation in the area affected and provide at least 30 days for submission of public comment on the identification of potentially liable persons under 75-10-715; and

(b) notify interested persons and the county commissioners of each county in which all or a portion of the facility is located and provide at least 30 days for submission of comments on the identification of potentially liable persons under 75-10-715.

(12) If a nominated person participates in the allocation and the person is assigned a zero share of liability by the allocator, that person's reasonable costs of participating in the allocation, including attorney fees, must be borne by the person who proposed the addition of the nominated person to the allocation.

(13) If the department anticipates that a facility may have an orphan share, the department shall represent the orphan share in the allocation process. If the state is a potentially liable person under 75-10-715, an agency or entity other than the department shall represent the state in the allocation process.

(14) Except as provided in subsection (15), whenever the department is involved in allocation processes on five facilities, other allocation processes may be stayed before the discovery stage provided in 75-10-747. Upon completion of an allocation provided in 75-10-750 or 75-10-751, execution of a stipulated agreement under 75-10-750, or a default to liability as provided in 75-10-715 for one of the five facilities, the department shall notify the potentially liable persons for the facility on the waiting list that has the earliest date of written petition. Discovery under 75-10-747 must begin within 10 days of department notification.

(15) A stay on the allocation process may not occur under subsection (14) if all persons participating in the allocation process agree in writing that there is no orphan share and that the state is not a potentially liable person under 75-10-715. The agreement is binding upon all noticed or nominated persons.

(16) If, after initiating the process, a potentially liable person elects to discontinue participation in the process, the person remains subject to liability as provided in 75-10-715. (Terminates June 30, 2005—sec. 30, Ch. 415, L. 1997.)"

CHAPTER NO. 384

[HB 125]

AN ACT CLARIFYING THAT THE GOAL OF TEMPORARY WATER QUALITY STANDARDS IS TO IMPROVE WATER QUALITY TO THE POINT AT WHICH ALL THE BENEFICIAL USES DESIGNATED FOR THAT WATER BODY OR SEGMENT ARE SUPPORTED; REQUIRING THAT A SUPPORT DOCUMENT AND PRELIMINARY IMPLEMENTATION PLAN BE SUBMITTED TO THE DEPARTMENT OF ENVIRONMENTAL QUALITY PRIOR TO REQUESTING TEMPORARY WATER QUALITY STANDARDS; REVISING THE INFORMATION REQUIRED IN THE SUPPORT DOCUMENT AND IMPLEMENTATION PLAN; REQUIRING THE SUBMISSION OF ANNUAL WORK PLANS THAT MUST BE APPROVED BY THE DIRECTOR OF THE DEPARTMENT; REQUIRING THE BOARD OF ENVIRONMENTAL REVIEW TO REVIEW THE IMPLEMENTATION PLAN AT LEAST EVERY 3 YEARS AT A PUBLIC HEARING; AUTHORIZING THE DEPARTMENT TO MODIFY IMPLEMENTATION PLANS; AND AMENDING SECTION 75-5-312, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 75-5-312, MCA, is amended to read:

"75-5-312. Temporary water quality standards. (1) The board may ~~on its own~~, upon recommendation of the department~~,~~ or upon a petition for rulemaking, *as provided in 2-4-315,* by a person, including a permit applicant or permittee, temporarily modify a water quality standard for a specific water body or segment on a parameter-by-parameter basis in those instances in which substantive information indicates that the water body or segment is not supporting its designated uses. When the board adopts temporary standards, the goal is to improve water quality to the point at which *all the beneficial uses designated for that water body or segment* ~~an additional beneficial use or uses~~ are supported.

(2) As a condition for establishing temporary water quality standards for a particular water body or segment, the department or the petitioner, as applicable, shall prepare a support document and *a preliminary* implementation plan for use by the board in determining whether to adopt ~~a~~ *the* proposed temporary water quality ~~standard~~ *standards. A person shall submit a support document and a preliminary implementation plan to the department for its review at least 60 days prior to filing a petition with the board requesting the adoption of temporary water quality standards.*

(3) ~~If a person petitions for rulemaking under this section, the petition must specifically describe the affected state water, the existing ambient water quality for the parameter or parameters at issue, the water quality standard or standards affected, and the temporary modifications sought. Within 180 days after the board grants a petition to initiate rulemaking, the petitioner shall prepare and submit to the board and the department a proposed support document and implementation plan that sets forth:~~ *The support document prepared by the department or the petitioner, as applicable, must describe:*

(a) the chemical, biological, and physical condition of the water body or segment;

~~(a)~~*(b)* the *specific* water quality limiting factors affecting the water body or segment;

~~(b)~~*(c)* the existing *water quality standards that are not being achieved* ~~beneficial use or uses and the beneficial use or uses considered attainable in the absence of the water quality limiting factors~~;

(d) the temporary modifications to the existing water quality standards being requested;

(e) existing beneficial uses; and

(f) the designated uses considered attainable in the absence of the water quality limiting factors.

~~(c) an implementation plan to eliminate the water quality limiting factors to the extent considered achievable; and~~

~~(d) a schedule for implementing the plan that ensures that the water quality standards for the parameter or parameters at issue are met as soon as reasonably practicable and in no event later than the time allowed by the board in the temporary standard.~~

(4) The preliminary implementation plan prepared by the department or the petitioner, as applicable, must contain:

(a) a description of the proposed actions that will eliminate the water quality limiting factors identified in subsection (3)(b) to the extent considered achievable; and

(b) a schedule for implementing the proposed actions that ensures that the existing water quality standards for the parameter or parameters at issue are met as soon as reasonably practicable.

(5) Within 30 days after the board's adoption of temporary water quality standards, the department or the petitioner, as applicable, shall:

(a) modify the preliminary implementation plan and schedule to reflect the requirements and timeframe adopted by the board for the temporary standards; and

(b) develop a detailed work plan describing the implementation activities that will be conducted during the first field season of the temporary standards. The work plan must be approved by the director of the department.

(6) By March 1 of each year that the temporary water quality standards are in effect, the department or the petitioner, as applicable, shall submit a detailed work plan describing the implementation activities that will be conducted during that season. The annual work plans must be approved by the director of the department. The department shall maintain copies of the implementation plan, schedule, and annual work plans and any modifications to those plans and schedule.

~~(4)~~*(7)* Upon the board's adoption of a temporary water quality standard, the department shall ensure that reasonable conditions and limitations designed to achieve compliance with the implementation plan are established in appropriate discharge permits.

~~(5)~~*(8)* (a) A temporary modification of a water quality standard may not result in adverse impacts to existing beneficial uses or be established for a total period longer than 20 years.

(b) During the period of the temporary modification, the board may not allow a discharge that will cause overall water quality to become worse than the overall quality of the water body or segment prior to the discharge.

~~(6)~~*(9)* If a state water is designated as having temporary standards, the department shall report to the board at least every 3 years or upon request of the board regarding whether adequate efforts have been made to implement the plans submitted as the basis for the temporary ~~standard~~ *standards*.

~~(7)~~*(10)* The board shall review *the* temporary standards *and implementation plan* at least every 3 years at a public hearing for which notice and an opportunity for comment have been provided. *During this review, the board shall consider the progress made in restoring water quality to a level that achieves the goal of the temporary water quality standards.* The board may terminate *or modify* the temporary ~~standard~~ *standards* based on information submitted at the time of ~~its~~ review ~~that the applicant is not complying with the approved implementation plan~~.

~~(8)~~*(11)* The board shall terminate a temporary standard for a parameter if:

(a) values for the modified parameter or parameters improve to conditions that support all designated uses for that classification;

(b) the state water for which the temporary standard is adopted is reclassified as provided for in 75-5-302; or

(c) the plan submitted in support of the temporary water quality standard is not being implemented according to the plan's schedule or modifications to that *plan or* schedule made by the board or department.

~~(9)~~*(12)* The board *or the department* may modify the *implementation* plan if ~~the permittee submits~~ *there is* convincing evidence ~~to the board~~ that the plan needs modification. ~~The board may not extend the plan beyond a total period of 20 years.~~

(3) A continuation statement may be filed by the secured party within 6 months prior to the expiration of the 5-year period specified in subsection (2). Any continuation statement must be signed by the secured party, identify the original statement by file number, and state that the original statement is still effective. A continuation statement signed by a person other than the secured party of record must be accompanied by a separate written statement of assignment signed by the secured party of record and complying with 30-9-405(2), including payment of the required fee. Upon timely filing of the continuation statement, the effectiveness of the original statement is continued for 5 years after the last date to which the filing was effective, after which it lapses in the same manner as provided in subsection (2) unless another continuation statement is filed prior to

the lapse. Succeeding continuation statements may be filed in the same manner to continue the effectiveness of the original statement. Unless a statute on disposition of public records provides otherwise, the filing officer may remove a lapsed statement from the files and destroy it immediately if the filing officer has retained a microfilm or other photographic record or a record produced according to rules adopted by the secretary of state or, in other cases after 1 year after the lapse, upon approval by the local government records destruction subcommittee provided for in 2-6-403. The filing officer shall arrange matters by physical annexation of financing statements to continuation statements or other related filings, or by other means, that if the filing officer physically destroys the financing statements of a period more than 5 years past, those that have been continued by a continuation statement or that are still effective under subsection (6) must be retained.

(4) Except as provided in subsection (7), a filing officer shall mark each statement with a file number and with the date and hour of filing. The filing officer shall hold the statement or a microfilm or other photographic copy or a copy produced according to rules adopted by the secretary of state for public inspection. In addition, the filing officer shall index the statements according to the name of the debtor and shall note in the index the file number and the address of the debtor given in the statement.

(5) The uniform fees for filing, indexing, and stamping a copy furnished by the filing party to show the date and place of filing must be set pursuant to subsection (12).

(6) If the debtor is a transmitting utility and a filed financing statement so states, it is effective until a termination statement is filed. A real estate mortgage that is effective as a fixture filing under 30-9-402(6) remains effective as a fixture filing until the mortgage is released or satisfied of record or its effectiveness otherwise terminates as to the real estate.

(7) When a financing statement covers timber to be cut or covers minerals or the like (including oil and gas) or accounts subject to 30-9-103(5) or is filed as a fixture filing, the filing officer shall index it under the names of the debtor and any owner of record shown on the financing statement in the same fashion as if they were the mortgagors in a mortgage of the real estate described and, to the extent that the law of this state provides for indexing of mortgages under the name of the mortgagee, under the name of the secured party as if the secured party were the mortgagee under the financing statement or, if indexing is by description, in the same fashion as if the financing statement were a mortgage of the real estate described.

(8) When a financing or continuation statement filed by a financial institution covers farm products or accounts, livestock, general intangibles arising from or relating to the sale of farm products by a farmer, crops growing or to be grown, or equipment used in farming operations, the fee for filing must be ~~established~~ *set and deposited* by the secretary of state in ~~an amount commensurate with the costs of establishing and operating the computerized access system described in subsection (9)~~ *accordance with [section 1].*

(9) Within 1 working day of receipt of a financing or continuation statement, the secretary of state shall record the information contained in the statement on a centralized computer system that the secretary of state shall establish. The computer system must allow access to financing statement information by any type of communications that conform to standards used by the state central

computer. The system must have safeguards to allow only access to UCC data and to prevent alteration, addition, or deletion of the UCC data. The computer must be accessible whenever the state computer system is available. A perfected security interest is not created until the financing statement information is recorded on the system. A printout of information from the system is prima facie evidence of the existence or nonexistence of the filing of a financing statement. The secretary of state shall maintain adequate errors and omissions liability coverage to protect against input errors causing loss to a secured party.

(10) The secretary of state shall, upon request of a clerk and recorder, mail a certified copy of a financing statement, continuation statement, assignment, amendment, or termination covering collateral described in subsection (8) to the clerk and recorder in the county of the principal debtor's residence. The secretary of state shall mail the requested copies at least once each week. This subsection does not require the secretary of state to mail a copy of any document that does not specifically indicate the county of the principal debtor's residence on its face.

(11) Financing statement information in the computer system constitutes public writings within the meaning of 2-6-101, but the information may not be used to compile mailing lists.

(12) The secretary of state, with advice from the county clerk and recorders, shall ~~by administrative rule establish fees as required by this part. The fees must be commensurate with the costs of processing the documents. The secretary of state shall maintain records sufficient to support the amounts of the fees established under this subsection. The secretary of state shall deposit all fees in the enterprise fund in the state treasury~~ *set and deposit the fees required by this part in accordance with [section 1].* The secretary of state shall disseminate the uniform fee schedule to the county clerk and recorders for their use. (Repealed effective July 1, 2001—secs. 168, 171, Ch. 305, L. 1999.)"

Section 13. Section 30-9-407, MCA, is amended to read:

"**30-9-407. (Temporary) Information from filing officer —** ***fees.*** (1) If the person filing any financing statement, termination statement, statement of assignment, or statement of release furnishes the filing officer a copy of the statement, the filing officer shall upon request note upon the copy the file number and date and hour of the filing of the original and deliver or send the copy to the person.

(2) Upon request of any person, the filing officer shall issue a certificate showing whether there is on file on the date and hour stated in the certificate, any presently effective financing statement naming a particular debtor and any statement of assignment and, if there is, giving the date and hour of filing of each statement and the name and address of each secured party in the statement. For financing statements recorded on the system described in 30-9-403(9), the filing officer shall, upon request of any person, also furnish written information concerning the collateral described for any presently effective financing statement covering collateral described in 30-9-403(8). However, the information is not a part of the filing officer's certificate and may not constitute a complete description of the collateral covered by the financing statement. The uniform fee for a certificate and description of collateral must be set *and deposited* pursuant to ~~30-9-403~~ *[section 1].* Upon request the filing officer shall furnish a copy of any filed financing statement or statement of assignment for a uniform fee ~~of 50 cents per page~~ *set and deposited in accordance with [section 1].*

The fee for requesting a printout from the secretary of state must ~~cover the cost of the printout~~ *be set and deposited in accordance with [section 1].* If a certificate is made on a requestor's own computer using telephone dial-up access, a fee ~~commensurate with costs~~ must be *set,* charged, *and deposited in accordance with [section 1].*

(4) The secretary of state shall ensure that the system described in 30-9-403(9) complies with the requirements for a central filing system as defined by 7 U.S.C. 1631 as that statute read on January 1, 1987. The secretary of state shall distribute portions of the master list to registered buyers at least once each month. The secretary of state may distribute portions of the master list more frequently if the secretary of state determines it is necessary to improve the flow of agricultural credit. (Repealed effective July 1, 2001—secs. 168, 171, Ch. 305, L. 1999.)"
